Baseline Document Change Announcement

English Version Standard Electrical Details Booklet, July 2001

BDC00D-2

March 16, 2001

Subject: Release of the Standard Electrical Details Booklet, dated July 2001, in U.S. Customary English Units

The enclosed U.S. Customary English Unit version of the Standard Electrical Details booklet is identical to the Metric version issued via BDC00D-4 dated March 12, 2001.

Instruction to Designers:

The English version of the Standard Electrical Details booklet is dated July 2001. Although these details can be used on all projects developed in English units after July 2001, it is not intended to mean that all projects will be done in English units after that date. A future BDC announcement will detail the criteria for developing contract documents in English units.

Distribution to In-House Staff and Various Public Agencies:

The Document Control Unit will not automatically distribute a hard copy of this booklet. Users of this booklet are requested to contact the Engineering Documents Unit to obtain a hard copy.

In-house staff may obtain an electronic copy of this BDC Announcement from the QM shared area, on the NJDOT-FA-NTS7 server.
