

Estimates are provided based upon the restoration plan but may change as work is completed and new assignments are given. Also, please note that estimates are considered less precise with dates later into the the week.

The daily estimate of percentage restored is based on the number of customers expected to be restored each calendar day versus the total number of customers currently out of power.

Due to shore devastation, the following communities are not included in the estimates provided below: Allenhurst, Avon By the Sea, Belmar, Bradley Beach, Deal, Highlands, Interlaken, Loch Arbour Village, Manasquan, Monmouth Beach, Sea Bright, Sea Girt, Bay Head, Island Heights, Lavallette, Mantolocking, Point Pleasant Beach, Seaside Heights, and Seaside Park. Parts of these towns will continue to be restored but we are still assessing the sections that cannot be connected.
