Baseline Document Change Announcement

ANNOUNCEMENT: BDC15D-03

DATE: November 24, 2015

SUBJECT: Rumble Strip Detail at (WIM) Location
Revised CD-610-5 of the 2007 Standard Roadway Construction
Details

REFERENCE: Skip Rumble Strip at Weigh-in-Motion (WIM) systems
Revised Subpart 610.03.07 and Subsection 610.04 of the 2007
Standard Specifications for Road and Bridge Construction.
BDC15S-11 dated November 23, 2015

The Standard Construction Details sheet CD-610-5 has been revised to add a note to protect the weigh-in-motion (WIM) system from damage by skipping the rumble strip construction in the vicinity of the system.

This revision must be read in conjunction with the referenced BDC Announcement.

Implementation Code R (ROUTINE)

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
