N.J.A.C. 10:44C-1.1 (2017)

§ 10:44C-1.1 Purpose and scope

(a) The purpose of this chapter is to establish specific requirements for the provision of residential services to persons with head injuries who reside in group homes, supervised apartments or supported living programs.

(b) Group homes, supervised apartments, and supported living programs designed specifically to meet the needs of individuals with developmental disabilities are licensed under N.J.A.C. 10:44A.

(c) Community care residences, living arrangements in which a Family Care or Skill Development program is provided in a private home or apartment, are licensed under N.J.A.C. 10:44B.

(d) If none of the persons with head injuries at a particular place of residence requires personal guidance, as determined by the transdisciplinary team, licensing shall be available on a strictly voluntary basis, in recognition of a person's right to choose independent living.

HISTORY:

Amended by R.2017 d.023, effective February 6, 2017.

See: 48 N.J.R. 1759(a), 49 N.J.R. 259(a).

In (b), substituted "individuals with developmental disabilities" for "developmentally disabled individuals"; and in (d), substituted "injuries" for "injury".

N.J.A.C. 10:44C-1.3 (2017)

§ 10:44C-1.3 Definitions

The following words and terms, when used in this chapter, shall have the following meanings, unless the context clearly indicates otherwise.

"Abuse" means wrongfully inflicting, or allowing to be inflicted, physical abuse, sexual abuse, or verbal or psychological abuse or mistreatment by a caregiver upon a person served. Examples of abuse include, but are not limited to: physical acts causing pain, injury, anguish, or suffering, such as kicking, pinching, biting, punching, slapping, hitting, pushing, dragging, or striking with a thrown or held object. Abuse may also include acts or attempted acts of lewdness, sexual contact, or sexual penetration; as well as verbal or psychological abuse or mistreatment inflicting emotional harm or mental distress; or invocation of fear, humiliation, intimidation, or degradation. Examples include, but are not limited to: bullying; ignoring need; verbal assault; use of racial or ethnic slurs; or intimidating gestures, such as shaking a fist at a person served (See N.J.S.A. 30:6D-73 et seq. and N.J.A.C. 10:44D).

"Adaptive behavior" means behavior that in a cultural or functional context indicates the ability of a person served to adjust to environmental demands in a fashion that benefits the person served while respecting the rights of those with whom he or she comes in contact.

"Advanced practice nurse," also known as a nurse practitioner (see N.J.S.A. 45:11-46c), is defined in N.J.S.A. 45:11-23 and may, in addition to those tasks lawfully performed by a registered professional nurse, manage specific common deviations from wellness and stabilized long term care illnesses by initiating laboratory and other diagnostic tests and prescribing certain medications and devices (see N.J.S.A. 45:11-49).

"Advocacy" means one or more of the following services:

1. Personal advocacy: one-to-one advocacy to secure the rights of people with head injuries and their families;
2. Systems advocacy: seeking to change a policy or practice that affects people with head injuries;
3. Legislative advocacy as permitted by law: seeking legislative enactments that would enhance the rights and/or opportunities for people with disabilities or persons with head injuries;
4. Legal advocacy: using the judicial and quasi-judicial systems to protect the rights of persons with head injuries;
5. Self-advocacy: advocacy of a person served on his or her own behalf.

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

"Affiliation" means a relationship, usually signified by a written agreement, between two organizations, under the terms of which one organization agrees to provide specified services and personnel to meet the needs of the other organization, usually on a scheduled basis.

"Agency" means the licensee and his or her staff responsible for the care and safety of the persons served in each community residence for persons with head injuries licensed under this chapter.

"Approved" means approved by the Office of Licensing.

"Assessment" means the process of identifying the strengths and needs of a person served, and the conditions that impede or promote development. There are two levels of assessment: screening and evaluation.

"Assistive device" means any implement or mechanism that enables a person with head injuries to increase, maintain, and/or improve his or her functioning capabilities.

"Assistive technology" means the use of commercial or custom-designed devices, modifications, and/or related technical services to increase, maintain, and/or improve the functional capabilities of persons with head injuries who have resulting disabilities.

"Audiology" means services provided by an audiologist who meets applicable legal requirements for the provision of audiology services and who meets the academic and work experience standards established by the American Speech-Language and Hearing Association for the Certificate of Clinical Competence in Audiology.

"Authorization to operate" means official correspondence issued by the Office of Licensing to permit a licensee to operate beyond the license expiration date, because of a delay in completing a licensing inspection.

"Behavior Support Plan" means a written, approved plan that employs techniques to decrease maladaptive behavior and increase adaptive behavior.

"Business manager" means the staff member charged with the responsibility of providing oversight of business practices, including budgets, purchasing, accounting and personnel practices.

"Capacity" means the maximum number of persons with head injuries who may reside in the licensed residence.

"Case manager" means the person responsible for the development, coordination, and overall management of the individual treatment plan for each person served, and who is employed by the licensee. There may also be an external case manager, such as one acting on behalf of an insurance company, managed care organization, or other payor source.

"Commensurate wage" means a wage that is proportionate to the prevailing wage paid to similarly experienced workers in the geographic vicinity of the person's place of employment for essentially the same type of work based on a comparison of the quantity of work produced by the worker with a head injury and a resulting disability with those of work produced by similarly experienced workers. This wage is to be determined by time studies as approved by the New Jersey Department of Labor.

"Community residence for persons with head injuries" means a community residential facility licensed pursuant to N.J.S.A. 30:11B-1 et seq. providing food, shelter and personal guidance, under such supervision as required, to not more than 15 persons with head injuries, who require assistance, temporarily or permanently, in order to live in the community, and shall include, but not be limited to: group homes, halfway houses, supervised apartment living arrangements, and hostels. Such a residence shall not be considered a health care facility within the meaning of the "Health Care Facilities Planning Act," P.L. 1971, c.136 (N.J.S.A. 26:2H-1 et seq.)

"Commissioner" means the Commissioner, Department of Human Services.

"Conditional license" is a negative licensing action issued to prompt corrective actions in existing community residences. A conditional license shall be effective for less than one year.

"Critical information" means information that must be communicated from shift to shift in order to ensure the health, safety, and welfare of the persons served, and includes, but is not limited to: unexpected behavioral outbursts, unexpected or unexplained mood swings on the part of persons served, the administration of PRN medication, problems
This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

with transportation, unexpected visits to the doctor or hospital, routine visits to the doctor requiring follow up for a reportable communicable disease, and missed medical appointments.

"Deficiency" means that an applicant or licensee has not complied with a rule contained in this chapter.

"Department" means the Department of Human Services.

"Dignity of risk" means:

1. Providing a person served with new and untried experiences;
2. Assisting the person served when he/she chooses among possible courses of action in trying new experiences;
3. Assisting the person served in determining the risks and consequences;
4. Assessing the risks and consequences on behalf of the person served;
5. Assuring that the person served and the legal guardian (if any) understand such risks and consequences; and
6. Defining, documenting and providing the means of support necessary to establish the allowable limits of the risk, assuring thereby that the person served is as safe as possible at all times.

"Direct service staff" means any licensee and any full time, part time, temporary employment services, or contract employee at a community residence for persons served present in the living or program area who work directly with the person served. "Direct service staff" does not include housekeepers, food service workers, maintenance workers, clerical staff, or volunteers.

"Division" means the Division of Developmental Disabilities.

"Evaluation" means an assessment process performed by qualified professionals according to procedures that incorporate the use, when possible, of standardized tests and measures.

"Executive leadership" means the person or persons to whom the licensee may delegate administrative authority over the licensee's community based programs regulated or under contract with the Department. A person who functions as executive leadership may also be referred to as an executive director.

"Exploitation" means the act or process of a caregiver using a person served or his or her resources for another person's profit or advantage. (See N.J.S.A. 30:6D-73 et seq. and N.J.A.C. 10:44D)

"Falsification" means intentionally making a record or a document false, giving a false appearance to a record or a document, tampering with a record or a document.

"Fiduciary capacity" means that the licensee acts with a high degree of good faith when handling money entrusted to the licensee by persons served.

"Fire official" means a person certified by the Commissioner of the Department of Community Affairs, and appointed or designated by the appointing authority of a local enforcing agency to direct the enforcement of the Uniform Fire Safety Act, and any certified fire inspector working under the direction of the fire official.

"Full license" means the authorization to operate based upon substantial compliance with this chapter. A full license shall be effective for up to two years.

"Functional literacy" means the ability to read, comprehend, and assimilate the oral and written language and numerical information required to function in a specific work or community environment, with or without accommodation strategies. Accommodation strategies may include, but are not limited to, picture instructions or calculators, computers and/or audiovisual tapes.

"Group homes" means living arrangements operated in residences leased or owned by the licensee, which provide the opportunity for persons served to live together in a home, sharing in chores and the overall management of the residence. Staff in a group home provide supervision, training, and/or assistance in a variety of forms and intensity as required to assist the persons served as they move toward independence.

