Because the State's budget has not yet been approved, state offices, including the New Jersey Pinelands Commission, are temporarily closed.

The Commission's Personnel and Budget Committee meeting scheduled for Thursday, July 6, has been postponed as a result of the office closure. If you are uncertain about a meeting, please check the Commission's Web site for further details or call our office the day of the meeting.

We apologize for the inconvenience and hope that the shutdown is temporary.
