FOLK ARTS SUPPORT

The New Jersey State Council on the Arts recognizes that diversity is one of New Jersey's most significant and valuable characteristics. The state's many geographic and demographic settings -- from mountains to coastal plains, from farms to city neighborhoods -- are interwoven with communities whose traditional folk arts and crafts are valued ways of expressing identity and strengthening group ties. Support for these traditional arts and artists contribute to social stability and harmony at the same time that it increases the dynamic array of artistic resources of the state.

The folk arts and crafts are those that are traditionally learned as part of the lifestyle of a community whose members share identity based upon ethnic origin, religion, occupation, or geographical region. Highly varied, these traditions are shaped by the aesthetics and values of the community and are *passed from generation to generation*.

Some are fleeting -- the decorative *mehendi* painted on a Rajastani Indian bride's hands before her wedding; the Karpathian Greek *mandinathes*, composed and sung for the funeral of a friend. Others are enduring -- a finely crafted *cuatro*, the ten-stringed guitar that is the hallmark of Puerto Rican *jibaro* music; a Seabright skiff used by Monmouth County lifeguards. Some are part of festival -- West African-derived Trinidadian stilt dances performed for Carnival. Others are for daily life -- the strip quilts made by African American women; the brightly-colored grape baskets woven by Palestinian women. Some are endangered arts and art forms that help preserve endangered languages such as the Native American courting flute or the distinct dialect spoken by Khmer Krom (Cambodian-Vietnamese). All of these and many, many others are practiced in New Jersey.

Through its **Folk Arts Program**, the New Jersey State Council on the Arts provides support tailored to the needs of communities and their traditional folk artists and folk arts activities. Grants to Organizations support community based folk arts activities, as well as events and projects that bring them to other audiences. ◆◆◆

FOLK ARTS APPRENTICESHIP GRANTS

Folk Arts Apprenticeship Grants encourage communities to continue passing on their valued traditions in traditional settings, by providing stipends so that master folk artists and craftsmen can help apprentices develop greater skill. Since 1995, these grants have supported apprenticeships in many different cultural communities, reflecting the rich array of traditional arts in our state. A list of art forms that have been supported in the past is presented on page 5.

AWARDS

- ◆ Apprenticeship awards will vary with the proposed work plan, but will not exceed \$3,000. At least 80% of the award must be used to compensate the master for his or her time, with the remainder used for travel, materials, or supplies.

WHEN THE APPRENTICESHIP CAN TAKE PLACE

- ◆ The grant period for the Apprenticeship Program is July 1, 2013 to June 30, 2014.

WHO MAY APPLY

- ◆ A master folk artist is someone who has learned a traditional art as part of community life and has attained a high level of excellence in the eyes of other community members. An apprentice is someone from the same cultural group who has demonstrated ability and commitment to learning and practicing the traditional art of the master.
- ◆ Apprentices must be at least eighteen years of age at the time of this grant application deadline and must be residents of New Jersey. Students enrolled in out-of-state educational institutions are eligible as long

GUIDELINES

as they retain their NJ resident status. Verification of residency will be required. Apprentices are encouraged to work with master folk artists who are also residents of New Jersey whenever possible.

- ◆ Master and apprentice should be members of the same cultural group that share identity based on religion, occupation, ethnicity, language, or location and have learned the art or craft in traditional community settings rather than formal public institutions.
- ◆ Apprenticeships are eligible for funding for a second year. Second-year applicants must include a description and support materials that demonstrate the progress made during the first year of the apprenticeship.
- ◆ Apprentices who have received two consecutive years of Council Apprenticeship funds may not reapply to the program for the next three consecutive years.
- ◆ Grant funds may not be used for foreign travel, hospitality costs, capital improvements, the purchase of permanent equipment or to support on-going, school-based classes.
- ◆ One application per apprentice per year may be submitted.
- ◆ A master artist may be proposed by no more than two apprentice applicants in a single grant cycle. It is the responsibility of the applying apprentice and the master to comply with this requirement. If two apprenticeships that include the same master are funded, the training must still be conducted one-on-one and not in a group or class setting.

REQUIREMENTS

- ◆ Lessons should be one-on-one unless the art form can only be performed with another person. This program does not fund group classes.
- ◆ The master and the apprentice must develop the work plan together. The work plan should set out clear goals and a structure to achieve them including the content and sequence of the sessions.

- ◆ The application must be submitted in English, preferably using the computer generated form, but it may be typewritten, or legibly handwritten.
- ◆ The master and the apprentice each complete their designated section of the application and submit support materials that demonstrate their levels of skill.
- ◆ The apprentice is financially and legally responsible for the grant. He or she receives the funds, pays the master, and provides the final report.
- ◆ Apprenticeships are carried out any time between July 1, 2013 and June 30, 2014.
- ◆ The apprentice and master both file final reports with the NJSCA after completing the apprenticeship. Forms will be provided by Council staff.
- ◆ Public access to folk arts is an important vehicle for increased appreciation and understanding of other cultures. The NJSCA will endeavor to develop public program opportunities and will encourage masters and apprentices to participate.