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

"Guardian" means a person or agency appointed by a court of competent jurisdiction who is otherwise legally authorized and responsible to act on behalf of a minor or incompetent adult to assure provision for the health, safety, and welfare of the person and to protect his or her rights.

"Head injury" means, for the purposes of this chapter, traumatic brain injury.

"Human Rights Committee" means a group comprised of professionals, individuals served, advocates, and/or interested persons from the community at large who function as an advisory group to the CEO or executive director on issues directly or indirectly affecting the rights of individuals served.

"Imminent danger" means a situation that could be expected to cause a serious risk to the health, safety or welfare of a person served.

"Individual treatment plan" (ITP) means a written plan of intervention and action developed by the transdisciplinary team. It describes the methodologies, strategies and programs that will be employed and monitored to provide habilitation or rehabilitation to enable persons served to acquire or restore functional skills to the highest possible level of performance, within a reasonable time period. The ITP shall also document barriers to implementation and goal achievement. The ITP shall be reviewed and modified on a regular and as-needed basis, but no less than annually. For a person who makes only specific services requests, the ITP is a service plan that addresses only those specific requests. The ITP may be appealed in accordance with licensee procedure.

"Informed consent" means a formal expression, oral or written, of agreement with a proposed course of action by someone who has the capacity, the information and the ability to render voluntary agreement.

"Initial license" means the first authorization to operate based upon substantial compliance with this chapter. An initial license shall be effective for up to six months.

"Integration" means participation in the mainstream of community life, that persons served maintain social relationships with family members, peers, and others in the community who do not have head injuries. In addition, integration means that persons served have equal access to and full participation in community resources and activities available to the general public.

"Interferon Gamma Release Assay" (IGRA) means a blood test to identify or rule out infection with *M. tuberculosis*. Only FDA-approved IGRAs, such as QuantiFERON-TB Gold or T-Spot.TB are acceptable.

"License" means the authorization issued by the Department of Human Services to operate a community residence providing services to persons with head injuries.

"Licensee" means the person, partnership, or corporation responsible for providing services associated with the operation of a community residence(s).

"Licensing agency" means Developmental Disabilities Licensing, within the Office of Licensing, Department of Human Services.

"Maladaptive behavior" means behavior that is injurious or destructive to self, others, or the environment, that demonstrates a reduction in or lack of ability that is necessary to adjust to environmental demands.

"Mental health program" means a service designed to develop, support, and maximize the quality of life and functional abilities of persons served with severe and/or persistent and diagnosed psychiatric disabilities, as a result of, or in addition to the head injury.

"Mini-team review" means a modified version of a complete transdisciplinary team, the composition of which shall always include the person served, and/or his or her guardian, and/or personal representative; the case manager; and the individual in the discipline(s) knowledgeable in the issues for review.

"Negative licensing action" means an action, which imposes a restriction on a licensee and may include suspension of admissions, issuance of a conditional license, a reduction in the licensed capacity, a denial of the license, a non-renewal of the license, a suspension of the license, or a revocation of the license.

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

"Neglect" means any of the following acts by a caregiver on a person served: willfully failing to provide proper and sufficient food, clothing, maintenance, medical care, or a clean and proper home; or failure to do, or permit to be done, any act necessary for the well-being of a person served. (See N.J.S.A. 30:6D-73 et seq. and N.J.A.C. 10:44D)

"Non-ambulatory person" means a person served not capable of independent ambulation.

"Occupant" means any person lawfully occupying or sharing occupancy of a unit of dwelling space on a regular basis or for more than 30 consecutive days.

"Office of Investigations (OI)" means that component of the Department responsible to investigate serious unusual incidents in community programs licensed, contracted, or regulated by the Department.

"Office of Licensing" means the licensing agency, that component of the Department responsible to inspect and license programs under this chapter.

"Owner" means the person, corporation or association who must comply with N.J.S.A. 30:11B-1 et seq. and this chapter. The owner may be responsible for day-to-day operations or may employ an executive leadership, if so desired or if required by the qualifications associated with the executive leadership title.

"Payment authority" means a person, a private corporation (usually an insurance company) or public agency (local, State or Federal government) that provides funding of the residential placement and related services for care of the person served.

"Person served" means a person with head injury receiving services in a community residence for persons with head injuries.

"Person with head injury" means a person with traumatic brain injury.

"Personal advocate" means a person selected by a person served to provide assistance or act on his or her behalf in non-legal matters.

"Personal care" means services and supports including, but not limited to:

1. Bathing, hair care, skin care, shaving, nail care, and oral hygiene;
2. Alimentary procedures to assist one with eating and bowel and bladder management;
3. Positioning;
4. Care of adaptive personal care devices; and
5. Feminine hygiene.

"Personal guidance" means the assistance provided to a person with head injury in activities of daily living and/or personal care because he or she routinely requires help completing such activities of daily living and/or cannot direct someone to complete such activities when physical handicaps prevent self completion; or there is a documented health or mental health problem requiring supervision of the person for the protection of the person or others.

"Placing agency" means the person or payment authority that is responsible for selecting and/or funding a program.

"Plan of correction" means a written response outlining actions taken or to be taken to address deficiencies cited in a licensing inspection report.

"Power of attorney (POA)" means a written document that grants a person (other than the individual granting the permission), the authority to act as an agent for the grantor, within the parameters of duties and powers specified in the document.

"Process" means activities that are systematically and intentionally linked in order to produce a service.

"Program description" means a document submitted to obtain a license and/or funding from the Department. A program description includes a detailed description of services provided to persons with head injuries and staff cover-

age, and is reviewed as part of the licensing inspection process. The program description shall be amended to reflect major changes in the provision of services.

"Protecting rights" means ensuring that the rights of a person served are not ignored or infringed upon. This affirmation and protection is reflected in all aspects of the service process, from service initiation to discharge and follow up.

"Rehabilitation/habilitation" means the process of providing those comprehensive services deemed appropriate to the needs of a person with a head injury in a coordinated manner in a program designed to achieve objectives of improved health, welfare, and the realization of the person's maximum physical, cognitive, social, psychological and vocational potential.

1. Rehabilitation services are necessary when the person with a head injury is in need of assistance in order to re-acquire skills and it is beyond the person's personal capacities and resources to achieve his or her maximum potential for personal, cognitive, social, and economic adjustment and beyond the services available in the person's usual daily experience.

2. Habilitation is closely related to and is conceptually and programmatically a part of rehabilitation. The range of functional goals is the same as the range of services that shall be provided for the person to attain the goals. The chief difference is the condition or nature of the person served. Habilitation refers to the process that involves persons served who need to acquire particular skills and/or functional abilities they did not possess previously, such as independent living skills or vocational skills, while rehabilitation refers to the process that involves persons served who need to re-acquire or maximize lost skills and/or functional abilities.

"Rehabilitative treatment environment" means a rehabilitation setting that provides for:

1. The provision of a range of choices, with personal preference, self-determination and dignity of risk receiving full respect and consideration;
2. A variety of social interactions that promote community integration;
3. An environment of peer support and mentorship;
4. Professional team involvement and competence; and
5. A physical environment conducive to enhancing the functional abilities of the persons served.

"Relocate" means providing accommodations which enable a person to evacuate the premises within three minutes, if prior accommodations could not be evacuated by the person within three minutes.

"Residence" means a community residence for persons with head injuries.

"Self-advocacy group" means a group of persons with head injuries who meet on a regular basis (such as at house meetings) to discuss common goals, issues, needs, and wishes. With the assistance of a facilitator, if needed, a self-advocacy group can serve as a united voice for persons with head injuries.

"Substantial non-compliance" means:

1. The violation by an owner, applicant, licensee, or executive leadership of the laws of the State of New Jersey pertaining to or governing community residences for persons with head injuries;
2. One or more licensing requirements have been left unmet and the unmet licensing requirements directly endanger the health, safety, or well-being of a person served;
3. The owner, applicant, licensee or executive leadership refuses to cooperate with Department personnel in gaining admission to a residence or in conducting an investigation or inspection;
4. The owner, applicant, licensee or executive leadership has failed to adhere to the approved program description;
5. The owner, applicant, licensee or executive leadership has falsified any information in order to obtain a license;

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

6. The owner, applicant, licensee or executive leadership has refused to furnish the Department with files, reports, or records as required by this chapter; or

7. The owner, applicant, licensee or executive leadership has failed to act in a fiduciary capacity in order to protect the funds of persons served.

"Supervised apartments" means apartments that are occupied by persons served and leased or owned by the licensee. Staff provide supervision, guidance, and training as needed in activities of daily living as defined by the needs and targeted future goals of the person served, in accordance with the requirements of this chapter.

"Support" means activities, materials, equipment or other services designed and implemented to assist the person served. Examples include, but are not limited to, instruction, training, assistive technology, and/or removal of architectural barriers. Support also includes positive interactions between the person served and person(s) significant to the person served.

