Number: 13-401

Date: July 26 , 2013

Subject: 2013 Federal Benefits Open Season: Announcement

Welcome to the first in our series of 2013 Federal Benefits Open Season Benefits Administration Letters (BAL) for the Federal Flexible Spending Account Program (FSAFEDS), Federal Employees Dental and Vision Program (FEDVIP), and Federal Employees Health Benefits (FEHB) Program. This BAL provides general information about this year's Federal Benefits Open Season, which runs from **Monday, November 11, 2013 through Monday, December 9, 2013**. You are responsible for ensuring that your employees are aware of the dates of Open Season, how to make changes, and which changes they can make.

FEDVIP

New for 2014 - three new dental plans and one new vision plan in FEDVIP! That makes for a FEDVIP total of ten dental plans and four vision plans for 2014.

Additional information will be forthcoming in our Federal Benefit Open Season BALs that will be issued in September.

SUMMARY OF BENEFITS AND COVERAGE

Last year, as a result of the Affordable Care Act, FEHB plans provided a summary document detailing information about health plan benefits and coverage on their websites.

In order to help FEHB enrollees better understand their coverage and allow them to easily compare different plans and plan options, the Summary of Benefits and Coverage (SBC) document includes information on the following:

- Cost - deductibles, copayments, coinsurance, and out-of-pocket limits
- Coverage - covered services, examples of covered services, and excluded services
- Rights – rights to continue coverage and grievance and appeal rights
- **NEW FOR 2014 – The following 2 questions and answers will be included:**
 - Q: Does this Coverage Provide Minimum Essential Coverage?
A: The Affordable Care Act requires most people to have health care Coverage that qualifies as "minimum essential coverage." **Coverage under this plan qualifies as minimum essential coverage.**
 - Q: Does this Coverage Meet the Minimum Value Standard?

A: The Affordable Care Act establishes a minimum value standard of benefits of a health plan. The minimum value standard is 60% (actuarial value). **The health coverage of this plan does meet the minimum value standard for the benefits the plan provides.**

The SBC will continue to have a disclaimer indicating that the plan brochure remains the official statement of benefits.

Plans will continue to provide information in their Open Season materials to their enrollees about where to find their SBC on their website as well as how to obtain a paper copy of the SBC. The plans may also have their SBC available at health fairs.

ELECTRONIC BROCHURES

We are continuing our Going Green initiative. We encourage you and your employees to continue using the electronic health plan brochures over the paper brochures. Agencies have responded positively to this effort and have shared our desire to help lower administrative costs and conserve natural resources. Remember that copies of all FEHB plan brochures are on our website at www.opm.gov/FEHBbrochures.
