

### **RFP Responses as of 8/20/14**

- 1) Can the startup funds be used by a provider as bridge dollars to help maintain Health Home capacity until the SPA is approved and the service becomes part of the Medicaid State Plan?

No

- 2) Can the provider request funds to support more than one project through this RFP?

Yes. The successful bidder can receive a maximum of \$50,000. As stated in the RFP, please include budget requested in an Excel format.

Include detailed line item budget for requested start-up. Use notes to provide justification for each item listed

- 3) The RFP indicates that eligible applicants must be provisionally certified or have applied for certification as a Behavioral Health Home by NJ DMHAS .

As stated in the RFP: Applicants must be certified or provisionally certified as a BHH by DMHAS, or have applied for certification.

In the event that funds from this contract are necessary to achieve BHH provisional certification, the applicant must attest to use the funds to bring its organization into compliance for certification.