"Transdisciplinary Team" (TDT) means a group that shall be comprised of the person served and all personnel directly involved in the process of defining the person's capabilities and needs, in refining and meeting all of the person's goals and objectives and in the provision of care or supervision. The team shall also include, as needed, other significant persons such as employers and those disciplines and persons involved in the provision of care or supervision. Team membership shall represent a variety of disciplines, to the extent possible. The team members shall share their knowledge and expertise in order to facilitate the assessment, planning and implementation of the person's program. There shall be interaction and integration among the team members to ensure that the achievement of the individual's goals is facilitated. Family members, peers and advocates shall participate at the discretion of the person served or his or her legal guardian.

"Traumatic brain injury" means an acquired injury to the brain. Such term does not include brain dysfunction caused by congenital or degenerative disorders, nor birth trauma, but may include brain injuries caused by anoxia due to trauma.

"Uniform Construction Code" means N.J.S.A. 52:27D-119 et seq. and N.J.A.C. 5:23.

"Uniform Fire Safety Act" means N.J.S.A. 52:27D-192 et seq., and the related codes adopted pursuant thereto.

"Unusual incident" means an event involving a person served or employee involving indications or allegations of criminal actions, injury, negligence, exploitation, abuse, clinical mismanagement or medical malpractice, a major unforeseen event, for example, serious fire, explosion, power failure that presents a significant danger to the safety or well being of persons served, and/or employees; or a newsworthy incident.

"Variance" means written recognition by the Department that the licensee has complied with the intent of a standard in a Department-approved alternative manner, in accordance with N.J.A.C. 10:44C-1.10.

"Volunteer" means an unpaid person who supports and supplements programs and services. A volunteer may be an individual, or a member of an organized group.

"Waiver" means the temporary suspension of a standard that is granted in writing by the Office of Licensing.

"Willful non-compliance" means that action or non-action of an applicant or licensee who has knowledge of the violations of licensing rules and/or terms of the license, has been advised of the consequences of not achieving compliance and has not achieved compliance after being given an adequate opportunity to do so.

§ 10:44C-1.4 Application for a license

(a) Information may be obtained from the Department as follows:

1. An application for a license may be obtained from:

Department of Human Services
Office of Licensing
PO Box 707
Trenton, NJ 08625-0707

(b) Except as otherwise provided in the Rehabilitated Convicted Offenders Act, N.J.S.A. 2A:168A-1 et seq., no license shall be issued to any applicant or licensee who has been convicted of forgery, embezzlement, obtaining money under false pretenses, extortion, criminal conspiracy to defraud, crimes against the person, crimes involving a controlled dangerous substance or other like offenses.

1. No license shall be issued to any applicant or licensee who has been convicted of a crime of moral turpitude.

2. No license shall be issued to any applicant or licensee who has been adjudged civilly or criminally liable for abuse of a person served by the Department or placed in a community residence regulated by this chapter.

(c) An application for licensure as an operator of a community residence for persons with head injuries shall be submitted to the Office of Licensing.

1. The application shall be composed of the following:

i. Identification of all owners;

ii. A table of organization;

iii. A curriculum vitae for the applicant and executive leadership;

iv. Documentation that the applicant meets the requirements of (b) above;

v. A description of the applicant's experience in providing services to persons with head injuries;

vi. Documentation that the business is incorporated or otherwise authorized to do business in the State of New Jersey;

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

vii. A list of the members of the governing body (for example, board of directors/trustees), their occupations, addresses and telephone numbers;

viii. At least three references; and

ix. The program description.

2. Licensees currently operating community residences for persons with head injuries in New Jersey shall be required only to provide any changes in (c)1 above, as part of the application process.

3. Applicants shall document on the application whether they will accept Division placements and/or seek Division funding.

(d) The Office of Licensing shall initially review the materials to determine:

1. Whether all required elements have been submitted;

2. The applicant's qualifications;

3. The applicant's apparent ability to comply with this chapter;

4. The applicant's apparent ability to deliver services in accordance with its stated goals and purposes; and

5. Potential barriers to licensing.

(e) The Office of Licensing may employ the services of any qualified professional, as necessary, in the review process in order to conduct a thorough and valid review of the program, supports, and services to be rendered.

(f) Within 60 calendar days of the receipt of the completed application, the applicant shall be advised in writing of its approval or non-approval.

(g) Upon a determination that an application is denied, the Office of Licensing shall notify the applicant in writing of the reason through certified mail, return receipt requested.

1. The applicant may submit a new application after six months.

(h) The approved program description shall be available for review, as appropriate, by persons with head injuries, their guardians, their families, and their advocates.

(i) The licensee shall be responsible for the overall operation of each community residence for persons with head injuries, including the arrangement whereby executive leadership is delegated to a person who is employed to oversee the day-to-day operation.

(j) No license shall be issued to any person who has previously been denied a license by any State agency due to substantial noncompliance or due to violation of any State or Federal law pertaining to the operation of a community residential facility.

(k) No license shall be issued to, or held by any person who, in a final determination by a court of record or by the Division on Civil Rights, has been found to discriminate against any person on the basis of race, color, creed, gender, national origin, ancestry or disability.

(l) No person shall own or operate a community residence for persons with head injuries without authorization from the Office of Licensing.

(m) Each community residence for persons with head injuries shall be subject to inspection or investigation by the Department as deemed necessary without limitation or notice to allow for an inquiry into the facility's records, equipment, sanitary conditions, accommodations and management of the persons served.

N.J.A.C. 10:44C-1.6 (2017)

§ 10:44C-1.6 Issuance of an initial license

(a) Upon approval of the program description, and upon approval of the licensee's policy and procedure manual, the Office of Licensing shall conduct an on-site initial inspection of the residence.

(b) Prior to the issuance of an initial license, the following, at a minimum, shall be available:

1. Documentation which demonstrates compliance with all certificate of occupancy (CO) requirements, including any required inspection by the Fire Official and registration with the Department of Community Affairs;

2. An emergency evacuation plan;

3. A first aid kit that meets the requirements of N.J.A.C. 10:44C-5.1(g);

4. Functioning utilities, including an operable telephone;

5. If the building is not serviced by a public water supply, written approval from the local health department that the water supply is safe for human consumption;

6. Furniture and food for each person served;

7. A staff schedule that conforms to the program description approved by the Office of Licensing in accordance with N.J.A.C. 10:44C-1.4;

i. The full names of staff shall be written on the staff schedule.

8. A copy of the deed or lease; and

9. Documentation that all necessary residential and vehicle insurance is in force.

(c) The license shall document the location of each residence and shall specify the maximum number of persons with head injuries that may occupy the residence, excluding licensee's staff.

1. A room or rooms may be used as an office for exclusive use by staff.

i. Such rooms shall not be utilized for sleeping purposes for any person served, staff member, or any other person unless temporary approval is granted by the Office of Licensing due to an emergent problem.

ii. Any room identified as office space shall not be included in determining the capacity of the home.

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

2. A room may be utilized exclusively by staff for sleeping purposes as part of the staff coverage plan, if previously approved by the Office of Licensing.

(d) The Department shall issue an initial license, which is not transferable to any other person, corporation, agency, or address, effective from the date of the on-site inspection, upon compliance with (a) and (b) above.

1. The applicant or licensee shall submit a plan of correction regarding identified deficiencies cited in the inspection report within 30 days after notification to the applicant or licensee.

(e) If licensure is not approved, an applicant or licensee shall submit a plan of correction regarding identified deficiencies within 30 days after notification to the applicant or licensee.

1. Following receipt of the plan of correction, the Office of Licensing shall conduct an on-site review to verify the corrective action taken.

(f) The licensee shall not operate the program or allow persons to be placed in the residence prior to approval by the Office of Licensing.

(g) Each license issued to a licensee shall remain the property of the Department. If the Office of Licensing suspends or revokes a license, the licensee shall, upon notification, return the license to the Office of Licensing.

N.J.A.C. 10:44C-1.7 (2017)

§ 10:44C-1.7 Renewal of a license

(a) Upon reinspection, full licenses shall be effective for up to two years from the expiration date of the preceding license, unless otherwise specified by the Office of Licensing by the issuance of a conditional license, a non-renewal of license, suspension of license, or revocation of license.

1. The licensee shall submit a plan of correction regarding identified deficiencies cited in the reinspection report within 30 days or in accordance with a shorter time frame as established by the Office of Licensing.

2. A shorter time frame shall be established by the Office of Licensing in those instances where prompt remediation of a deficiency is required in order to protect the health, safety, welfare, and rights of persons served.

(b) Following receipt of the plan of correction, the Department may conduct an on-site review to verify the corrective action taken.

1. Following an on-site review, the findings of the Department regarding the licensee's plan of correction shall be provided to the licensee. These findings shall indicate that each deficiency is corrected; partially corrected, not corrected, or further review is required by the Office of Licensing.

i. Should there be continuing deficiencies, or if new deficiencies are noted that document substantial or willful noncompliance, the findings shall indicate that a second plan of correction is required or that the Office of Licensing may impose a negative licensing action.

(c) If a second plan of correction is required by the Office of Licensing, the licensee shall submit the plan of correction within the time frame specified by the Office of Licensing.

