

# Division of Developmental Disabilities (DDD)

## Support Coordination Q&A

# Purpose of Webinar

---

- ❑ Feedback
- ❑ Implementation
- ❑ Clarification based on further development

# Additional Training Opportunities

---

- ❑ 2-Day Sessions – September 26 & 27, November dates to be announced
- ❑ Supports Program – Beginning of 2014
- ❑ I-Record
- ❑ Technical Assistance & Continuing Education

# Overview of DDD

---

- ❑ Adult Service System
- ❑ Medicaid Based System
  - ❑ Individual Based
  - ❑ MCO/ASO/Waiver Services
- ❑ Disability Services
  - ❑ Individual Based
- ❑ What DDD is *not* ...

# Key Themes

---

- ❑ Individual Choice
- ❑ Shift from Segregated Settings/Supports to Integrated Supports
- ❑ Employment First

---

# Overarching question to consider...

# If the individual didn't have an I/DD, would we be...

---

- having this discussion?
- making this decision?
- suggesting this?
- asking this?
- expecting this?
- etc.

---

# Care Management

# Current Overview of Care Management

---

- ❑ Individuals receiving services prior to June 2013
- ❑ New presenters as of June 2013
- ❑ Individuals enrolled into Supports Program – beginning of 2014

# Accessing Support Coordination

---

- ❑ Individual/Family completes the Support Coordination Agency (SCA) Selection Form & submits to DDD
- ❑ SCA form provides individual/family the opportunity to indicate preference in SCA
- ❑ SCA is assigned if preferred selection serves county of residence and has capacity

# Accessing Support Coordination

---

- ❑ SCA agency is auto assigned by computer in situations where:
  - ❑ No preference is indicated
  - ❑ SCA of preference does not serve county of residence or does not have capacity
- ❑ Individual/family can choose a new SCA at any time

# Accessing Support Coordination

---

- ❑ Notification of SCA assignment is sent to the individual and DDD Regional Office
- ❑ SCA will receive the NJ CAT (Comprehensive Assessment Tool) and individual's budget
- ❑ SCA will identify SC
- ❑ SC will contact the Regional Office for a case conference (using SC Case Conference Guide)

# Individualized Budgets

---

- ❑ How budgets are assigned
- ❑ Support Coordinator's role
- ❑ Support Coordinator cannot be involved in budget setting process
- ❑ Process when there are concerns about the budget

# What is Support Coordination?

---

- ❑ Services that assist participants in gaining access to needed program and State plan services, as well as needed medical, social, educational and other services

# Conflict Free Care Management

---

- ❑ SC **cannot** select providers for the individual
- ❑ SCA/SC **cannot** enter into “agreements” with direct service providers to refer individuals in exchange for SC referrals
- ❑ DDD will monitor trends in referrals
- ❑ SCA will be subject to suspension or disenrollment

## 24 Hour Coverage

---

- ❑ SCA must ensure that Support Coordination services are available at all times – minimally via phone contact
- ❑ Answering service is acceptable as long as there is a SC available on-call
- ❑ SCA must schedule meetings to accommodate individuals/families that cannot meet during business hours

# 24 Hour Coverage - Emergent Cases

---

- ❑ Shall be directed to the on-call SC for follow-up
- ❑ SC must contact the individual and direct him/her to appropriate resources and/or make phone calls (911, emergency personnel, other government entities, etc.)
- ❑ A meeting to develop a plan to address the issue must be held the following morning/day

---

# Service Planning Process

# PCPT's Purpose

---

- ❑ Facilitates Person Centered Planning process
- ❑ Identifies strengths, preferences, individual characteristics, etc.
- ❑ Can be used to share pertinent caregiver information/support needs
- ❑ Provided to service providers upon consent

# Pathways to Employment

---

- ❑ Designed to facilitate a conversation about employment with the individual
- ❑ Path 1: Already employed
- ❑ Path 2: Unemployed & wants to pursue employment
- ❑ Path 3: Unemployed & not pursuing employment at this time

# Voting

---

- ❑ Designed to facilitate a conversation about voting with the individual
- ❑ Identifies support needs related to voting

# Mental Health Pre-Screening

---

- ❑ Designed to facilitate a conversation about the individual's mental health
- ❑ Indicate "yes" or "no" based on response to questions
- ❑ Ask follow up questions as needed
- ❑ Responses may lead to the need for referrals for mental health services or identification of support needs

# ISP's Purpose

---

- ❑ Identifies outcomes, goals, and support needs
- ❑ Identifies health & safety concerns
- ❑ Service authorization
- ❑ Provided to all service providers

