STATE OF NEW JERSEY
BUREAU OF SECURITIES
153 Halsey Street
P.O. Box 47029
Newark, New Jersey 07101

In the Matter of)
UBS FINANCIAL SERVICES, INC.,)
Respondent.) **ADMINISTRATIVE CONSENT ORDER**

WHEREAS, UBS Financial Services, Inc. ("UBS") is a broker-dealer registered in the state of New Jersey, with a Central Registration Depository ("CRD") number of 8174; and

State securities regulators, as part of a North American Securities Administrators Association ("NASAA") working group (the "NASAA Working Group"), have conducted an investigation ("multi-state investigation") into the registration of UBS Client Service Associates ("CSAs") and UBS's supervisory system with respect to the registrations of CSAs; and

UBS has cooperated with state securities regulators and the NASAA Working Group conducting the investigation by responding to inquiries, providing documentary evidence and other materials, and providing access to facts relating to the investigations; and

UBS has advised the NASAA Working Group of its agreement to resolve the investigation pursuant to the terms specified in this Consent Order (the "Order") and pursuant to the multi-state resolution recommended by the NASAA Working Group; and

UBS has made certain changes in its supervisory system with respect to the registration of CSAs, and will make certain payments in accordance with the terms of this Order; and

UBS elects to waive permanently any right to a hearing and appeal under N.J.S.A. 52:14B-1 et seq. with respect to this Order; and

Solely for the purpose of resolving the multi-state investigation, and in settlement of the issues contained in this Order, UBS, without admitting or denying the findings of fact or conclusions of law contained in this Order, consents to the entry of this Order.

NOW, THEREFORE, the Bureau Chief, as administrator of the Uniform Securities Law

1 (1997), N.J.S.A. 49:3-47 et seq. ("Securities Law"), hereby enters this Order:

2 I.

3 **FINDINGS OF FACTS**

4 1. UBS admits the jurisdiction of the Bureau of Securities ("Bureau") in this matter.

5 Background on Client Service Associates

6 2. The CSAs function as sales assistants and typically provide administrative and sales
7 support to one or more of UBS's Financial Advisors ("FAs"). For the period 2004-2010 there were
8 different titles within the CSA position, including Client Service Associate, Registered Client
9 Associate, and Senior Registered Client Service Associate.

10 3. The responsibilities of CSAs specifically include, among other things:

- 11 a. Extending invitations to UBS-sponsored events;
- 12 b. Providing published quotations to clients, if asked;
- 13 c. Inquiring whether a current or prospective client wishes to discuss investments with
14 a registered representative of UBS; and
- 15 d. Entering an order, provided the order was accepted by an appropriately registered
16 individual in those instances where the CSA is not registered in the state in which
17 the client is located.

18 4. In addition to the responsibilities described above, and of particular significance to this
19 Order, some CSAs are permitted to accept orders from clients. As discussed below, UBS's written
20 policies and procedures require that any CSAs accepting client orders first obtain the necessary
21 licenses and comply with self-regulatory organization and state registration requirements.

22 5. UBS issued a revised policy on registration requirements on March 28, 2007, which
23 stated, inter alia, that managers are responsible for ensuring that all employees under their
24 supervision are appropriately registered and licensed to perform the functions of their position.

25 6. During the period of 2004 to 2010, UBS employed, on average, approximately 2,277
26 CSAs per year.

Registration Required

7. Under the Securities Law, a person may not act as an agent in New Jersey unless registered or exempt from registration. N.J.S.A. 49:3-56(a)

8. Pursuant to the general prohibition under N.J.S.A. 49:3-56(a), a person cannot accept unsolicited orders in New Jersey without being registered.

9. Pursuant to N.J.S.A. 49:3-56(h), it shall be unlawful for any broker-dealer to employ an agent in New Jersey unless the agent is registered.

UBS Requires Registration of Client Service Associates

10. UBS requires CSAs to become properly registered, licensed, and appointed with the necessary self-regulatory organizations, state regulators, and business entities before taking solicited or unsolicited transaction orders from clients in securities or other financial products, receiving transaction-related compensation, or otherwise engaging in the offer or sale of securities or other financial products.

11. UBS's policies and procedures state that CSAs engaging in securities activities must register in, at a minimum, the state from which they conduct business (i.e. home state).

