P.B.,
PETITIONER,
ADMINISTRATIVE ACTION
FINAL AGENCY DECISION
OAL DKT. NO. HMA 15097-15
v.
DIVISION OF MEDICAL ASSISTANCE
AND HEALTH SERVICES AND
CUMBERLAND COUNTY BOARD
OF SOCIAL SERVICES,
RESPONDENTS.

As Director of the Division of Medical Assistance and Health Services, I have reviewed the record in this matter, consisting of the case file, the documents in evidence and the Initial Decision. No Exceptions to the Initial Decision were filed. Procedurally, the time period for the Agency Head to file a Final Agency Decision is January 22, 2016, in accordance with N.J.S.A. 52:14B-10, which requires an Agency Head to adopt, reject or modify the Initial Decision within 45 days of the agency's receipt. The Initial Decision was received on December 8, 2015.

I hereby ADOPT the Initial Decision affirming the termination of New Jersey Care Medicaid benefits. The undisputed evidence in the record indicates that Petitioner's monthly income exceeds the maximum income limit under this program. There is simply no authority that permits the relaxation or waiver of the income limits in any individual case.

However, if Petitioner needs assistance with his prescription costs, I suggest he apply for the Pharmaceutical Assistance to the Aged and Disabled (PAAD) program. Petitioner may also be eligible for assistance with prescription costs through the Rx4NJ program. For more information about this program, I suggest he call 1-888-793-6765 or access their website at www.Rx4NJ.org.

THEREFORE, it is on this 13th day of January 2016,

ORDERED:

That the Initial Decision AFFIRMING the termination of Medicaid eligibility based upon excess income is hereby ADOPTED as the Final Decision in this matter.

Valerie J. Harr, Director
Division of Medical Assistance
and Health Services