(d) Following receipt of the second plan of correction, the Department may conduct an on-site review to verify the corrective action taken.

1. Subsequent to an on-site review, the findings of the Department regarding the licensee's second plan of correction shall be provided to the licensee. These findings shall indicate whether or not each deficiency is corrected.

i. Should there be continuing deficiencies that the licensee has stated in the plan of correction have been corrected, or if other deficiencies are noted which jeopardize the health, safety, welfare, and rights of the persons served, or which document substantial or willful noncompliance, the Office of Licensing shall impose a negative licensing action.

N.J.A.C. 10:44C-1.8 (2017)

§ 10:44C-1.8 Denial, revocation, non-renewal, or suspension of a license

(a) The Office of Licensing may deny, revoke, refuse to renew, or suspend a license for substantial non-compliance or for willful non-compliance.

(b) If the Office of Licensing denies, revokes, or refuses to renew a license, the licensee shall be prohibited from re-applying for a license for one year from the date of license revocation or non-renewal. After the one year period has elapsed, the licensee may submit to the Office of Licensing a new application for a license.

1. When a negative licensing action is based upon falsification, willful noncompliance, criminal activity by the applicant, licensee or executive leadership, or when persons have suffered physical injury or emotional harm or distress due to the applicant's, licensee's or executive leadership's actions or failure to act, the Department may refuse to accept any subsequent application.

(c) When a license is suspended, the Office of Licensing shall reinstate the license when the licensee achieves compliance with the provisions of this chapter. The Office of Licensing shall not require the licensee to submit a new application for a license unless such application is expressly made a condition of the reinstatement of the license.

(d) Each license issued to a licensee shall remain the property of the Department of Human Services. If the Office of Licensing suspends or revokes a license, the licensee shall, upon notification, return the license to the Office of Licensing.

(e) The Department of Human Services may revoke or suspend a license whenever a licensee or the licensee's executive leadership is found to be violating any State or Federal Law pertaining to the operation of a community residence for persons with head injuries or whenever such residence shall fail to comply with specific standards established by the Department.

§ 10:44C-1.9 Administrative hearings

(a) Upon imposition of a negative licensing action, the licensee shall have the opportunity to request an administrative hearing pursuant to N.J.A.C. 10:48-1.

(b) In the event of the imposition of a non-renewal, suspension or revocation, if the Department determines that persons served are not at risk and that no imminent danger(s) exist(s), the Department may permit a residence, operated by a licensee who has requested an administrative hearing as specified in (a) above, to continue to operate until a final decision is rendered as a result of the hearing.

(c) If it is determined that the occupants of a residence are at risk, the Department shall take necessary action to assure that the risk is eliminated, including, but not limited to:

1. Removing the persons served from the residence; or
2. Placing staff approved by the Department at the residence to ensure the safety of the persons served.

§ 10:44C-1.14 Illegal operations

(a) In cooperation with the Department of Community Affairs and the Department of Health, the Office of Licensing shall investigate any community-based residence alleged to be operating without a license as required by N.J.S.A. 30:11B-1 et seq., 55:13B-1 et seq., the Health Care Facilities Planning Act, 26:2H-1 et seq., or any other law pertaining to the licensing of community-based residential programs, as subsequently adopted into State law.

(b) The specific responsibilities of all parties to investigate complaints of an illegal operation shall be agreed upon among the authorities empowered to license community-based residences, based on the information pertaining to each case.

(c) Subsequent to inspection, joint or independent actions shall be taken as deemed necessary to suppress illegal operations.

1. Actions shall be taken to prevent an applicant from obtaining a license from any State licensing agency when the sole purpose for obtaining that license is to avoid sanctions previously initiated by a State licensing agency exercising legal jurisdiction.

2. One or more of the following actions shall be taken when it is determined that imminent danger is present:

i. Persons served shall be removed from the residence.

ii. Staff approved by the Department shall be placed at the residence to ensure the safety of the persons served; and/or

iii. The cause of the imminent danger shall be removed.

N.J.A.C. 10:44C-2.1 (2017)

§ 10:44C-2.1 General requirements

(a) The purposes of the licensee's organization and a description of the services that it provides shall be made available to persons served, parents, guardians, advocates and the general public. This document shall describe, in general terms, who is served, the services provided and the goals of the licensee's organization.

(b) The licensee shall keep the following on file:

1. A record of all admissions and discharges, including names and dates, for the previous 24 month period;
2. A current copy of this chapter.
 - i. A current copy of this chapter shall also be kept on file in each residence;
3. Reports of unusual incidents;
4. Copies of all current licenses;
5. Written descriptions of any religious practices or restrictions that are observed if a licensee has a particular religious orientation, approved as part of the program description, in accordance with this chapter;
6. A copy of the policy and procedure manual; and
7. Personnel files.

(c) A licensee having non-profit status in accordance with 26 U.S.C. § 501(c)(3) shall have a board of trustees which meets the following criteria:

1. A minimum of five persons shall comprise the board;
2. Provisions shall exist for the orientation of new board members; and
3. Meetings shall be held with a frequency sufficient to discharge their responsibilities effectively; in no event shall the full governing body meet less than three times a year.

(d) A for-profit agency may employ a board of directors provided it meets the requirements contained in this chapter.

(e) When a board of directors is identified, there shall be:

1. Procedures for the orientation of new members to the operations of the organization;

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

2. Policies to guard against the development of a conflict of interest between a member of the board and the organization;

3. An explanation of the board's committee structure, if any, including such subordinate groups as may be employed to carry out the board's responsibilities;

4. Documentation that board meetings are held at least three times a year;

i. Minutes shall be kept of each meeting and shall be available for review.

5. Provisions to assure the inclusion of persons served on the board.

(f) Members of a board of directors shall be informed as to whether liability insurance is provided to directors and officers for errors and omissions.

(g) An independent examination of the organization's financial status shall be obtained from a certified public accountant each year, and be available for review.

(h) Fiscal records, including payroll, purchasing, and financial statements, shall be maintained.

(i) When fees for services are charged, the licensee shall have a range of fees that:

1. Is available in printed form;

2. Includes persons paying privately as well as those funded by insurance; and

3. Is applied equitably to each person served regardless of payment authority.

(j) The organization shall develop a policy that prohibits fee splitting with other agencies or persons as consideration for referral of the person served.

(k) The organization shall have an insurance program that adequately protects all assets and compensates staff members, trainees/interns, volunteers, members of the board of directors, if applicable, persons served, and the public for reasonable claims due to adverse events for which the organization is liable.

(l) Licensees that provide alcohol and other drug programs shall assure that the services provided in those programs comply with N.J.A.C. 10:161B.

(m) Licensees that provide outpatient mental health programs shall assure that the services provided in those programs comply with N.J.A.C. 10:37E and 10:190.

N.J.A.C. 10:44C-2.2 (2017)

§ 10:44C-2.2 Development and maintenance of procedure manual

(a) The licensee shall develop and implement a manual of written procedures to ensure that the service delivery system complies with State law and rules governing community residences for persons with head injuries.

1. The procedures shall be reviewed annually and revised as necessary.

2. Each procedure shall be designed in accordance with the principles of affirming and protecting rights of persons served within a rehabilitative treatment environment, and shall be consistent with the organizational structure and management philosophy of the licensee.

3. While specific content for inclusion in a procedure shall be identified on an as-needed basis in this chapter, to ensure consistency, each procedure shall include:

- i. A descriptive title which is unique so as to permit easy reference and retrieval of each document;
- ii. An explanation regarding the purpose of the document;
- iii. A description of sequential steps required to successfully complete a task or action;
- iv. Assignment of staff responsibilities at each step in the implementation; and
- v. Reporting and recording requirements for each person involved.

