Baseline Document Change Announcement

Working Drawings Signatures

BDC11T-03

March 16, 2012

SUBJECT: Revised: Release of the *Working Drawings Procedure, 2011*

Working Drawing Procedure, Section 1.2.4.1, has been revised for submittals for all projects containing multiple plan sheets to provide a stamp that allows the State Transportation Engineer to sign just once using a revised Stamp B in a cover letter written by the designer. All the plans are then stamped with new Stamp B1.

Supersedes BDC11T-03, dated December 7, 2011 and BDC05T-03, dated May 16, 2005

Implementation Code S (SPECIAL)

Changes must be implemented in all applicable Department projects as stated in the Baseline Document Change Announcement.
