Re: Highlands Redevelopment Area Designation
Givaudan Fragrances Corporation
Block 402 Lot 5
Mount Olive Township, Morris County

Dear Mr. Ciccone:

On behalf of the Highlands Water Protection and Planning Council (Highlands Council), I am pleased to provide you with a final copy of the Highlands Council's resolution of August 3, 2011, approving the Highlands Redevelopment Area Designation for Givaudan Fragrances Corporation, with supporting materials. This approval is a necessary prerequisite for a Highlands Preservation Area Approval (HPAA) with Redevelopment Waiver from the New Jersey Department of Environmental Protection (NJDEP).

The Highlands Council staff has also prepared a matrix of checklist items regarding HPAA with Redevelopment Waiver submittal requirements, which provides advisory information to both the applicant and the NJDEP. The matrix notes those items we feel have already been addressed by the Highlands Council review, and those remaining items that need to be provided to the NJDEP by Givaudan. Please find enclosed the matrix for the Givaudan Fragrances Corporation redevelopment project.

While we will be forwarding the attached matrix directly to NJDEP, we recommend that you also submit a copy as part of your HPAA application package. Please be advised that the matrix is provided for advisory purposes only; it is recognized that NJDEP may require additional

information from you as part of their review of the HPAA application. It is our expectation that this matrix will assist the NJDEP staff in their review of your HPAA application package, and will facilitate an efficient review by identifying required application items that have already been fulfilled by the analysis prepared by the Highlands Council. As mentioned at the Highlands Council meeting, please feel free to contact me if Highlands Council representation is desired for any meeting with NJDEP regarding this issue. Please be advised that in accordance with the Highlands Act, the Highlands Council's resolution of this matter shall have no force and effect until the end of the Governor's ten day review period of the Council's meeting minutes (which is August 22, 2011).

If you have my questions, please do not hesitate to contact me directly or you may also contact my Executive Assistant, Annette Tagliareni, at (908) 879-6737 ext. 111, or you may reach her via e-mail at annette.tagliareni@highlands.state.nj.us.

Yours sincerely,

Eileen Swan
Executive Director
