Co-Sponsored by the NJ Pinelands Commission & the Pinelands Municipal Council

ATTENTION: MAYORS; COUNCIL/COMMITTEE MEMBERS; PLANNING/ZONING/LAND-USE BOARD MEMBERS; ENVIRONMENTAL COMMISSION MEMBERS; MUNICIPAL CLERKS: As a local official who serves a community affected by the New Jersey Pinelands Comprehensive Management Plan (CMP), you will want to attend this Pinelands orientation. While this 3½ hour seminar is especially helpful to newly elected or newly appointed officials, it's also a great opportunity for any local official to meet the Pinelands Commission Executive Director and senior staff and to discuss Pinelands issues from a local perspective.

Learn how your community's master plan and zoning ordinances relate to the Pinelands CMP and how the permitting of development is coordinated at the State, Regional, County and Municipal levels. Find out how you can get quick answers to questions your constituents have about Pinelands programs and regulations.

Cost? There is none! Most importantly, this is also an opportunity to meet and network with other local officials from throughout the Pinelands region. We look forward to seeing you on Tuesday, July 25, 2017. Attire is casual. **Dinner will be provided at no cost.** A map of the location is attached. **If you plan to attend, simply please return the attached registration form.**