(b) The licensee shall maintain a procedure manual containing the following documents and/or procedures:

1. A statement of philosophy, values and goals so as to govern the organization's direction and character;
2. A table of organization that illustrates lines of authority, responsibility and communication;
3. Administrative policies and procedures identified at N.J.A.C. 10:44C-2.1 including:
 - i. Procedures for the orientation of new members to the operations of the organization;
 - ii. Policies to guard against the development of a conflict of interest between a member of the board and organization;
 - iii. A policy on the investment of funds; and
 - iv. A policy that prohibits fee splitting with other agencies or persons as consideration for referral of the person served;

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

4. A procedure for implementing a plan to deal with major emergencies requiring evacuation from the residence, including, but not limited to, a fire or a gas leak;

5. A procedure for handling medical emergencies that contains provisions that conform to the requirements of N.J.S.A. 30:6D-5.1 et seq. (Danielle's Law);

6. Emergency coverage and on-call procedures;

7. A procedure for reporting all unusual incidents including, but not limited to:

i. A written statement expressly prohibiting abuse, neglect, or exploitation; and

ii. A written statement regarding the obligation to report each allegation as required by N.J.S.A. 9:6-8.10, N.J.S.A. 52-27G-1 et seq.;

8. A procedure for investigations;

9. A procedure to ensure sound fiscal management of the funds of a person served;

10. A New Employee Orientation Checklist, which shall include, at a minimum, all requirements at N.J.A.C. 10:44C-2.6(a)1 through 7;

11. A procedure for the safekeeping of valuable personal possessions;

12. A list and schedule of all charges and fees for which a person served shall be held responsible;

13. A procedure for resolving complaints and grievances of persons served or decisions of the TDT, which shall have the following:

i. A minimum of two levels of appeal, the last of which shall involve the executive leadership or the licensee;

ii. Time frames for decision-making at each step;

iii. Written notification procedures;

iv. The rights and responsibilities of each party; and

v. The opportunity for the person served, his or her guardian or his or her personal advocate to obtain assistance from any of the individuals or organizations at N.J.A.C. 10:44C-3.1(b)2;

14. A procedure for internal communication including, but not limited to, the following:

i. A log to document only critical information, and the necessary follow-up action taken, which shall be dated and shall include the full name and title of the person making the entry; and

ii. A staff communication log, which shall be dated and shall include the full name and title of the person making the entry;

15. A procedure for admissions, including admission criteria, changes in supports or services, the development, implementation, review and evaluation of each person's treatment plan and transfers and discharges, that complies with the requirements of N.J.A.C. 10:44C-4;

16. A statement regarding maintaining confidentiality of persons served and records as required by N.J.A.C. 10:41-2;

17. Written procedures for medication administration, including procedures for self-medication;

18. A written policy governing the use of psychotropic medication; and

19. A continuous quality improvement system to identify opportunities to improve services and/or supports and to resolve identified problems. The system shall include, at a minimum:

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

- i. A written plan to identify how data is collected, analyzed and utilized to determine patterns which identify process or systemic problems requiring further in-depth review;
- ii. Input from a variety of sources, including persons served, family members and others;
- iii. A written summary of satisfaction surveys;
- iv. A written summary of outcomes assessments; and
- v. An action plan based upon an analysis of (b)19i through iv above.

N.J.A.C. 10:44C-2.4 (2017)

§ 10:44C-2.4 Personnel

(a) Personnel practices shall comply with all applicable Federal, State, and local laws, ordinances, rules, and regulations pertaining to employment, including civil rights, retirement plans, or social security, minimum wages, hours, and worker's compensation.

1. The licensee shall assure that background checks are conducted for all employees who have direct contact with persons served by the agency, in accordance with N.J.A.C. 10:48A, Background Checks.
2. A licensee shall not employ any person who has been convicted of a crime of moral turpitude.
3. A licensee shall not employ any person who has been adjudged civilly or criminally liable for abuse of a person served by the Department or placed in a community residence regulated by this chapter.

(b) Prior to hiring any staff member or utilizing a volunteer who provides services to persons served on a planned basis, the licensee shall secure and maintain:

1. A signed application for employment from each applicant, indicating the applicant's name, address and telephone number, education and disclosure of the presence or absence of criminal convictions;
2. A minimum of two documented references;
 - i. The licensee shall check a minimum of two most recent work references or, if not available, a minimum of two personal references.
 - ii. The licensee shall document all reference checks and maintain such reference checks in the applicant's personnel record.
 - iii. The staff person conducting the reference check shall sign and date the reference check;
3. A current job description which, at a minimum, shall include the following:
 - i. A position statement that documents overall job responsibilities, including the requirement that the employee cooperate with the licensee and Department staff in any inspection or investigation;
 - ii. A list of specific duties;
 - iii. The minimum qualifications;
 - iv. The positions supervised, if applicable; and

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

v. The reporting supervisor, who shall be a paid staff member.

(c) The licensee shall conduct a criminal background check for each applicant and each current staff member.

1. The licensee may employ the applicant or staff member for no more than six months pending the results of the criminal background check provided the applicant or staff member submits a sworn statement to the licensee attesting that he or she has not been convicted of any offenses enumerated in (a)1, 2, and 3 above.

2. The staff member shall be under direct supervision until such time as the results of the criminal background check are received and evaluated.

(d) Upon employment, direct service staff shall submit a written statement from a licensed physician or advanced practice nurse indicating that he or she is in good health. Such statement shall be based on a medical examination conducted within the six months immediately preceding the direct service staff's starting date with the licensee.

(e) Within one year prior to or upon beginning work each direct service staff member shall take a Mantoux tuberculin skin test with five tuberculin units (TU) of PPD tuberculin or an IGRA blood test.

1. The direct service staff member shall submit to the licensee written documentation of the results of any testing or certification.

2. If the direct service staff member has had a previous positive Mantoux tuberculin skin test, or if the Mantoux tuberculin skin test is significant (10 or more millimeters (mm) of induration), or if the IGRA blood test is positive, the staff member shall submit to the licensee a statement from his or her physician or advanced practice nurse certifying that he or she poses no threat of tuberculosis contagion before he or she is allowed to come in contact with persons served and other staff.

3. If the Mantoux tuberculin skin test is insignificant (zero to nine mm of induration), or the IGRA blood test is negative, no further testing shall be required.

i. The Office of Licensing or the licensee may, at any time, require a direct service staff member to retake the Mantoux tuberculin skin test, if there is a reason to believe or suspect that the staff member may have contracted tuberculosis or if the State Department of Health recommends re-testing.

4. The licensee shall prohibit any direct service staff member who fails to submit satisfactory results from a medical practitioner from having contact with persons served or other staff.

5. Upon any known or suspected exposure to a confirmed case of *M. Tuberculosis*, the agency shall consult with the local health department and maintain documentation that all requirements for follow up testing were met.

(f) The licensee shall maintain on file, the following for all direct service staff:

1. Mantoux tuberculin skin test or IGRA blood test results, chest x-ray, or physician's or advanced practice nurse's certification; and

2. The results of a physical examination that clearly indicates that the staff person is capable of performing the duties required.

(g) Personnel and other records shall contain, at a minimum:

1. Application for employment;
2. Credentials verification, if applicable;
3. Evidence of current licensure or certification, if applicable;
4. Reports of performance evaluations;
5. Records of position changes;
6. Results of the criminal background check;

N.J.A.C. 10:44C-2.7 (2017)

§ 10:44C-2.7 Staff training

(a) Basic staff training programs shall either be offered by the Department, or provided or obtained by the licensee after obtaining approval from the Department, to ensure staff competency. Within 120 days of employment, each employee shall successfully complete training approved by the Office of Licensing that shall address, at a minimum:

1. Overview of head injury;
2. Medication training;
3. Preventing abuse and neglect;
4. American Red Cross Standard First Aid Training (and have a valid certificate on file); and
5. Cardio-pulmonary resuscitation training (and have a valid certificate on file).

(b) Staff shall receive training in all policies and procedures not covered during orientation which are relevant to the employee's job within 60 days of hire.

(c) Specialized training programs, identified as necessary during the application process or, subsequently, by the TDT, shall include, but not be limited to:

1. Specialized feeding techniques;
 - i. Feeding tube responsibilities shall be delegated to nursing personnel.
2. Mobility procedures and the safe use of mobility devices, including those necessary for transport;
3. Seizure disorders, physical disabilities, or other identified medical needs; and
4. Identified mental health needs, including the need for behavior modification.
 - i. Persons who work with persons served who require behavior support plans shall receive training in the implementation of all such plans.

(d) All staff who work with persons served who have specialized needs shall receive training in such specialized training programs within 120 days of employment.

1. Only staff who demonstrate competency in the provision of services to persons with specialized needs shall provide those services.

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

(e) Training records pursuant to (b) and (c) above shall be maintained in the administrative offices and shall contain the following:

1. A curriculum describing the courses or topics offered and a training plan addressing how the content of each course or topic will be delivered;
2. Documentation of attendance through a report that includes the dated signatures of the trainer and the trainee;
and
3. Results of all training programs.

(f) The licensee may conduct, at its discretion, and without specific prior approval from the Division, training programs in addition to training required by this chapter.

(g) All training conducted pursuant to (b) and (c) above shall be conducted by a qualified trainer.

HISTORY:

Amended by R.2017 d.023, effective February 6, 2017.

See: 48 N.J.R. 1759(a), 49 N.J.R. 259(a).

In the introductory paragraph of (a), inserted "or obtained", and substituted "Office of Licensing" for "licensing agency"; in (c)2, inserted ", including those necessary for transport"; in (c)3, inserted a comma following "disabilities"; added (c)4i and (g); in the introductory paragraph of (d), inserted "within 120 days of employment"; and in the introductory paragraph of (e), inserted "pursuant to (b) and (c) above".

N.J.A.C. 10:44C-2.8 (2017)

§ 10:44C-2.8 Staff coverage

(a) At each residence, the total number of staff shall be no less than one staff member for every three persons served when the persons are in the home and awake.

1. The ratio can be altered in accordance with the needs of the persons served as approved by the Office of Licensing during the program description approval process.

(b) At each residence, the total number of staff shall be based on the needs of the persons served but shall be no less than one staff member for every five persons served when the persons are sleeping.

