DEPARTMENT OF HUMAN SERVICES

MEDICAID NURSING FACILITY REIMBURSEMENT

TAKE NOTICE that, the Department of Human Services, Division of Medical Assistance and Health Services, intends to submit a State Plan Amendment to the Centers for Medicare & Medicaid Services in order to implement a change to the nursing facility rate setting system as adopted in the State Fiscal Year (SFY) 2015 budget provisions. This Notice is intended to satisfy the requirements of federal law and regulations, specifically 42 U.S.C. §1396a(a)(13) and 42 CFR §447.205.

Notwithstanding the provisions of N.J.A.C. 8:85 or any other law or regulation to the contrary and subject to any required federal approval, the amounts hereinabove appropriated for Payments for Medical Assistance Recipients -- Nursing Homes are subject to the following conditions: (1) no nursing facility that is being paid on a fee--for--service basis shall receive a per diem reimbursement rate adjustment and each shall receive the same per diem reimbursement rate received on June 30, 2014; (2) nursing facilities that are being paid by a Managed Care Organization (MCO) for custodial care through a provider contract that includes a negotiated rate shall receive that negotiated rate; (3) any Class I (private) or Class III (special care) nursing facility that is being paid by an MCO for custodial care through a provider contract but has not yet negotiated a rate shall receive the same per diem reimbursement rate as it received on June 30, 2014, and any Class II (county) nursing facility that is being paid by an MCO but has not yet negotiated a rate shall receive the per diem reimbursement rate it would have received on June 30, 2014, had it been a Class I nursing facility; and (4) monies designated pursuant to subsection c. of section 6 of P.L.2003, c.105 (C.26:2H--97) for distribution to nursing facilities, less the portion of those funds to be paid as pass--through payments in accordance with paragraph 1 of subsection d. of section 6 of P.L.2003, c.105 (C.26:2H--97), shall be combined with amounts hereinabove appropriated for Payments for Medical Assistance Recipients --Nursing Homes for the purpose of calculating Medicaid reimbursements for nursing facilities. For the purposes of this paragraph, a nursing facility's per diem reimbursement rate or negotiated rate shall not include, if the nursing facility is eligible for reimbursement, the difference between the full calculated provider tax add--on and the quality--of--care portion of the provider tax add--on, which difference shall be payable as an allowable cost pursuant to C.26:2H--97(d). Provided, further, that on or before September 15, 2014, the Department shall calculate and disseminate to the MCOs the amount of the add--on payable during the year starting October 1, 2014 as an allowable cost, as well as the list of nursing facilities that will receive this add--on, and the MCOs shall adjust the rates paid to nursing facilities accordingly; the add--ons calculated for FY 2014 shall be applied from July 1, 2014, through September 30, 2014 and the first add--on shall be applied to fee--for--service per diem reimbursement rates effective October 1, 2014.

This reimbursement is not expected to increase New Jersey Medicaid program expenditures for nursing facilities (State and federal) in comparison to the amount expended in SFY 2014 for this initiative.
