

VACANCY ANNOUNCEMENT

The Department of Health has a career opportunity for qualified candidates for the following position:

Title Supervisor of Inspections, HFEL [Classified Competitive]			Salary \$29 \$83,619.58 - \$119,250.92
Posting Number 81-23	Position Number 947065	Number of Positions 1	Posting Period * From: 01/24/2023 To: 02/07/2023
Location: Health Facility Survey and Field Operations 120 So. Stockton Street Trenton, New Jersey 08625			Scope of Eligibility/Open to: Department of Health Employees

GENERAL DESCRIPTION

Under the direction of a Program Manager of the Health Facility Survey & Field Operations Program, perform oversight activities to ensure access to safe and quality care in all state licensed and/or federally certified health care facilities, including but not limited to, Hospitals, Psychiatric facilities, Chronic End-Stage Renal Dialysis, Comprehensive Outpatient Rehab, Outpatient Rehab, Home Health Agencies, Hospice, Ambulatory Surgical Centers, Portable x-rays, and Ambulatory Care Centers.

Organizes, plans and directs activities related to the state licensure and federal certification inspection process; including complaint activities.

Coordinates and supervises the day-to-day activities of assigned staff. Oversees the Supervising Health Care Facility Evaluators and professional evaluator staff. Performs required staff evaluations and provides staff development as needed.

Assures that all surveys are conducted on a timely basis following established protocols to identify areas where the facility is not providing the required care and services.

Reviews survey documents and makes appropriate recommendations regarding licensure, enforcement and referrals to other agencies.

Conducts field observations of the teams as identified by the supervisor.

Offers technical assistance to providers by explaining regulations and providing authoritative information.

Represents the Department at meetings and hearings, gives presentations as directed.

Develops quality assurance mechanisms to assure program activities are in compliance with federal and state laws, rules and regulations.

Interacts inter- and intra-departmentally with other agencies to improve the quality of care in acute care facilities and provide technical assistance to providers.

NOTE: This position may be eligible to participate in the Department's pilot telework program, which offers eligible employees the opportunity to work remotely for up to two (2) days per week, as approved by management.

REQUIREMENTS (EDUCATION / EXPERIENCE / LICENSES)

EDUCATION: Graduation from an accredited college with a Bachelor's degree.

EXPERIENCE: Four (4) years of experience in a health facilities inspection program, one (1) year of which shall have been in a supervisory capacity.

NOTE: Applicants who do not possess the required education may substitute experience as indicated on a year-for-year basis.

NOTE: Applicants who do not possess the required Bachelor's degree but have graduated from an accredited school of nursing and possess a license as a Registered Professional Nurse (RN) may substitute two (2) years additional years of experience as indicated above for the Bachelor's degree.
