Content Note

This series consists of an incomplete run of the Department of Institutions and Agencies' monthly publication, the *Welfare Reporter*. Articles in this publication discuss the various aspects of health, welfare and penology. Included are profiles of administrators and employees, stories on specific institutions, and discussions of trends in the care and treatment of those entrusted to the Department of Institutions and Agencies.

NOTE: The New Jersey State Library holds a complete run of the *Welfare Reporter* from May 1946 to January 1972, when it ceased to be published. It is not clear why "interim" issues were published between 1952 and 1955. Interim Issue 27 (April 1955) includes a subject and name index for all of the interim issues (copy attached).
