Dear Director Nordstrom;

The purpose of this letter is to inform you of Harmony Townships support and agreement of Freeholder Edward Smiths comments he provided on the Highland Regional Master Plan, as part of the Highland's Council's 2014 RMP Monitoring Program, in his letter to you dated February 25, 2015. In addition to these comments, the Township is also interested in receiving a response from you on the questions #1-3 asked by Freeholder Smith in this same letter.

The Highlands Plan directly effects the Township of Harmony which makes the Township Committee and I concerned with its impact on our residents and their property. Thank you for your time in this important matter.

Sincerely,

Brian Tipton, Mayor
Harmony Township
