I. Purpose and Intent

This Request for Proposals (RFP) is issued by the New Jersey Division of Mental Health and Addiction Services (DMHAS) for continued provision of designated screening Services (Psychiatric Emergency Services) in Atlantic, Bergen, Hunterdon and Union Counties. Pursuant to N.J.S.A 30:4-27.4, the DMHAS designates a psychiatric screening service in each geographic area. These designated screening services are designed to provide psychiatric crisis stabilization services and psychiatric screening 24 hours per day, 365 days per year.

The DMHAS anticipates making four (4) awards through this RFP, resulting in one (1) designated screening service for each of the four (4) counties referenced above. Annualized funding, subject to state appropriations, is available for these awards as follows:

- Atlantic - \$ 2,019,126
- Bergen - \$2,598,859
- Hunterdon - \$603,920
- Union - \$2,186,790

May 31, 2015	Anticipated award start date

II. Background and Population to be Served

DMHAS, in partnership with consumers, family members, providers and other stakeholders, promotes wellness and recovery for individuals managing a mental illness, a substance use disorder or co-occurring disorders through a continuum of prevention, early intervention, treatment and recovery services delivered by a culturally competent and well-trained workforce.

The DMHAS believes that persons with a mental illness can achieve wellness and recovery. Consistent with the DMHAS' commitment to the principles of wellness and recovery, the designated screening services awarded through this solicitation are to be implemented in a manner that reflects recovery as an overarching value and in operational practices. The United States Department of Health and Human Services' Substance Abuse and Mental Health Services Administration (SAMHSA) has identified ten (10) fundamental components of recovery as part of the national consensus statement on mental health recovery. These components are: 1) Self-direction; 2)

Individualized and Person Centered; 3) Empowerment; 4) Holistic; 5) Non-Linear; 6) Strengths-based; 7) Peer Support; 8) Respect; 9) Responsibility; and 10) Hope.

Pursuant to the 2010 amendments of the screening service regulations, beginning in 2011, and in each year thereafter, DMHAS is designating a screening service for each of the State's geographic areas for a period of up to seven years in accordance with the screening and screening outreach standards (N.J.A.C. 10:31 et. seq). Such designation will be made at the conclusion of the process concerning the awarding of public contracts through public solicitation of bids or, in accordance with emergency designation procedures delineated in N.J.A.C. 10:31-10.2. Per this requirement, the existing designated screening services for Atlantic, Bergen, Hunterdon and Union Counties are being re-bid through this RFP.

The psychiatric emergency service programs awarded through this RFP will offer services to individuals who are experiencing a psychiatric crisis. Prompt assessment, crisis intervention and referral services will be offered 24 hours per day, 365 days per year. The program will also operate a 24-hour hotline, with calls being answered by trained clinical staff at all times.

The screening service will serve individuals who can benefit from recovery and rehabilitative oriented clinical services and supports. Many of these individuals have serious and persistent mental illness. It is expected that many of these individuals will have co-occurring substance use disorders, past experiences of sexual or physical abuse, emotional maltreatment and histories of frequent use of the acute care system including inpatient psychiatric units.

DMHAS believes that intervention that is accessed earlier in the crisis cycle results in better mental health outcomes, decreases the potential for trauma, lowers health care costs for consumers, families and service providers and reduces undue reliance on hospital emergency departments. Consequently, the DMHAS expects to award and develop programs that can offer a strong community-based, mobile outreach service that readily delivers crisis intervention services in a variety of community settings.

DMHAS also promotes the delivery of mental health care that is offered in the least restrictive, clinically appropriate setting. As such, to the maximum extent possible, services are to be consumer- and family-driven and will offer individuals with clinically appropriate alternatives to inpatient care. Similarly, adherence to consumers' advanced directives (e.g. psychiatric advanced directives) is a critical facet of service delivery.

