

State of New Jersey MBE/WBE Certification Application

Dear Business Owner:

Enclosed please find the State of New Jersey MBE/WBE Certification Application. If you wish to participate as a Minority and/or Women Business Enterprise, kindly complete and submit the application with a non-refundable check or money order in the amount of \$100.00 made payable to ***“NJ Division of Revenue”***. **DO NOT SEND CASH.**

Be advised that the average processing time is between eight to ten weeks after your check has been cashed.

Your M/WBE certification is valid for 3 years. Annually, the business must submit, not more than 20 days prior the anniversary of the certification, an annual verification statement, in which it shall attest that there is no change in the ownership, control or any other factor of the business affecting eligibility for the certification as a minority or women-owned business.

If the business fails to submit the annual verification statement by the anniversary date, the certification will lapse and the business will be removed from the SAVI¹ that lists certified minority and women-owned businesses. If the business seeks to be certified, it will have to reapply and pay the \$100 application fee.

If the business submits the annual verification statement by the anniversary date, but either the verification statement or the information received by the Division indicates that the business is no longer eligible for certification as a minority or women-owned business, the Division shall revoke the certification pursuant to this chapter and following revocation, the business shall be removed from the SAVI. The business may appeal this revocation pursuant to the procedures set forth at N.J.A.C. 17:46-1.8.

Please pay particular attention to the supporting documents required. For each question on the application, a response must be indicated, even if it is “Not Applicable.” Incomplete applications will be returned. *Any applicant, who knowingly supplies false information shall, upon conviction, be guilty of a crime of the fourth degree.*

For Free counseling, please contact either the Small Business Development Center (973) 353-5960 prior to submitting your application.

The State currently works with other certifying groups to accept alternative certifications. If you have a currently valid certificate with a statewide or national certifying group, in lieu of completing the MBE/WBE Application, you may submit a copy of their certification approval letter and/or certificate for consideration to satisfy requirements of certification under NJ Statue 12A:17:46. You must also submit a non-refundable check or money order in the amount of \$100.00. Please send your completed application to:

- 7. Is a business registration with the State of New Jersey, Division of Revenue the same as a small business registration with your Division?**
 - a. *No, these are two different types of registrations. A business registration with the Division of Revenue will ensure that the business is registered for applicable taxes and related liabilities. Businesses must submit to the Division of Revenue the Business Registration Form (NJ-REG) and if applicable, the Public Records Filing for New Business Entity form. After registering, businesses will receive the forms, returns, instructions and other information required for on-going compliance with New Jersey State taxes.*
For more information on the Business Registration Form, please see <http://www.state.nj.us/treasury/revenue/busregcert.htm>

8. What is a Small Business Enterprise (SBE) registration?

- a. *The SBE registration is **required** to compete for contracts under the Small Business Set Aside Act. The small business set-aside program was established with the goal of awarding 25 percent of state and purchase order dollars to small businesses. Go to <http://www.nj.gov/njbusiness/contracting/> for a listing of the standards for eligibility and to obtain an application form.*

9. How long will my SBE registration or M/WBE certification last?

- a. *The costs for both the SBE registration and M/WBE certification is \$100 for three years. Please note that you will have to send in annual verification forms or your registration or certification will be revoked.*

- a. *You must have a current SBE registration before the bid opening date to be eligible to compete.*

11. My company was considered ineligible to be a SBE under the old rules and regulations. Do the new rules and regulations take into consideration new industries or sizes?

- a. *The new rules and regulations have changed the size of the categories so that the size of your industry is taken into account. As a result, your company may now qualify as a SBE and be eligible to participate in the Small Business Set Aside Program. To view Small Business size standards by NAICS industry click: [13 CFR 121.201](#)*

12. What if I have a bid due before the 8-10 week response time?

In cases where a prime is requiring a sub-contractor to obtain a registration or certification, you must submit a notarized letter from the prime, on their letterhead, stating that there is a commitment to award the sub-contract if in fact registration/certification is provided. A copy of the bid page that contains the bid due date must be attached to the letter from the prime.

Where/When feasible we will issue an expedite certificate five days before the bid due date.

NOTE: Submitting an application does not mean that you will automatically receive an approval. You need to submit your application and the front page of the bid for review to the Division at least 48 hours before the bid opening date. If you submit your application with less than 48 hours before the bid opening, there may not be enough time to process your application or answer any questions.

13. What is a Minority and/or Women Owned Business Enterprise (MWBE) certification?

- a. *MWBE's are encouraged to become certified with the State so that we can accurately and timely assess the share of procurement activity recorded by this group compared to the share of business registered by non MWBE vendors. In addition, private firms and municipal (not State) governments may require proof of an MWBE certificate.*

Go to <http://www.nj.gov/njbusiness/contracting/> for a listing of the standards for eligibility and to obtain an application form.

The MWBE certification cost is \$100 for three years. Please note that you will have to send in annual verification forms or your certification will be revoked.