1. The ratio can be altered in accordance with the needs of the persons served as approved by the Office of Licensing during the program description approval process.

(c) A description of the staff coverage and the staff schedule shall be initially approved as part of the program description, reviewed at each inspection, and shall specify:

1. The on-site coverage; and
2. The emergency coverage and access procedures in instances where on-site coverage is not necessary.

(d) Reduction of staff coverage as specified in any modification to the program description shall be justified in writing and sent to the Office of Licensing for approval.

1. Documented approval(s) by the TDT that a person or persons served can be left alone for specific amounts of time shall be submitted as evidence justifying modification of staff coverage.

2. Reduction of staff coverage as specified in the approved Program Description shall be reviewed and approved by the Office of Licensing prior to implementation by the licensee, based on (d)1 above.

3. A written response shall be provided by the Office of Licensing within 15 working days, documenting any conditions that must be met as part of the approval of the reduction of staff coverage.

4. With the exception of an emergency, adjustments of staff ratios as specified in the approved Program Description shall not be implemented until approval is granted by the Office of Licensing.

(e) Staff are not required to be on-site when no persons served are present in the residence, but trained staff members, familiar with the person(s) served, shall be available for emergencies.

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

(f) A written staff schedule, for at least a two-week period, shall be available for review at each residence. The staff member in-charge shall be designated on the schedule for each shift.

1. The licensee shall designate specific duties and responsibilities for the in-charge staff person.
2. At least one staff member, currently trained and certified in first aid and CPR, shall be on duty for each shift.

(g) When a specific person served requires one-to-one coverage by staff, that staff member shall be considered unique and not as a part of the overall ratio as specified in the approved Program Description for the other persons in residence.

(h) The licensee shall assure that, if all staff have not completed necessary specialized training in accordance with N.J.A.C. 10:44A-2.7(c)1, 2, 3, and 4, each required specialized training for that site has been completed by at least one person on each shift.

(i) Staff of a supervised apartment program shall be on-site whenever any person served is present, unless otherwise stated in the served person's ITP.

1. At least one staff member must be available on the grounds of the apartment complex during the night for emergencies.
2. The staff residence/office shall be located so that the response time to each person served is consistent with their supervision needs.

HISTORY:

Amended by R.2017 d.023, effective February 6, 2017.

N.J.A.C. 10:44C-2.10 (2017)

§ 10:44C-2.10 Funds and financial records: persons served

(a) Each person served shall have the right to manage his or her own personal funds consistent with his or her abilities as documented in his or her ITP.

1. If the TDT has determined that the person served cannot independently manage his or her funds and finances, the TDT shall determine how much money, if any, can be managed by the person served at any given time.

(b) The licensee shall develop procedures regarding the management of funds for persons served who have been determined in need of assistance by the TDT.

(c) At the time of admission, each person served shall be provided with a written statement listing the services regarding the safekeeping and management of funds.

(d) The licensee shall obtain written authorization for any of the funds of a person served to be entrusted.

1. The authorization shall specify which funds are to be entrusted to the licensee, including, but not limited to, Personal Needs Allowance, paychecks, Patient Trust Fund, monetary gifts, payment from family members, transportation reimbursements, public assistance, income tax rebates and insurance claims.

2. The person served and his or her guardian or power of attorney (POA), where applicable, shall sign the authorization.

(e) For all funds entrusted to the licensee, the licensee shall maintain records and receipts of all income received and all disbursements of the funds of the person served.

1. All receipts related to disbursements of a person's funds and purchases made on behalf of a person served shall be maintained while the person served resides at the residence.

(f) If a person's funds are entrusted to an agency, moneys received by a person served in excess of \$ 100.00 shall be placed in an interest bearing account unless otherwise determined by the TDT.

1. The account shall be in a form that clearly indicates that the licensee is acting in a fiduciary capacity regarding the funds of the person served and that any interest from the account shall accrue to the person served.

2. The licensee may keep up to \$ 100.00 of a person's money in a non-interest bearing account or petty cash fund, to be readily available for current expenditures, providing it is kept for safekeeping in an account separate from all other funds for the residence.

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

i. Any increase in this amount shall be authorized by the person served and his or her guardian or power of attorney (POA), where applicable.

(g) The licensee shall, upon written request from the person served and his or her guardian, where applicable, return any or all of the person's funds given to the licensee for safekeeping, including the interest accrued from deposits.

(h) There shall be no loans of finances, resources or property from a person served to the licensee, staff member, or any other person served.

(i) The licensee to whom the person served entrusts his or her funds shall assure that the management of such funds does not jeopardize the person's entitlements to any appropriate Federal or private benefit.

(j) The licensee shall allow each person served and guardian, where applicable, access to a written record of all financial arrangements and transactions involving the person's funds, upon request. Copies of this record shall be made available to the person served and his or her guardian, upon request.

HISTORY:

Amended by R.2017 d.023, effective February 6, 2017.

See: 48 N.J.R. 1759(a), 49 N.J.R. 259(a).

In (d)2 and (f)2i, inserted "or power of attorney (POA)"; and in the introductory paragraph of (f), and in (f)2, substituted "\$ 100.00" for "\$ 100".

7. A copy of the financial rights and services procedures.

(c) If a person served is unable to read (b)1 through 7 above, the text shall be read to the person served in a language or manner the person understands.

1. The licensee shall make provisions to explain portions that are not understood and answer any questions the person served may have regarding (b)1 through 7 above.

(d) A copy of a written acknowledgment that (b)1 through 7 above has been explained and understood shall be immediately signed and dated by the person served, the licensee's representative(s) and the person's guardian, if present.

1. If the guardian is not present, the signed acknowledgment shall be sent to the guardian within five days.
 - i. Documentation shall be maintained in the person's record.
2. The acknowledgment may also be witnessed by a personal advocate, if present.
3. The acknowledgment shall be placed in the record of the person served.

(e) Persons served shall receive training and support in order to understand options, make choices and exercise rights and responsibilities.

1. The exercise of rights is not limited when a person served has a guardian or interested family.

(f) The licensee shall be responsible for utilizing a Human Rights Committee in accordance with N.J.A.C. 10:41A.

(g) The licensee shall have procedures for the documentation of the investigation and resolution of allegations of infringements of rights.

N.J.A.C. 10:44C-3.2 (2017)

§ 10:44C-3.2 Rules governing a residence

(a) The licensee may establish reasonable rules that govern the conduct of persons in a particular residence, including, but not limited to, rules regarding smoking, pets, and visitors, provided:

1. The rules are commensurate with the abilities and rights of the persons served;
2. Persons served and their guardians, where applicable, are informed of the rules governing a residence prior to their admission, as required at N.J.A.C. 10:44C-3.1(b)3;
3. The persons served affected by such rules are consulted whenever a revision is considered, and there is evidence the rules are necessary to promote order and to benefit the collective group; and
4. The rules include provisions to ensure that a person served exercising his or her rights does so in such a way so as to not infringe upon the rights of, or endanger, others.

(b) The persons served at a particular residence may jointly choose to establish mutually agreed upon house rules regarding conduct in the home, in accordance with (a)1 through 4 above.

(c) Each copy of the rules shall contain a statement that a person served or a group of persons served has the right to challenge such rules as to their appropriateness through the licensee's grievance procedure, as specified at N.J.A.C. 10:44C-2.2(b)13.

(d) No policy, procedure, or rule of the home shall be inconsistent with or contrary to a right enumerated in N.J.A.C. 10:44C-3.4.

N.J.A.C. 10:44C-4.3 (2017)

§ 10:44C-4.3 Monitoring and review of Individual Treatment Plans

- (a) The case manager shall conduct a monthly review in order to, at a minimum:
1. Monitor implementation of the plan; and
 2. Make needed adjustments in conjunction with the TDT so that continuous progress is made toward achieving goals.
- (b) A thorough, quality monthly review has at least three components:
1. A review of specific progress data;
 2. Observation of plan implementation; and
 3. A review of the entire plan.
- (c) If the case manager's review reveals the need for additional support for implementation of any element of the plan or if program modification is required, the case manager shall call for either a mini-team review or a full TDT meeting.
- (d) Any major change in residential service and/or supports of a person served shall include the utilization of the TDT.
- (e) A person served may be unsupervised for specific amounts of time with approval by the TDT documented in the ITP.
1. If unsupervised time results in a change in the program description the licensee shall follow the requirements at N.J.A.C. 10:44C-2.8(d).
- (f) Any proposed changes to the ITP shall be recommended to the case manager immediately.
1. If the case manager concludes that proposed changes to the ITP result in significant differences from the intent of the TDT, he or she shall secure input from the TDT.
 2. All changes in the ITP shall be communicated to the members of the TDT.
 3. If, after receipt of the written ITP, there is a disagreement by any party, the TDT shall meet to discuss the change.