The screening services will work closely with the DMHAS in coordinating acute mental health care services in Atlantic, Bergen, Hunterdon and Union Counties. To this end, the screening services will convene monthly acute care system review committee meetings in their geographic area, in accordance with N.J.A.C.10:31-5.1 through 5.3 and provide training and technical assistance to the police and other community providers of acute care services.

In the event that the screening service finds that an individual's symptoms indicate the need for involuntary mental health care, the DMHAS designated screening service program is authorized to initiate involuntary commitment proceedings. Since involuntary commitment entails certain deprivations of liberty, it is imperative that the screening service uses well defined program processes that ensure that only those persons who are dangerous to themselves, others or to property due to a mental illness and are unwilling to receive the recommended treatment voluntarily, are involuntarily committed. Therefore, the designated screening service is to act in accordance with the screening statute (N.J.S.A. 30:4-27.1 et seq.) and the screening regulations (N.J.A.C. 10:31 et seq.).

Existing psychiatric emergency screening services for Atlantic, Bergen, Hunterdon and Union Counties are currently provided by Atlantic Regional Medical Center, Care Plus New Jersey, Hunterdon Medical Center and Trinitas Regional Medical Center respectively and as such, there are staff under their employ who may be displaced by the successful bidder as a result of this RFP. Bidders are expected to consider prospectively displaced employees for hire in their psychiatric emergency services proposal. Consequently, bidders must include a statement in their proposal that indicates the bidder's willingness to consider for employment those employees who will be displaced as a result of this RFP.

Awardees must adhere to all applicable State and Federal cost principles. Budgets should be reasonable and reflect the scope of responsibilities in order to accomplish the goals of this project.

If the contract(s) resulting from this RFP includes drug treatment services, then the contract awardee must have in place established, facility-wide policies that prohibit discrimination against consumers of prevention, treatment and recovery support services assisted in their prevention, treatment and/or recovery with legitimately prescribed medication(s). These policies must be in writing in a visible, legible and clear posting at a common location accessible to all who enter the facility.

Moreover, no consumer admitted into a treatment facility, or a recipient of or participant in any prevention, treatment or recovery support services, shall be denied full access to, participation in and enjoyment of that program, service or activity, available or offered to others, due to the use of legitimately prescribed medications.

V. General Contracting Information

All bidders will be notified in writing of the State's intent to award a contract. All proposals are considered public information and as such will be made available for a defined period after announcement of the contract awardees and prior to final award, as well as through the State Open Public Records Act process at the conclusion of the RFP process.

The contract awarded as a result of this RFP may be annually renewable at DMHAS' sole discretion. Funds may only be used to support services that are specific to this award; hence, this funding may not be used to supplant or duplicate existing funding streams. Actual funding levels will depend on the availability of funds and satisfactory performance.

In accordance with DHS Policy P1.12 available on the web at www.state.nj.us/humanservices/ocpm/home/resources/manuals/index.html, programs awarded pursuant to this RFP will be separately clustered until the DMHAS determines,

in its sole discretion, that the program is stable in terms of service provision, expenditures, and applicable revenue generation.

Should service provision be delayed through no fault of the provider, funding continuation will be considered on a case-by-case basis based upon the circumstances creating the delay. In no case shall the DMHAS continue funding when service commencement commitments are not met, and in no case shall funding be provided for a period of non-service provision in excess of three (3) months. In the event that the timeframe will be longer than three (3) months, DMHAS must be notified so the circumstances resulting in the anticipated delay may be reviewed and addressed. Should services not be rendered, funds provided pursuant to this agreement shall be returned to the Division.

The bidder must comply with all rules and regulations for any DMHAS program element of service proposed by the bidder. Screening service programs are regulated at N.J.A.C. 10:31 et seq. Additionally, please take note of the Community Mental Health Services Regulations, N.J.A.C. 10:37, which apply to all contracted mental health services. These regulations can be accessed at <http://www.state.nj.us/humanservices/providers/rulefees/regs/>.

All construction/renovation awards will be subject to a Capital Agreement at the discretion of the Division.