# Documents Needed for ISP Development

---

- ❑ NJ CAT
- ❑ Discovery Tools
- ❑ Current/Previous PCPT(s)
- ❑ Previous ISP(s), if applicable
- ❑ Must review the NJ CAT, PCPT, and previous ISP prior to writing a new ISP

## Review – NJ CAT

---

- ❑ Information related to physical, cognitive, health, behaviors, communication, etc.
- ❑ How will these characteristics effect the individual's ability to meet outcomes/goals?
- ❑ Identify areas where support is needed

## Review – NJ CAT

---

- ❑ Identify areas/experiences that will continue or contribute to meeting outcomes/goals
- ❑ Identify how caregiver characteristics may require support

## Review - PCPT

---

- ❑ Outcomes, goals, service needs related to the individual
- ❑ Pathways to employment
- ❑ Voting
- ❑ Mental health pre-screening

# Outcomes – Do's & Don'ts

## Do's

Write about the individual's desired achievement

Write in future tense

Write one outcome per outcome

Include at least one employment outcome

Individualize the outcomes

Other?

## Don'ts

Write about the service/supports needed to achieve the desire

Write in present or past tense

Write/combine multiple outcomes into one

Forget to include an employment outcome

Write the same outcome for everyone

Other?

# Writing Goals

---

- ❑ Goals are the steps it takes to reach the outcome
- ❑ Be specific and measurable
- ❑ Do not repeat what has been written as an outcome

# Additional ISP Requirements

---

- ❑ Must be completed within 30 days of individual assignment
- ❑ Completed at least annually to review current plan and develop a new annual ISP
- ❑ Modified whenever there is a significant change in the individual's status
- ❑ Distributed (along with PCPT upon consent) to all team members and service providers within 3 days of approval

---

# Coordinating Services

# Use of Community Resources

---

- ❑ Most communities offer an array of services that may meet the needs of people with I/DD and their families
- ❑ Utilizing these resources can increase the amount of services an individual receives and may provide services that are not available through DDD

# Use of Community Resources

---

- ❑ SC must be aware of community resource information & assist the individual in linking to these resources
- ❑ Adaptive and/or medical equipment, nutrition assistance, housing, legal assistance, recreation, advocacy, transportation, utility assistance, etc.
- ❑ Section to assist this discussion in PCPT

# Current DDD Services

---

- Assistive Technology
- Environmental Modification
- Habilitation
- Individual Supports
- PERS
- Recreation
- Respite
- Supported Employment
- Transportation
- Vehicle Modification
- Adult Training (AT) – contracted
- AT-Special Needs – contracted
- Corporate Respite – contracted
- Family Supports – contracted

\* A handout with additional details is being developed and will be available by 9/26

# Selection of Approved Providers

---

- ❑ SC **cannot** select providers for the individual
- ❑ SC will assist in
  - ❑ Matching providers to needs
  - ❑ Identifying criteria that will help narrow the list of available providers (can be accessed through a database, DDD regional personnel, provider fairs)
  - ❑ Contacting potential service provider to help facilitate individual research (interviews, tours, etc.)
  - ❑ Determining availability of services

# Selection of Approved Providers

---

- ❑ Individual identifies provider choices based on identified need
- ❑ SC contacts the potential providers to assess availability and documents the provider in the ISP
- ❑ SC provides contact info to provider and individual, facilitates introduction, notifies provider of service need & individual attributes

# Selection of Approved Providers

---

- ❑ Provider should make contact with individual or express interest in delivering services to the individual (5 working days)
- ❑ SC changes provider selection in ISP as necessary
- ❑ SC follows ISP authorization process

# Self-Hires

---

- ❑ A self-hire is an individual who provides services as an employee of the participant
- ❑ The Fiscal Intermediary (FI) shall be utilized to manage payroll, tax responsibilities, and other employer obligations related to Self-Hire selection and employment activities

# Self-Hire Process

---

- ❑ Provide individual/family with a self-hire packet – obtained from Easter Seals
- ❑ Complete packet and send to Easter Seals
- ❑ Easter Seals reviews qualifications
- ❑ Individual/family hires, orients, and trains
- ❑ FI will ensure training in accordance with DDD required qualifications specific to the services

# For Self-Hires the Individual/Family must:

---

- ❑ Track the hours of service used against the hours of service authorized
- ❑ Report any concerns to the SC, and work with the FI/DDD toward resolution