HOW APPLICATIONS ARE EVALUATED

The panel of folk arts specialists will review each application on the following criteria:

- ◆ **Excellence** of the master artist, as demonstrated in support materials
- ◆ **Preparation and commitment** of the apprentice, as demonstrated in support materials and indicated in application
- ◆ **Shared cultural heritage** of master and apprentice
- ◆ **Traditionality** of the art form within the shared community of the master and apprentice
- ◆ **Adequacy** and appropriateness of the work plan and budget

PRIORITIES

The Council will place a higher priority for support for applications that represent:

- ◆ **Endangered arts** and arts that help preserve **endangered languages** that are disappearing due to the lack of master artists, materials, marketable means to attract the general public or the community's youth population.
- ◆ **Community based** that are valuable to communities, but not likely involved in professional individual networks or taught in a formal or institutional process.
- ◆ **The broad diversity of communities and art forms** of the state that have not previously been supported through the Apprenticeship program.

SUPPORT MATERIALS

A complete application includes support materials from both the master and the apprentice. These materials are the most important means for assessing the artistry and achievement of the applicants. It is to the advantage of the applicant to provide audiovisual materials of the best quality and to follow instructions carefully. Materials should be relevant to and focus on the traditional art form. Work samples should demonstrate both the community content of the art form and the virtuosity of the master and apprentice. Be sure to identify the master and master's work and apprentice and apprentice's work on tapes, CDs, etc.

Please bear in mind that the panel will spend a limited amount of time with the work sample submitted. Therefore, it is important for the applicant to select the best sample that clearly and effectively demonstrates the quality of both the master's and apprentice's work.

For *crafts* and *visual arts*, please submit six images on CD or in hard copy -- three of the master's work and three of the apprentice's. On the CD provide a caption with the name of the artist and the number of the slide. Complete the "Image Support Materials" section of the application. On the form write the name of the artist and the number of the image and describe in detail the art or craft that is pictured in the image. Attach the CD to the form.

For *musical* and *spoken arts*, please submit two audiotapes, CDs, DVDs or videotapes, one of the master and one of the apprentice. Videotapes should be 1/2 inch VHS format. Label each tape or disk with the name of the artist and "#1" for the master artist and "#2" for the apprentice artist. The tape, DVD or CD may be of an entire performance. However, since the panelists may view or listen to the tapes, DVDs or CDs for no more than a total of six minutes for each application, be sure that you cue each tape to the three-minute segment or indicate the CD or DVD track(s) that best demonstrates the artistic quality of the artist.

Dance applicants should be sure the videotapes show the performer's entire body, including the feet, and that the performance includes the most important skills for the art form.

On Page A-8 of the application, complete the "Tape/CD/DVD Support Materials" section. Write the name of the artist, the title of the work, and the date and place of the performance. If the tape, DVD or CD portrays the master and/or apprentice with others in a group, explain how the panel can identify the master or apprentice. Provide a description of the art form, including the instruments played (if any) and any other important information, such as the symbolism of the art form or its traditional usage.

Other documents that may be submitted, but are not required, include a biography of the artists, articles about them or the art form, photographs, publications, or a maximum of two letters of support from people who are familiar with the work of the artist and knowledgeable about the traditional art form. No more than five other documents may be submitted.

The Council must retain the support materials of successful applicants. Therefore, it is best not to send your only copy of a tape, DVD or CD. If your application is not funded and you would like the slides, audiotapes, CDs or DVDs or videotapes returned, please include a stamped, self-addressed mailer of adequate size and postage.

APPLICATION PROCESS

There are several ways to receive assistance in applying for a Folk Arts Apprenticeship grant. ***We encourage all potential applicants to contact Folk Arts Program Coordinator Kim Nguyen to discuss the application and how best to develop it.*** Call the Council at (609) 292-6130 or (609) 292-4495, or e-mail kim.nguyen@sos.state.nj.us. NJSCA staff will also conduct workshops to assist applicants at sites around the state. Contact the Folk Arts Program Coordinator to schedule a workshop specifically for your community or organization. In addition, you may also receive assistance with your application from a folk cultural specialist at one of the folklife programs around the state. See the directory of folklife programs on page 6 for contact information.

EVALUATION PROCESS

All applications will be reviewed by a panel of experts in folk arts and traditional culture. They will assess the quality of each application, based upon How Applications Are Evaluated listed on page 2. A Council committee will then review the panel's evaluations and make funding recommendations to the full Council. The Council plans to vote on those recommendations at its annual meeting in July 2013 and applicants will be notified in writing soon thereafter.

PAYMENTS AND REPORTING

The first payment, 85% of the award, will be advanced to the apprentice after he or she has completed and returned the grant contract. The final 15% of the award will be made after the final report has been accepted as a reimbursement. Final reports will be due by July 30, 2014, and will include a description of the work completed and a brief accounting of expenditures.

Please Note: Funds awarded through an apprenticeship grant may be taxable. It is not possible for the NJSCA to determine this for individuals. If it is a matter of concern for you, please contact a tax specialist or the IRS for information on how receipt of an award will affect your tax situation.

DEADLINE

One original and 7 copies of the application along with support materials must be postmarked or delivered to the New Jersey State Council on the Arts **no later than April 3, 2013**. Address all applications to:
