# BE A PET'S HERO

## **PETS FOR VETS** **A COMPANION ANIMAL ADOPTION SERVICE FOR VETERANS OF THE U.S. ARMED FORCES**

### **Who We Serve**

Veterans of all branches of the U.S. armed forces.

### **Who We Save**

Stray and abandoned animals at risk of being killed in crowded shelters, giving them the loving homes they deserve.

### **What We Provide**

Cats and dogs adopted through Pets for Vets are vaccinated, spayed/neutered, microchipped, and have passed medical and behavioral evaluations. All at no cost to the veteran.

**Transforming the lives of both animals and people, Pets for Vets connects at-risk shelter animals with veterans of the U.S. Military.**

The Pets for Vets program pairs shelter animals with retired veterans free of charge. Acting as a “combat buddy” for life, a companion dog or cat has been proven in clinical studies to reduce stress and help veterans acclimate back into civilian life, especially those suffering from PTSD and Traumatic Brain Disorders as well as psychological issues from life in combat. The Pets for Vets program gives veterans a new friend who will love them unconditionally, and gives the shelter animals the second chance at life in a loving home.

Through its adoption locations, special events, and foster care network, PAWS finds loving homes for thousands of animals each year. ## *VA Offers Dental Insurance Program*

**WASHINGTON** – Veterans Affairs is partnering with Delta Dental and MetLife to allow eligible veterans, plus family members receiving care under the Civilian Health and Medical Program (CHAMPVA), to purchase affordable dental insurance beginning Nov. 15, VA officials announced recently.

“VA continues to explore innovative ways to help veterans get access to the care and services they have earned and deserve,” said Secretary of Veterans Affairs Eric K. Shinseki. “This new dental program is another example of VA creating partnerships with the private sector to deliver a range of high-quality care at an affordable cost, for our Nation’s Veterans.”

More than 8 million veterans who are enrolled in VA health care can choose to purchase one of the offered dental plans. This three-year pilot has been designed for veterans with no dental coverage, or those eligible for VA dental care who would like to purchase additional coverage. Participation will not affect entitlement to VA dental services and treatment.

There are no eligibility limitations based on service-connected disability rating or enrollment priority assignment. People interested in participating may complete an application online through Delta Dental, [www.deltadentalvadip.org](http://www.deltadentalvadip.org), or MetLife, [www.metlife.com/vadip](http://www.metlife.com/vadip) beginning Nov. 15. Coverage for this new dental insurance will begin Jan. 1, 2014, and will be available throughout the United States and its territories.

Also eligible for the new benefits are nearly 400,000 spouses and dependent children who are reimbursed for most medical expenses under VA’s CHAMPVA program. Generally, CHAMPVA participants are spouses, survivors or dependent children of Veterans officially rated as “permanently and totally” disabled by a service-connected condition.

Dental services under the new program vary by plan and include diagnostic, preventive, surgical, emergency and endodontic/restorative treatment. Enrollment in the VA Dental Insurance Plan (VADIP) is voluntary. Participants are responsible for all premiums, which range from \$8.65 to \$52.90 per month for individual plans. Copayments and other charges may apply.

Historically VA’s free dental services have gone to Veterans with dental problems connected to a medical condition that’s officially certified as “service connected.” Free dental services will continue for those Veterans.

For more information on VADIP, visit [www.va.gov/healthbenefits/vadip](http://www.va.gov/healthbenefits/vadip), or contact Delta Dental at 1-855-370-3303 or MetLife at 1-888-310-1681.

Veterans who are not enrolled in the VA health care system can apply at any time by visiting [www.va.gov/healthbenefits/enroll](http://www.va.gov/healthbenefits/enroll), calling 1-877-222-VETS (8387) or visiting their local VA health care facility.