The awarded programs will be contracted to be fully operational no later than August 31, 2015. One-time funds will be available to support necessary equipment, supplies, and other related start-up costs, if applicable. Successful awardees may be required, at DMHAS' discretion, to accept used but serviceable equipment in lieu of funds for new equipment.

Since administrative costs for existing DMHAS programs reallocated to a new program do not require new DMHAS resources, a bidder that currently contracts with DMHAS should limit its G&A expense projection to "new" G&A only by showing the full amount of G&A as an expense and the offset savings from other programs' G&A in the revenue section.
8. Written assurance that if the bidder receives an award pursuant to this RFP, it will pursue all available sources of revenue and support upon award and in future contracts, including agreement to obtain approval as a Medicaid-eligible provider.

NOTE: A hard copy of the budget must be submitted with the original proposal and all hard copies referenced below.

1. Most recent single audit report (A133) or certified statements (submit only hard two copies); and
2. Any other audits performed in the last two (2) years (submit only two [2] hard copies).

VIII. Submission of Proposals

DMHAS assumes no responsibility and bears no liability for costs incurred by the bidder in the preparation and submittal of a proposal in response to this RFP. The narrative portion should be single-spaced with one (1") inch margins, no smaller than twelve (12) point Arial, Courier New or Times New Roman font, and not exceed 20 pages in length. DMHAS will not consider any information submitted beyond the page limit for scoring purposes. Budget detail and appendix items do not count towards the narrative page limit. Proposals must be submitted no later than 5:00 p.m. Eastern Standard Time on **March 11, 2015**. Five (5) copies and one (1) original of the proposal narrative, budget and appendices (six [6] total proposal packages) must be submitted to the following address:

For U.S. Postal Service delivery:

OR

For private delivery vendor such as UPS or FedEx:

Alicia Meyer
Division of Mental Health and Addiction Services
222 South Warren Street, 3rd Floor
Trenton, NJ 08608

The bidder may mail or hand deliver its proposal, however, DMHAS is not responsible for items mailed but not received by the due date. Note that U.S. Postal Service two-day priority mail delivery to the post office box listed above may result in the bidder's proposal not arriving timely and, therefore, being deemed ineligible for contract award. The bidder will not be notified that its proposal has been received. The State will not accept facsimile transmission of proposals.

In addition to the required hard copies, the bidder must also submit its proposal in a PDF formatted file via email to RFP.submissions@dhs.state.nj.us. The email "subject" should include the bidder's name and the proposal name.

The bidder must also submit the completed budget template file as an excel attachment to RFP.submissions@dhs.state.nj.us.

Proposal(s) must also be submitted to the County Mental Health Administrator(s) for the county(ies) in which the bidder is proposing services by the submission deadline referenced above. Please refer to Attachment F regarding the submission preference for each of the County Mental Health Administrators, as some require hard copies while others prefer an electronic version or both methods. For those counties requiring postal mail submission, submit four (4) hard copies.

IX. Review of Proposals

Proposals received after the due date and time will not be evaluated. There will be a review process for all timely submitted proposals. DMHAS will convene a review committee of public employees to conduct a review of each proposal accepted for review.

The bidder must obtain a minimum score of 700 points out of 1000 points in order to be considered eligible for funding, as well as meet the threshold score for budget and scope of work sections. Criteria scores and thresholds will become available when proposals become available for public inspection.

Award decisions will be based on such factors as the proposal scope, quality and appropriateness, as well as budget reasonableness. The review committee will look for evidence of cultural competence in each section of the narrative. The review committee may choose to visit a bidder's existing program(s) and/or review any programmatic or fiscal documents in the possession of DMHAS. The bidder is advised that contract award may be conditional upon contract negotiation. The requested changes, along with their requested implementation dates, will be communicated to the prospective awardees prior to final award.

