PVSC Recognizes Local Businesses With Perfect Environmental Compliance Records

Newark, NJ – For the 22nd consecutive year, the Passaic Valley Sewerage Commission (PVSC) is recognizing companies that operated in the previous calendar year without having incurred a single effluent (wastewater discharge) or reporting violation.

PVSC service area companies who qualify as Significant Industrial Users are issued Sewer Use Permits that include limits for the quality of effluent the companies may discharge into the sewer system. These companies must also monitor and report on their discharges to PVSC on a monthly basis. Compliance violations occur when a company fails to file its monthly report on time or exceeds its permitted discharge limits.

Each facility that goes a full calendar year without a single violation earns a PVSC Permit Compliance Award. Included among this year’s honorees is Handy Store Fixtures of Newark, which has earned a perfect compliance record every year since PVSC began giving out the award in 1995. Sika Corporation of Lyndhurst has earned the award in 20 consecutive years. Darling International of Newark and Marcal Manufacturing of Elmwood Park have earned the award 15 and 14 consecutive years, respectively. Several companies have earned the award for a full decade or more.

“Compliance is not easy or inexpensive, but these businesses do it, year after year, because they’ve made a commitment to their communities to operate in an environmentally responsible way,” said Executive Director Gregory Tramontozzi. “As part of our ongoing mission of improving the environment in PVSC’s service area, the Commissioners and I are very pleased to honor 100-plus companies that have put forth the effort and commitment to meeting their Sewer Use Permit requirements.”

“I would equate this to a driver not exceeding the speed limit even once during an entire year,” added PVSC Director of Inspection and Compliance Herbert Skinner. “In the case of most of these award winners, it’s like not exceeding the speed limit for many years.”

A complete list of the honorees follows on the next several pages.
