Good afternoon Jamie:

Thank you so much for contacting NHSSI, we would be happy to assist you!

The price for painted bowls is .19 each and .5 a piece for the white/unpainted bowls. We also charge for shipping, the cost of which depends on the amount of bowls that you require and where they are to be shipped.

Please be advised that we prefer payments remitted via a credit card. Credit card payments can be made by going to www.nhssi.org, (1st click on "donations" and then input the total amount of the remittance). Checks are to be made payable to "New Horizon Supported Services, Inc."

An invoice will be emailed to you and included with the shipment to indicate that they remittance was for the purchase of Bee bowls (as opposed to a donation)

The first step in this process is to advise me as to (1) the total # of bowls in question (i.e. how many white, yellow, and unpainted you need) and (2) an exact address where they are to be shipped. I can then advise you how much your order will cost and when it will be mailed out

Thanks and have a "BEE" utiful day
