Content Note

This series consists of an incomplete set of *The Village Quarterly*, published from December 1924 to at least April 1944 by the printing class at the State Village. Issues generally include announcements of upcoming events, news from each of the residential cottages and the various Village industries, Village sports scores, as well as notes on activities from the various classrooms. Poetry (presumably original works of patients and perhaps staff) is also included in most issues.

NOTE: In several cases the volume covers of the *Quarterly* indicate that they contain issues numbered V, when only four issues were published. Volumes VI, XVIII, and XX no. 1 are missing; it is not known whether publication continued after April 1944.