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

4. The ITP may be implemented pending resolution of the discussion.

N.J.A.C. 10:44C-4.4 (2017)

§ 10:44C-4.4 Transfer or discharge

(a) Should the licensee and the placing agency determine that a residence is no longer suitable or no longer meets the needs of a person served, the person shall not be maintained at that residence, provided substantive evidence is given to the person served and his or her guardian or advocate, as appropriate, and the placing agency.

1. The person and his or her legal guardian or advocate shall have the right to appeal the licensee's decision in accordance with N.J.A.C. 10:44C-2.2(b) 9.

(b) In the case of a planned transfer or discharge, at least 30 days prior to the anticipated discharge date, at a minimum, the following shall occur:

1. The person served, the family, the guardian, and the placing agency, as appropriate, shall receive 30 days' notice concerning a planned transfer or discharge;

2. An addendum to the ITP shall update the existing plan and include the specifics of the transition; and

3. The development of the discharge plan shall include the licensee, the person served and his or her guardian or POA, as appropriate, the TDT and a representative of the managed care organization, as applicable.

i. The discharge plan shall assess the continuing needs of the person served and recommend a plan for provision of follow-up services in the new environment of the person served.

ii. The full records of the person served shall be transferred.

(c) A transfer or discharge summary shall be prepared for each person served who is leaving the program, and shall contain:

1. The diagnosis or disability;

2. The strengths, abilities, needs, and preferences of the person served;

3. Desired outcomes and expectations established;

4. The services provided;

5. Desired outcomes and expectations achieved;

6. The reason for the transfer or discharge; and

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

7. Referrals and recommendations to assist the person served to maintain and/or improve functioning and increase independence.

(d) Upon an emergency transfer or discharge of a person served, the licensee shall make recommendations to the person, his or her legal guardian, interested family, and/or his or her personal advocate and the placing agency regarding follow-up care required.

1. The person or his or her legal guardian and/or advocate shall have the right to appeal the emergency discharge in accordance with N.J.A.C. 10:44C-2.2(b)13.

HISTORY:

Amended by R.2017 d.023, effective February 6, 2017.

See: 48 N.J.R. 1759(a), 49 N.J.R. 259(a).

In the introductory paragraph of (b)3, inserted "or POA", and substituted "managed care organization, as applicable" for "placing agency"; deleted former (b)3ii; recodified (b)3iii as (b)3ii; in the introductory paragraph of (d), inserted a comma following "family"; and in (d)1, updated the N.J.A.C. reference.

§ 10:44C-5.1 General health care

(a) A personal, primary physician or medical group/clinic or advanced practice nurse shall be identified for each person served.

(b) Each person served shall, at a minimum, have an annual medical examination.

1. The examining physician or advanced practice nurse shall sign, date and document the results of the examination.

2. A copy of the results of the annual examination shall be maintained in the file of the person served. The confidentiality of this document shall be maintained in accordance with N.J.A.C. 10:41-2.

3. Should a competent person served refuse such an examination, documentation signed and dated by the person served rejecting the service, as well as the name of the staff offering the service, shall be filed in the record of the person served.

4. Additional documentation shall be provided whenever the refusal of treatment is considered to be necessary, but not life threatening. The document shall identify steps taken to counsel the person served regarding the risks and consequences of refusal.

(c) Each person served shall, at a minimum, have an annual dental or oral examination.

1. A record documenting the results of the dental examination, signed and dated by the dentist, shall be maintained in the record of the person served.

2. Should a competent person served refuse such an examination, documentation signed and dated by the person served rejecting the service, as well as the name of the staff offering the service, shall be filed in the person's record.

3. Additional documentation shall be provided whenever the refusal of any medical exam or treatment is considered necessary, but not life threatening. The document shall identify steps taken to counsel the person served regarding the risks and consequences of refusal.

(d) Upon any known or suspected exposure to a confirmed case of *M. Tuberculosis* by a person served, the agency shall consult with the local health department and maintain documentation that all requirements for follow up testing were met.

(e) The licensee shall follow-up on all health needs including medical treatment, pharmaceutical, dental or other needed services.

1. Documentation shall be maintained in the record of the person served.

(f) The licensee shall assure that the community residence has access to emergency medical services.

(g) Each licensed program site shall have a first aid kit, to include:

1. Antiseptic;
2. Rolled gauze bandages;
3. Sterile gauze bandages;
4. Adhesive paper or ribbon tape;
5. Scissors;
6. Adhesive bandage (for example, Band-Aids);
7. Either a standard type or a digital thermometer;
8. CPR Mask; and
9. Protective gloves.

(h) Upon confirmation that a person served has contracted a communicable disease as specified at N.J.A.C. 8:57, the licensee shall assure exposed persons served are placed under a physician's or advanced practice nurse's care.

1. The physician or advanced practice nurse of the person served shall determine treatment and precautions to be taken.

i. Documentation of treatment and precautions shall be maintained in the person's file.

2. If the person served does not live alone, the licensee shall contact the primary physician or advanced practice nurse for all other persons served in the residence.

(i) The agency shall assure that all adaptive and assistive devices are available for each person served who requires them.

N.J.A.C. 10:44C-5.2 (2017)

§ 10:44C-5.2 Prescription medication

(a) Persons served receiving medication shall take their own medication to the extent that it is possible, as assessed and determined by the TDT, documented in the person's ITP and in accordance with licensee procedure.

(b) If the person served is not responsible for or capable of taking his or her own medication, trained staff members shall assist and supervise the administration of the medication as prescribed.

(c) A written record shall be maintained of all medication administered by the trained staff members.

1. The record shall include the following:

i. The name of the person served;

ii. The date;

iii. The name of medication;

iv. The type of medication;

v. The dosage;

vi. The frequency;

vii. The initials and corresponding signatures of staff administering the medication or, in the case of electronic records, a means by which the identification of the administering staff is verified;

viii. Medication administration codes; and

ix. All known allergies.

(d) If a person served is capable of taking medication without assistance, no daily medication administration record is required.

1. A current list identifying the name of the medication(s), type of medication(s), dosage, frequency, date prescribed, and the location of the medication(s) shall be filed in the record of each person served and updated as changes occur.

(e) Written documentation shall be filed in the record of the person served indicating that all prescribed medication was re-evaluated at least annually by the prescribing physician or advanced practice nurse.

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

(f) Staff shall have access to medication information, either in a reference book or an online resource approved by the licensee, current within three years and written for lay persons, which shall include information on side effects and drug interaction.

(g) Any new medication or change in medication dosage by the physician or advanced practice nurse, as well as new and discontinued prescriptions, shall be immediately noted on the current written medication record by staff consistent with the licensee's procedure.

1. Verbal orders from the physician or advanced practice nurse shall be signed by the physician or advanced practice nurse within 24 hours or by the first business day following receipt of the verbal order.

2. The prescription shall be revised at the earliest opportunity.

(h) A supply of medication and prescribed nutritional supplements, adequate to insure no interruption in the medication schedule, shall be available to persons served at all times.

(i) The licensee or designee shall supervise the use and storage of prescription medication, ensuring that:

1. A storage area of adequate size for both prescription and over-the-counter medications shall be provided and kept locked for those persons served who are not self-administering their own medication;

2. Each person served who administers his or her own medication shall receive training and monitoring by the licensee regarding the safekeeping of medications for the protection of others, as necessary.

i. Medication shall be kept in an area that provides for the safety of others, if necessary;

3. Staff shall have a key to permit access to all medication at all times and to permit accountability checks and emergency access to medication.

i. Specific controls regarding the maintenance and use of the key to stored medication shall be established by agency procedure;

4. Each prescribed medication for each person served shall be separated within the storage areas, as follows:

i. Oral medications, eye drops, and ear drops shall be separated from other medications; and

ii. If necessary, medications that require refrigeration shall be maintained in a manner that provides for the safety of others, for example, by using locked boxes;

5. All medications shall be kept in their original containers from the pharmacy and shall be properly identified with the pharmacist's label.

i. A person served who is self-medicating may choose adaptive equipment that continues to assure the safe storage of medication;

6. Medications that are outdated or no longer in use shall be safely disposed of according to licensee procedure;

7. When medication is prescribed PRN (as needed), the prescription label shall include the following:

i. The name of the person served;

ii. The date;

iii. The name of the medication;

iv. The dosage;

v. The specification of the interval between dosages;

vi. The maximum amount to be given during a 24-hour period;

vii. A stop date, when appropriate; and

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

viii. Under what conditions the PRN medication shall be administered; and

8. The administration of PRN medication, along with the time of administration, shall be documented on the written medication record and shall be communicated to the on-coming shift of residential staff.

(j) A statement signed by the physician or advanced practice nurse regarding the usage and contraindications of over-the-counter medications shall be available for staff reference and use and shall be updated annually. This statement shall constitute a physician's order.

(k) For medications available over-the-counter, the manufacturer's label shall be sufficient for identification purposes.

HISTORY:

Amended by R.2017 d.023, effective February 6, 2017.

See: 48 N.J.R. 1759(a), 49 N.J.R. 259(a).

