Directory of Sign Language Interpreters
Health Care List

Dear Consumer:

Attached is the NJ Division of the Deaf and Hard of Hearing's (DDHH) referral list containing contact information for freelance sign language interpreters. Sign language interpreting is a reasonable accommodation under the Americans with Disabilities Act (ADA) for persons with hearing loss. DDHH disseminates this list as a service to the community and as a resource for consumers to locate and hire qualified sign language interpreters.

These interpreters have been screened by DDHH and/or possess certification offered by the National Registry of Interpreters for the Deaf (RID's web site: www.rid.org). However, DDHH is unable to make any claim as to the skills of any freelance interpreter for a specific assignment. Consumers are reminded that each freelance interpreter operates as a business entity. When hiring an interpreter, the consumer is strongly encouraged to become familiar with the respective interpreter's business policies (i.e. fees, payment, cancellation of services, etc.).

For additional information, please contact Cathy Grehlinger at (609) 984-7283 V/TTY.

Sincerely,

The NJ Division of the Deaf and Hard of Hearing
