

Division of Mental Health and Addiction Services

Supportive Housing & Community Support Services for Individuals Discharged from State Hospitals Diagnosed with Developmental Disabilities / Mental Illness (DD/MI)
Awarded: October 24, 2016

Name of Program: Supportive Housing & Community Support Services for Individuals Discharged from State Hospitals Diagnosed with Developmental Disabilities / Mental Illness (DD/MI)

Purpose: The Division of Mental Health and Addiction Services (DMHAS) has made 2 awards to develop or expand supportive housing to serve a minimum of 15 individuals who are Dually Diagnosed (DD-MI) in a New Jersey State Psychiatric Hospital. Specifically, the DMHAS seeks to facilitate the discharge of individuals on Conditional Extension Pending Placement (CEPP)¹ status. There will be a minimum of 15 new supportive housing opportunities in the Trenton Psychiatric Hospital Catchment area, including Mercer and Middlesex counties.

The current RFP will pair housing subsidies funded by the DMHAS and administered by the New Jersey Housing Mortgage and Finance Agency (NJHMFA) with service dollars to develop or expand community supportive housing programs.

The total annualized funding is \$1,425,000 subject to State appropriations.