Rewrote (c)1vii, (f), the introductory paragraph of (g), and (j); in (d)1, inserted "current" and "and updated as changes occur", and inserted a comma following "prescribed"; in (h), inserted "and prescribed nutritional supplements"; in (i)1, substituted "over-the-counter" for "non-prescription"; in (i)4i, inserted ", eye drops, and ear drops"; in (i)6, substituted "safely disposed of" for "destroyed"; and added (k).

§ 10:44C-5.3 Psychotropic medication

(a) Within two weeks after admission, the licensee shall document that the licensee attempted to obtain, for persons receiving psychotropic medication, a clinical assessment by a physician or advanced practice nurse.

(b) The licensee shall assure that the following provisions are implemented regarding the administration of psychotropic medication in an emergency:

1. Short acting injectable psychotropic medication used in emergencies shall be administered only by a licensed physician or a licensed nurse.

2. In an emergency, telephone orders shall be permitted provided they are signed by the physician or advanced practice nurse within 24 hours.

3. The person served shall be monitored continuously by agency staff trained to observe for side effects.

4. The licensee shall assure that the person served is seen by the physician or advanced practice nurse within 48 hours of the administration of the injectable medication.

5. When a psychotropic medication is prescribed and administered in an emergency, the TDT shall meet to review the use of the psychotropic medication within five working days in order to report observations to the prescribing physician or advanced practice nurse.

i. The results of the review shall be recorded in the record of the person served.

(c) Psychotropic medication shall not be used for punishment, for the convenience of staff or as a substitute for a rehabilitative treatment environment.

(d) The use of psychotropic medication shall be documented in the ITP.

1. The TDT shall review the efficiency of psychotropic medication at least on a quarterly basis and report the findings to the prescribing physician or advanced practice nurse.

i. The results of the review shall be recorded in the record of the person served.

ii. Concerns of the TDT shall be referred to the physician or advanced practice nurse, the Behavior Management Committee and the Human Rights Committee, as necessary.

N.J.A.C. 10:44C-6.2 (2017)

§ 10:44C-6.2 Emergency evacuation plans

(a) The licensee shall design an evacuation plan for each residence in accordance with the Uniform Fire Safety Act, N.J.S.A. 52:27D-192 et seq., and the individual characteristics of the home.

1. The plan shall be further developed by evaluating each person served according to the following risk factors:

- i. Mobility;
- ii. Ability to problem-solve;
- iii. Ability to evacuate;
- iv. Compliance issues;
- v. Medical factors;
- vi. Behavioral factors; and
- vii. The use of physical or mechanical restraint.

(b) The evacuation plan shall be reviewed at least annually and revised:

1. Within 48 hours of a new person served moving into the residence, the return of a person served absent for more than 30 days, or the discharge of a person served;
2. Whenever the level of assistance required by the current occupants to evacuate the residence changes; and
3. Thirty days following an occupant's admission to a hospital or nursing home.

(c) All persons served shall be able to evacuate the residence in three minutes or less.

(d) The plan shall include one or more designated points of safety at which all persons assemble after evacuating the premises.

(e) The licensee shall assure that all staff persons assigned to a residence at any time have been trained in the emergency evacuation plan for that residence.

§ 10:44C-6.3 Fire drills

(a) Fire drills, supervised by staff, shall be performed a minimum of once per month.

1. Each shift shall perform at least four fire drills a year, at least one of which shall be during normal sleeping hours for the residents of the home.

2. Fire drills shall be performed at random and varying times, so that persons served are engaged in a variety of routine activities during the drills.

3. Fire drills shall assure that all means of egress are used throughout the year; except those in areas that are not routinely utilized by persons served, such as unfinished basements, furnace rooms, and garages without ramps.

4. An egress time of three minutes or less shall be attained and maintained.

i. The evacuation drill shall be timed from when the alarm is sounded until the last occupant crosses the threshold of a means of egress.

(b) Written records shall be maintained, including the following information:

1. The date and time of the fire drill;

2. The location of each person served at the onset of the drill;

3. The means of egress used;

4. The full names of persons served and staff who participated in the drill; and

5. The time required for all persons to evacuate the residence.

(c) In the event that a person served exceeds the allotted evacuation time, the licensee shall take one of the following steps:

1. Training in evacuation shall be provided to the person served upon admission.

i. If the person served is unable to evacuate the residence in three minutes or less after training, the licensee shall assure that (c)2, 3 or 4 below is implemented;

2. Add awake staff to assure the three-minute time is met;

3. Relocate persons served so that the three-minute time is met; or

N.J.A.C. 10:44C-6.6 (2017)

§ 10:44C-6.6 General home requirements

(a) For residences housing persons served with physical disabilities, the licensee shall make accommodations to ensure maximum physical accessibility feasible for entrance to and movement within the residence based upon personal characteristics.

1. Any necessary modifications shall conform to the requirements contained in the Barrier-Free Subcode, N.J.A.C. 5:23-7.

2. Two means of egress shall be ramped, located in different parts of the building, and lead to the ground level.

3. Such residences located on a floor above the ground floor shall have been designated for occupancy by non-ambulatory persons served by the fire official, including, but not limited to, safe havens, fireproof stairs, and fire suppression systems.

(b) The exterior of the residence and the surrounding grounds shall be properly maintained and shall be free from any hazard to health or safety.

1. Sheds, garages, and other outbuildings shall be maintained in safe condition or be rendered inaccessible to persons served.

(c) The interior of the residence shall be properly maintained and shall be free from any hazard to health or safety.

1. All interior doors shall be equipped with standard hardware that can be readily opened in an emergency. Hooks and eyes, bolts, bars, and other similar devices shall not be used on interior doors.

i. Where a doorknob lock requires a key or other device to open from the outside, such key or device shall be readily available to staff.

ii. Chain locks are prohibited on apartment doors, unless required by local ordinance or requested by the person served, in which case, the lock shall be changed to the type that can be opened from the outside with a key. The key must be available to staff at all times. In all cases, the person served must have the ability to operate the chain lock.

2. A carbon monoxide detector(s) shall be installed in the location specified by the Uniform Construction Code (N.J.A.C. 5:23) and in compliance with the technical requirements found at N.J.A.C. 5:23.

3. Nothing shall be stored within three feet of a boiler, furnace, or water heater.

4. Portable halogen lamps shall be prohibited.

This document is provided as a courtesy only; the official Administrative Rules of the State of NJ are available through LexisNexis, the publisher licensed by the NJ Office of Administrative Law, or through your local public library.

5. Cellophane wrapping on lamps shades shall be prohibited.
6. The use of candles is prohibited.
7. Electric and gas clothes dryers shall be maintained in good repair. Vent ducts shall remain unblocked, uncrushed, and properly connected to the dryer, and the lint trap screen shall be cleaned after each use.
8. Fireplaces and wood or pellet burning stoves and all components shall be kept clean and well maintained.
 - i. Wood or pellet burning stoves shall be permitted, only if proof of its proper installation is provided by the local construction code official, as evidence by a certificate of approval.
 - ii. Protective screening or covers shall be provided, so as to prevent occupants in the home from coming into direct contact with the fire and/or prevent sparks from flying into the home from the fireplace.
 - iii. Fireplaces, as wells as wood or pellet burning stoves, if used, must be professionally inspected, and cleaned if necessary, annually, and documentation of such shall be maintained.
9. Every exhaust fan and exhaust fan filter shall be regularly cleaned from accumulated grease.
10. Attics and unfinished spaces without adequate flooring shall be rendered inaccessible to persons served.
 - (d) Each person served shall have access to a landline or cellular telephone.
 - (e) Non-slip surfaces shall be provided as appropriate:
 1. As non-skid backing for scatter or throw rugs;
 2. On stairs and landings; and
 3. In each shower or bathtub.
 - (f) All furniture throughout the home shall be clean and in good repair.
 - (g) All common areas for living and dining shall be of sufficient size to provide enough seating for all occupants of the home at one time.
 - (h) No temporary wiring shall be used except UL listed extension cords, rated appropriate to the anticipated load.
 - (i) Extension cords shall not run under rugs, through walls, or through doorways.
 - (j) Standby generators shall be permanently installed by a qualified technician in accordance with all local codes, permitting, and inspection requirements.
 - (k) Portable generators shall only be used in accordance with the following:
 1. Under a permit issued by the local enforcement agency, if such a permit is required by local municipal codes;
 2. Not plugged directly into the home's electrical receptacles or outlets;
 3. Operated outside and away from doors, vents, or open windows leading into the home;
 4. Properly grounded, dry, and shielded from contact with liquid;
 5. Operated only with heavy-duty electrical cords that are rated for outdoor use, free of any punctures or exposed wiring, kept out of the way of foot traffic, and not run underneath rugs;
 6. Powering only devices that, when operated simultaneously, do not draw more electrical capacity than the generator is designed to supply; and
 7. Not powering devices hard-wired into the home's electrical system unless the generator is plugged into a transfer switch or panel of transfer switches installed by a qualified technician in accordance with all local codes, permitting, and inspection requirements.
