ADMINISTRATIVE CONSENT ORDER

WHEREAS, J. P. Morgan Securities, LLC. (“JPMS”) is a broker-dealer registered in the state of New Jersey, with a Central Registration Depository number of 79; and

State securities regulators from multiple jurisdictions have conducted an investigation into the registration of JPMS sales assistants (“SAs”) and JPMS’s supervisory systems with respect to the registration of SAs; and

JPMS has cooperated with regulators by responding to inquiries, providing documentary evidence and other materials, and providing regulators with access to facts relating to the investigations; and

JPMS has advised regulators of its agreement to resolve the multi-state investigation pursuant to the terms specified in this Consent Order (“Order”); and

JPMS agrees to make, and already has made, certain remedial changes to its registration policies, supervisory procedures, and order entry systems, and agrees to make certain payments in accordance with the terms of this Order; and

JPMS elects to permanently waive any right to a hearing and appeal under N.J.S.A. 52:14B-1 et seq. with respect to this Order; and

JPMS agrees that the scope of the multi-state investigation is from January 1, 2004 through December 31, 2011; and

Solely for the purposes of terminating the multi-state investigations, and in settlement of the issues contained in this Order, JPMS, without admitting or denying the findings of fact or conclusions of law contained in this Order, consents to the entry of this Order.

NOW, THEREFORE, the Bureau Chief, as administrator of the Uniform Securities Law (1997), N.J.S.A. 49:3-47 et seq. (“Securities Law”), hereby enters this Order:

**I.
STATEMENT OF FACTS**

1. JPMS admits the jurisdiction of the Bureau of Securities (“Bureau”) in this matter.

Relevant JPMS Business Units

2. JPMS’s legacy wealth management business unit was referred to as Private Bank within JPMS. A review of Private Bank SAs was included in the scope of this investigation.

3. In July of 2006, the legacy brokerage unit of Banc One Securities Corporation, then known as the Private Wealth Management (“PWM”) business unit, was operating in J.P. Morgan Securities Inc., the predecessor broker-dealer to JPMS. A review of PWM SAs was included in the scope of this investigation.

4. In October 2008, the legacy brokerage unit of Bear, Stearns & Co. Inc. known as Private Client Services (“PCS”) was operating in J.P. Morgan Securities Inc., the predecessor broker-dealer to JPMS. A review of PWM SAs was included in the scope of this investigation.

Sales Assistant Registration Policies

5. For JPMS’s legacy Private Bank, PWM, and PCS business units, SAs provided administrative and sales support to one or more JPMS brokers. Many SAs, as part of their support function to brokers, directly accepted and entered orders from clients.

Private Bank

6. SAs for Private Bank were generally not assigned to specific brokers but rather assisted all brokers in the respective offices in which they were located.

7. Private Bank SAs primarily supported one or more brokers in all facets of the daily business of Private Bank, including contacting clients, maintaining accounts, and accepting client orders.

8. Notably, all Private Bank SAs authorized to accept orders must comply with a 50 state registration policy and compliance with this policy was confirmed prior to granting access to the order entry system.

Private Wealth Management

9. Like Private Bank SAs, PWM SAs were generally not assigned to specific brokers but rather assisted all brokers in the respective offices in which they were located.

10. PWM SAs primarily supported one or more brokers in all facets of the daily business of PWM, including client support, maintaining accounts, and accepting client orders.

11. From 2006 through 2008, JMPS's PWM endeavored to register SAs that were authorized to accept client orders in the same states as the broker(s) they supported, but PWMSAs were generally not registered in all 50 states.

12. In 2009, PWM adopted Private Bank's 50 state registration policy for all SAs who were authorized to accept client orders.

Private Client Services

13. Unlike SAs for Private Bank and PWM, SAs for PCS were generally assigned to support specific brokers.

14. PCS SAs' primary role was to support one or more brokers in all facets of the daily business of PCS, including extensive client contacts, reviewing account activity, and accepting orders from clients.

15. PCS policies required PCS SAs who were authorized to accept client orders to be registered in the same state as the broker(s) they supported, but PCS SAs were generally not registered in all 50 states. The multi-state investigation revealed that, in some instances, there were PCS SAs that were authorized to accept client orders but not registered in the same state as the broker(s) they supported.

Unlicensed Sales Assistants

16. Consistent with Private Bank's 50 state registration policy, the multi-state investigation did not find that Private Bank SAs accepted orders without appropriate state registrations.

17. However, the multi-state investigation concluded that certain SAs for PWM and PCS accepted unsolicited orders at times when the SAs were not appropriately registered in New Jersey.

Failure to Comply with Books & Records Requirements

18. At all relevant times, Private Bank has utilized an order entry system called TOPAZ.

19. Prior to October of 2008, PWM utilized an order entry system called Streetscape. In connection with each order, Streetscape recorded, among other information, the identity of the person who accepted the order from the client. In October of 2008, PWM transferred from Streetscape to TOPAZ.

20. Prior to February of 2011, TOPAZ did not specifically record the identity of the order acceptor (as distinct from the order enterer) and JPMS did not in all instances maintain a separate record to identify the order acceptor for equity or mutual fund trades. Furthermore, prior to June of 2011, TOPAZ did not specifically record the identity of the order acceptor (as distinct from the order enterer) and JPMS did not in all instances maintain a separate record to identify the order acceptor for fixed income and structured product trades.

