The presentation will begin with a brief overview of the mission of OAG and the relevant responsibilities of its various Divisions. The Team will then go into depth about the following:

- **Protected Categories under New Jersey’s LAD**, where and how to file a complaint, and what to expect during the investigation process
- **The NJ Bias Crimes statute**, how bias incidents/ crimes are defined under the law, the Division of Criminal Justice’s role with respect to bias crimes and how to report them