## Referral & Placement

---

- ❑ Contracted – the Region will make referrals
- ❑ Self-directed – Easter Seals will send a welcome packet to the provider
- ❑ If family support services are needed, the SC will contact Tricia to arrange
- ❑ SC sends a copy of the ISP and relevant and consented to discovery tools, evals, assessments, etc. to the providers

# Service Authorization

---

- ❑ DDD-funded services require authorization prior to delivery
  - ❑ Currently, all plans are reviewed and approved by DDD
  - ❑ In the future, the SC Supervisor's approval of the ISP will authorize services & some services will require DDD approval (a list will be provided)

# SC Supervisor

---

- ❑ Reviews the ISP once submitted by SC
- ❑ Ensures that other resources have been explored and are either not available or not sufficient to meet the documented need
- ❑ Ensures that the services will be provided in accordance with the service definitions and parameters outlined in the SP Policy Manual

# Authorization Process

---

- ❑ SC completes the ISP and passes on to the SC Supervisor for review
- ❑ SC Supervisor (SCS) reviews the ISP
- ❑ SCS notifies the SC of any needed revisions
- ❑ SCS approves and sends to DDD for approval

# Authorization Process – I-Record

---

- ❑ SC completes the ISP and changes status from “work in progress” to “review”
- ❑ SC Supervisor (SCS) reviews the ISP
- ❑ SCS notifies the SC of any needed revisions
- ❑ SCS will approve the plan or send to DDD for approval

# Monitoring

---

- ❑ Ensuring that the individual
  - ❑ Receives quality supports and services as outlined in the ISP
  - ❑ Progresses toward identified outcomes
  - ❑ Receives quality supports and services in accordance with DDD's mission and core principles
- ❑ Documented on the Support Coordination Monitoring Tool

# Monthly Contact

---

- ❑ Face-to-Face is preferable
- ❑ Telephone is acceptable
- ❑ Documented on Support Coordination Monitoring Tool
- ❑ SC must provide follow-up and document through case notes and/or the SC Monitoring Tool
- ❑ Revise ISP as necessary

# Quarterly Contact

---

- ❑ Must be face-to-face & include at least 1 home visit annually
- ❑ Some services require a review of the setting where services are provided
- ❑ Documented on the SC Monitoring Tool
- ❑ SC must provide follow-up and document through case notes and/or the SC Monitoring Tool
- ❑ Revise ISP as necessary

# SC Monitoring Tool

---

- ❑ Identifying Information
- ❑ Outstanding Issues/Outcomes of Corrective Actions
- ❑ Medicaid Eligibility Status
- ❑ Budget
- ❑ Service Plan
- ❑ Health & Safety

# SC Monitoring Tool

---

- ❑ Behavior (if applicable)
- ❑ Community Involvement
- ❑ Provider Satisfaction
- ❑ Friendships and Social Interactions
- ❑ Choice and Decision Making
- ❑ Unusual Incident Reports
- ❑ Communication

# SC Monitoring Tool

---

- ❑ Additional Comments
- ❑ Quarterly Face-to-Face Review (if applicable) – For SC to answer
- ❑ Annual In-Home Review (if applicable) – For SC to answer
- ❑ Acknowledgements

# Quality Assurance Responsibilities

---

- ❑ SC should report any quality assurance issues that come to his/her attention to DDD
- ❑ Include standards that are out of compliance, inappropriate implementation of programs, serious incidents not being reported, etc.
- ❑ Also document in SC Monitoring Tool and/or case notes

# Summary of Current SC Documents

---

- ❑ Required Documents
  - ❑ Support Coordination Monitoring Tool
  - ❑ PCPT
  - ❑ ISP
  - ❑ Participants Statement of Rights & Responsibilities
- ❑ Optional Documents
  - ❑ ISP Assurance Checklist
  - ❑ Information Gathering Packet/Discovery Tools

# A Support Coordinator

## Does...

Assist in linking individual to services & supports

Provide information and can act as a resource to service providers

Support individual in advocating for him/herself and/or link individual/family to advocacy resources

Follow-up

Meet deliverables on time

Understand community resources & linkages

## Does Not...

Choose or recommend specific services, supports, or providers

Advocate or attempt to change provider's delivery of services

Advocate on behalf of the individual/family

Wait until designated meetings or documentation to provide follow-up

Go past deadlines

Utilize or rely only on DDD services/supports prior to seeking out other resources

# I-Record

---

- ❑ October 1 – Go Live Date
- ❑ November 1 – Deadline for entering info
- ❑ IT Needs
  - ❑ Internet Explorer Browser (Version 7 or 8)
  - ❑ Scanner
  - ❑ Current Adobe Reader
