### **Instructions to Designers**

Users of the Engineer's Estimate program, Contractor Payment System Front End (CPSFE), should download the updated Standard Pay Item Database files from the New Jersey Department of Transportation Web Page:

<http://www.state.nj.us/transportation/eng/>

### **Implementation Code R (ROUTINE)**

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