12. Additionally, UBS also required CSAs to register in states in which a CSA anticipated:

- a. Maintaining an additional place of business;
- b. Prospecting clients;
- c. Soliciting new accounts;
- d. Servicing existing accounts; or
- e. Effecting any securities transactions and/or receiving compensation as a result of such transactions.

1 Regulatory Investigation and Findings

2 13. In March 2010, state securities regulators initiated an investigation into the practices of
3 UBS in connection with its CSA registrations.

4 14. The multi-state investigation focused on systemic issues with UBS's CSA registrations
5 and related supervisory structure instead of attempting to identify each incidence of unregistered
6 activity. Specifically, with respect to the order entry process, the investigation found:

- 7 a. After accepting a client order, UBS CSAs accessed UBS's automated Consolidated
8 Order Entry System ("COE") to enter the order;
- 9 b. When entering an order through the COE, CSAs were asked by the system "Did
10 another person receive this order?" If the question was answered "no," the order
11 was processed. If the question was answered "yes," a free text field appeared for
12 the CSA to enter the name or employee code of the person who accepted the order;
- 13 c. In some instances, when this question was answered "yes," CSAs did not include a
14 name or code of the employee who accepted the order in the free text field. In other
15 instances, the free text field did not contain accurate identifying information about
16 the employee who accepted the trade;
- 17 d. Further, while UBS maintained a system to verify that the FA of record for a
18 particular account was registered in the state where the client resided, UBS did not
19 maintain a system to verify the registration status of the employee accepting a client
20 order when that employee was not the FA for the account.

21 15. The multi-state investigation found that on certain occasions some UBS CSAs, while
22 Series 7 registered and registered in one or more other states, accepted unsolicited orders to buy or
23 sell securities from clients residing in New Jersey at times when the CSAs were not appropriately
24 registered in New Jersey.
25
26

1 UBS's Remedial Measures and Cooperation

2 16. In November 2010, after the initial inquiry by state securities regulators, UBS enhanced
3 the COE System to automatically validate the registration of employees during the order entry
4 process.

5 17. Specifically with respect to branch support staff (i.e. CSAs), employees are now
6 required to indicate the person who directly accepted the order from a client by selecting "self" or
7 "other" within the electronic ticket on the COE.

8 18. If a CSA selects "self", the COE validates whether the CSA who accepted the order is
9 properly registered in the state where the client resides.

10 19. If a CSA selects "other," the CSA must provide identifying information of the person
11 who accepted the order. The COE system subsequently validates whether the identified person
12 who accepted the order is properly registered in the state where the client resides.

13 20. If the identified person is not properly registered in the client's state of residence, the
14 order is routed for to branch management who must ensure that a properly registered person
15 accepts or confirms the order before execution.

16 21. UBS provided timely responses and substantial cooperation in connection with this
17 regulatory investigation.

18 **II.**

19 **CONCLUSIONS OF LAW**

20 1. The Bureau has jurisdiction over this matter pursuant to the Securities Law.

21 2. UBS's failure to establish an adequate system to monitor the registration status of
22 persons accepting client orders constitutes a failure to establish a reasonably designed supervisory
23 system and/or failure to establish, maintain and enforce reasonable designed procedures pursuant to
24 N.J.S.A. 49:3-58(a)(2)(xi) .

25 3. UBS's maintenance of order tickets which do not accurately identify the person who
26

1 accepted client orders constitutes a failure to make and keep accurate books and records pursuant
2 to N.J.S.A. 49:3-59(b).

3 4. Pursuant to N.J.S.A. 49:3-56(a), UBS's acceptance of orders for purchases and sales
4 of securities from clients residing in New Jersey through CSAs not registered in New Jersey
5 constitute violations of N.J.S.A. 49:3-56(h) for the employment of unregistered agents and is a
6 basis for the issuance of an Order assessing a penalty against UBS.

7 5. Pursuant to the Securities Law, UBS's acceptance of orders for purchases and sales
8 of securities in New Jersey through agents not registered in New Jersey constitutes a basis to order
9 UBS to cease and desist engaging in the sale of securities in New Jersey through unregistered
10 agents.

11 6. Pursuant to N.J.S.A. 49:3-70.1, each violation described above constitutes a basis
12 for the assessment of an administrative penalty against UBS.

13 7. The Bureau Chief finds the following relief appropriate and in the public interest.
