

# RULE PROPOSALS

## INTERESTED PERSONS

Interested persons may submit comments, information or arguments concerning any of the rule proposals in this issue until the date indicated in the proposal. Submissions and any inquiries about submissions should be addressed to the agency officer specified for a particular proposal.

The required minimum period for comment concerning a proposal is 30 days. A proposing agency may extend the 30-day comment period to accommodate public hearings or to elicit greater public response to a proposed new rule or amendment. Most notices of proposal include a 60-day comment period, in order to qualify the notice for an exception to the rulemaking calendar requirements of N.J.S.A. 52:14B-3. An extended comment deadline will be noted in the heading of a proposal or appear in subsequent notice in the Register.

At the close of the period for comments, the proposing agency may thereafter adopt a proposal, without change, or with changes not in violation of the rulemaking procedures at N.J.A.C. 1:30-6.3. The adoption becomes effective upon publication in the Register of a notice of adoption, unless otherwise indicated in the adoption notice. Promulgation in the New Jersey Register establishes a new or amended rule as an official part of the New Jersey Administrative Code.

#### OFFICE OF ADMINISTRATIVE LAW

##### Notice of Extension of Comment Periods for Certain Notices of Proposal Published in the October 19, 2015, New Jersey Register

**Take notice** that, with the permission and on behalf of the State agencies affected, the Office of Administrative Law announces that the comment periods for the notices of proposal from the Departments of Environmental Protection, Human Services, and Children and Families, and the Election Law Enforcement Commission, published in the October 19, 2015, New Jersey Register are hereby extended an additional 10 days. The extension of these comment periods is necessitated by a disruption in the mail delivery of that issue of the New Jersey Register, in order to provide the public with the amount of time to comment set forth in the notices of proposal. The other notice of proposal published in that issue of the New Jersey Register, from the Individual Health Coverage Program Board, is subject to a special rulemaking process under N.J.S.A. 17B:27A-16.1 in which the comment period is independent of New Jersey Register publication.
