Baseline Document Change Announcement

Access Design Guidelines

BDC12T-01

Date: March 6, 2012

SUBJECT: Access Design Guidelines, 2012

The Access Design Guidelines, 2012 are hereby released. Major changes to the 2008 Edition of the Access Design Guidelines are as follows:

1. The language changes and definitions for Temporary Site Mitigation Work and Temporary Site Mitigation Work (Access) are new.
2. The Office of Access Design (OAD) will now send both a Lot Owner Access Concurrence form and a Lot Owner Lease Agreement form (new document) to property owners with proposed access alterations.
3. Plus various other minor format and language changes were made.

This Announcement supersedes the following document:
BDC08T-01, dated Jan. 24, 2008 entitled Release of the 2008 Access Design Guidelines.

Implementation Code R (ROUTINE)

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
