

Premium rate increases can occur at any time during the calendar year with authorization from the New Jersey Department of Banking and Insurance (DOBI). When DOBI authorizes a rate increase, it notifies the SHIP Office which revises the monthly premium rate and date on the comparison chart. The premiums listed are accurate as of the date on this chart, and reflect the company's filing with DOBI. Some companies may offer premium discounts for various reasons. Contact the company for more information.
