

Where can I obtain Child Passenger Safety Technician CEU's (Continuing Education Units)?

There are many CEU opportunities you can take advantage of!
See below for a current listing of online and in-person Continuing Education (CEU) courses. Remember, you will need to earn 6 CEU's in order to recertify.

Online and web based resources -

Road Safety for Kids – Online Training

<http://www.safekidswebinars.org/>

This is the new Safe Kids Worldwide and NHTSA online training partnership. The site offers CEU courses for technicians, as well as basic education sessions for parents and caregivers.

UNC Highway Safety Research Center

<http://www.buckleupnc.org/training/index.cfm>

Comments: For CEU's, you must create an account on buckleupnc.org. Techs will only be able to take the quiz and earn CEU credits if they have created an account, are signed in, and have watched the entire video.

NOTE: Non-CEU presentations are also available.

National Child Passenger Safety Board

<http://www.cpsboard.org>

Comments: Three presentations -- one about new child restraints, another combined about boosters and airbags, and a new one called Fact or Fiction. Each presentation is available for download. Details and instructions are available on the Board Website.

CPS Express Newsletter

<http://cert.safekids.org/ResourcesFAQs/CPSExpress.aspx>

See the monthly CPS Express Newsletter for a listing of currently scheduled webinars and other CEU opportunities.

In Person Classes and Training Conferences

11th NHTSA Region 2 Child Passenger Safety Technical Conference

June 24 – 26, 2014

The PennStater Conference Center

215 Innovation Boulevard, State College, PA

At least 6 CEU's and skills sign off from Instructors will be available.

Registration information at <http://www.nj.gov/oag/hts/childseats/childtraining.html>

National Conference on Highway Safety Priorities - Lifesavers 2014 Conference

– Nashville, Tennessee - April 27 - 29, 2014

Child Passenger Safety CEU's can be obtained at this Conference.

See <http://www.lifesaversconference.org> for schedules and information.

Expired CPS Technician Renewal Course

This one day course is for those whose Certification status has expired. The course is usually offered several times per year. It is not a training course, you must test and demonstrate skills to regain certification.

Go to the CPS Certification website: <http://cert.safekids.org/>

Search for available classes under - "FIND A COURSE". Course type is "RENEWAL" and search is by state.
