### Welcome to South Orange Performing Arts Center

Please note that parking in the area is extremely limited. There is metered parking and “pay at the kiosk” parking but those areas are often full on weekdays.

If at all possible, we urge you to take the NJ Transit train to South Orange. The South Orange station is literally steps away from SOPAC and is extremely convenient.

If you plan to drive, we have arranged with the Village of South Orange to transport attendees from a parking lot a few blocks from SOPAC. We will be running a jitney service that will transport you. The parking lot is off 3<sup>rd</sup> Street, and is called Waterlands.

You can take South Orange Avenue to Church Street (take a left or right depending on the direction of your approach), then take a left on 3<sup>rd</sup> Street, and then a right into the Waterlands Parking area.

Directional signs will be put out on these local streets to help you find the lot.

Please call the SOPAC box office if you have any questions. The phone number is 973.313.2787
