MEDICAID COMMUNICATION NO. 88-24

DATE: July 11, 1988

TO: County Welfare Agency/Board of Social Services Directors

SUBJECT: JerseyCare Name Change

Please be advised that the Division of Medical Assistance and Health Services has changed the name of the JerseyCare program to **New Jersey Care ...Special Medicaid Programs**. Please note that "Special Medicaid Programs" must appear with the New Jersey Care name and that the programs will continue to provide services to pregnant women, children under the age of two years and aged, blind and disabled clients.

Please discontinue the use of the JerseyCare name immediately and exhaust all remaining JerseyCare supplies. Change all future correspondence and orders for materials to reflect the new name. The Division is in the process of developing new outreach materials which will include posters and brochures. Once printed, these materials will be made available to you.

If there are any additional questions regarding the name change, please call Patricia A. Stolpe, Administrator, Office of Program Development, at (609) 588-2828. Thank you for your continued cooperation.

Sincerely yours,

Thomas M. Russo, Director
Division of Medical Assistance
and Health Services
