

## **Additional information for ICS 400**

The target audience for this course includes senior personnel who are expected to perform in a management capacity at an incident or event. This includes individuals who may serve as Incident Commander or as members of the Command or General Staff, Area Command, or Multiagency Coordination Group/Emergency Operations Center (EOC) management.

This course expands upon information covered in the ICS-100 through ICS-300 courses. These earlier courses are prerequisites for ICS-400.

The course objectives are as follows:

- Explain how major incidents pose special management challenges.
- Describe the circumstances in which an Area Command is established.
- Describe the circumstances in which Multiagency Coordination Systems are established.
- Use of ICS to manage an incident or event.
