ANNUAL for full-time is defined here as 30 credit hours, for part-time it is 12 credits. Some institutions report annual figures but for those that do not per-credit tuition and fees are multiplied by 30 or 12 to derive the annual figure. **Average includes Gibbs College, which is not shown.**

Averages are simple divisions of the amount by the number of institutions reporting, colleges that did not report a figure are not included in the average.