21. N.J.S.A. 49:3-59(b) requires every registered broker-dealer to make and keep books and records which conform to rules prescribed by the SEC. To that end, a registered broker-dealer is required to comply with SEC Rule 17a-3.a.(6)(i), which requires each broker-dealer to make and maintain a memorandum of each brokerage order. In addition to other information, this memorandum is required to show the identity of any person, other than the employee responsible for the account, who accepted a client order. The memorandum need not show the identity of any person, other than the agent responsible for the account, who entered or accepted the order if the order is entered into an electronic system that generates the memorandum and if that system is not capable of receiving an entry of the identity of any person other than the responsible agent; in that circumstance, the dealer shall maintain a separate record that identifies each other person.

Remedial Efforts

22. JPMS has implemented a number of enhancements in its legacy PCS division since this investigation began, including implementing a new trading system with additional blocking mechanisms and the ability to confirm the registration status of order acceptors.

23. JPMS has further enhanced its registration, compliance training, and written compliance policies.

24. As noted above and as a result of the multi-state investigation, JPMS updated the TOPAZ system to record the identity of the order acceptor in the electronic order system.

25. JPMS provided substantial cooperation in connection with this regulatory investigation.

II.

CONCLUSIONS OF LAW

1. The Bureau has jurisdiction over this matter pursuant to the Securities Law.
2. JPMS failed to establish an adequate supervisory system to monitor the registration status of persons accepting client orders, which constitutes a failure to establish a reasonably designed supervisory system and/or failure to establish, maintain and enforce reasonable designed procedures pursuant to N.J.S.A. 49:3-58(a)(2)(xi).
3. JPMS's failure to ensure its SAs were registered in accordance with JPMS's written procedures constitutes a failure to enforce its established written procedures, and is pursuant to N.J.S.A. 49:3-58(a)(2)(xi), a basis for the issuance of an Order assessing a penalty against JPMS.
4. JPMS's acceptance of orders in New Jersey through SAs who were not properly registered in New Jersey constitutes violations of N.J.S.A. 49:3-56(h) for employment of unregistered agents and is the basis for an order assessing a penalty against JPMS.
5. JPMS's failures, in certain instances, to record the identity of the person accepting client orders entered through the TOPAZ system until June of 2011 constitute failures to make and keep accurate books and records in violation of N.J.S.A. 49:3-59(b).
6. Pursuant to N.J.S.A. 49:3-70.1, the violations described above constitute basis for the assessment of a civil monetary penalty against JPMS.
7. The Bureau Chief finds the following relief appropriate and in the public interest.

III.
ORDER

On the basis of the Statement of Facts, Conclusions of Law, and JPMS's consent to the entry of this Order,

IT IS HEREBY ORDERED:

1. This Order concludes the investigation by the Bureau and any other action that the Bureau could commence against JPMS under applicable New Jersey Securities Law on behalf of New Jersey as it relates to unregistered activity in New Jersey by JPMS's SAs and JPMS's supervision of SAs' registration status during the period from January 1, 2004 through December 31, 2011.

2. This Order is entered into solely for the purposes of resolving the referenced multistate investigation, and is not intended to be used for any other purpose. For any person or entity not a party to the Order, this Order does not limit or create any private rights or remedies against JPMS including, limit or create liability of JPMS, or limit or create defenses of JPMS, to any claims.

3. JPMS is hereby ordered to pay the sum of fifty thousand four hundred and sixty dollars (\$50,460.00) to the Bureau within 30 days of the date of this Order as a civil monetary penalty which shall be payable as follows: State of New Jersey, Bureau of Securities. All funds shall be delivered to the Bureau of Securities, 153 Halsey Street, 6th Floor, Newark, New Jersey 07102, and shall be deposited in the Securities Enforcement Fund pursuant to N.J.S.A. 49:3-66.1.

4. This Order is not intended by the Bureau to subject any Covered Person to any disqualifications under the laws of the United States, any state, the District of Columbia, Puerto Rico, or the U.S. Virgin Islands, or under the rules or regulations of any securities or commodities regulator or self-regulatory organization, including, without limitation, any disqualification from relying upon the state or federal registration exemptions or safe harbor provisions. "Covered Person" means JPMS or any of its affiliates and their current or former officers, directors, employees, or other persons that could otherwise be disqualified as a result of the Orders (as defined in paragraph 5 below).

5. This Order and the order of any other State in any proceeding related to JPMS's agreement to resolve the above referenced multi-state investigation (collectively, the "Orders") shall not disqualify any Covered Person from any business that they otherwise are qualified, licensed or permitted to perform under applicable securities laws or regulations of New Jersey and any disqualifications from relying upon this state's registration exemptions or safe harbor provisions that arise from the Orders are hereby waived.

6. This Order shall be binding upon JPMS and its successors and assigns as well as to successors and assigns of relevant affiliates with respect to the conduct subject to the provisions above and all future obligations, responsibilities, undertakings, commitments, limitations, restrictions, events, and conditions.

Dated this 1st day of May, 2014.
