## **CONSTRUCTION ADVISORY – UPDATE**

### **\*\* EAST 12<sup>th</sup> STREET AND 4<sup>th</sup> AVENUE, CITY OF PATERSON\*\***

(Newark) – In 2015, the Passaic Valley Sewerage Commission ("PVSC") began the scheduled rehabilitation of its Main Interceptor Sewer within 4<sup>th</sup> Avenue between East 12<sup>th</sup> Street and River Road, within the City of Paterson.

On or about April 1, 2016, rehabilitation work along East 12<sup>th</sup> Street and 4<sup>th</sup> Avenue will resume and continue until October 2016. *(This is being done to coincide with additional work along 5<sup>th</sup> Avenue between the New Jersey Transit Railroad and East 11<sup>th</sup> Street in Paterson.)*

The Passaic Valley Sewerage Commission recognizes that this project will have an impact on the local community and we apologize for any inconvenience; however, the infrastructure work is essential and necessary to the health and safety of all residents within the PVSC Service District.

Throughout the course of the project, PVSC will continue to provide updates to residents and commuters regarding the status of the work. The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check the home page of the PVSC website at [www.nj.gov/pvsc](http://www.nj.gov/pvsc) for further travel information.