DMHAS reserves the right to reject any and all proposals when circumstances indicate that it is in its best interest to do so. DMHAS' best interests in this context include, but are not limited to, loss of funding, inability of the bidder(s) to provide adequate services, an indication of misrepresentation of information and/or non-compliance with State and

federal laws and regulations, existing DHS contracts, and procedures set forth in DHS Policy Circular P1.04 (<http://www.state.nj.us/humanservices/ocpm/home/resources/manuals/index.html>).

DMHAS recognizes the invaluable perspective and knowledge that consumers, family members and County Mental Health Boards possess. Input from these groups is an integral component of a system that holds wellness and recovery principles at its core. Consequently, DMHAS will convene an advisory group consisting of consumers and family members to provide input to the review committee regarding the proposals submitted.

County Mental Health Boards recommendations and comments will be received by DMHAS no later than April 8, 2015. This input will be incorporated in the final deliberations of the review committee.

DMHAS will notify all bidders of awards, contingent upon the satisfactory final negotiation of a contract, by April 16, 2015

X. Appeal of Award Decisions

An appeal of any award decision may be made only by a respondent to this RFP. All appeals must be made in writing and received by DMHAS at the address below no later than 5:00 p.m. Eastern Standard Time on April 23, 2015. The written request must clearly set forth the basis for the appeal.

Division of Mental Health & Addiction Services
222 South Warren Street, 3rd Floor
PO Box 700
Trenton, NJ 08625-0700

DMHAS will review all appeals and render a final decision by April 30, 2015. Contract award(s) will not be considered final until all timely appeals have been reviewed and final decisions rendered.

Attachment B – Addendum to RFP for Social Service and Training Contracts

STATE OF NEW JERSEY DEPARTMENT OF HUMAN SERVICES

ADDENDUM TO REQUEST FOR PROPOSAL FOR SOCIAL SERVICE AND TRAINING CONTRACTS

Executive Order No. 189 establishes the expected standard of responsibility for all parties that enter into a contract with the State of New Jersey. All such parties must meet a standard of responsibility that assures the State and its citizens that such parties will compete and perform honestly in their dealings with the State and avoid conflicts of interest.

As used in this document, "provider agency" or "provider" means any person, firm, corporation, or other entity or representative or employee thereof that offers or proposes to provide goods or services to or performs any contract for the Department of Human Services.

In compliance with Paragraph 3 of Executive Order No. 189, no provider agency shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, or other thing of value of any kind to any State officer or employee or special State officer or employee, as defined by N.J.S.A. 52:13D-13b and e, in the Department of the Treasury or any other agency with which such provider agency transacts or offers or proposes to transact business, or to any member of the immediate family, as defined by N.J.S.A. 52:13D-13i, of any such officer or employee, or any partnership, firm, or corporation with which they are employed or associated, or in which such officer or employee has an interest within the meaning of N.J.S.A. 52:13D-13g.

The solicitation of any fee, commission, compensation, gift, gratuity or other thing of value by any State officer or employee or special State officer or employee from any provider agency shall be reported in writing forthwith by the provider agency to the Attorney General and the Executive Commission on Ethical Standards.

No provider agency may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment, contract or other agreement, express or implied, or sell any interest in such provider agency to, any State officer or employee or special State officer or employee having any duties or responsibilities in connection with the purchase, acquisition or sale of any property or services by or to any State agency or any instrumentality thereof, or with any person, firm or entity with which he is employed or associated or in which he has an interest within the meaning of N.J.S.A. 52:13D-13g. Any relationships subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.

No provider agency shall influence, or attempt to influence or cause to be influenced, any State officer or employee or special State officer or employee in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.

No provider agency shall cause or influence, or attempt to cause or influence, any State officer or employee or special State officer or employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for the provider agency or any other person.

The provisions cited above shall not be construed to prohibit a State officer or employee or special State officer or employee from receiving gifts from or contracting with provider agencies under the same terms and conditions as are offered or made available to members of the general public subject to any guidelines the Executive Commission on Ethical Standards may promulgate.
