Baseline Document Change Announcement

**Bridges and Structures Design Manual, Third Edition, 1998
Addition of Precast Reinforced Concrete Box Culvert Standard Drawings**

BDC99MB-001

January 26, 2000

**Subject: Addition of Precast Reinforced Concrete Box Culvert Standard Drawings to the
*NJDOT Bridges and Structures Design Manual, Third Edition, 1998 (BDC98MB-001)***

Attached for inclusion in Division 2 of the *NJDOT Bridges and Structures Design Manual* are five new standard drawings. These additional standard drawings are for the design of precast reinforced concrete box culverts. These drawings will standardize the plan development of precast reinforced concrete box culverts and aid Designers in providing consistent plans.

The revisions to Division 2 of the *NJDOT Bridges and Structures Design Manual* are as follows:

- Replace **Pages II-3 and II-4** with **II-3 and II-4**
- Add **PLATES 2.15-1 through 2.15-5**

Distribution to In-House Staff and Various Public Agencies

This BDC Announcement is being distributed to our in-house staff and various public agencies based on our established distribution list by the Office of Document Control. In-house staff can obtain a copy of the BDC Announcement file from the QM shared area on the NJDOT-FA-NTS7 server, not including the CADD files. To access this area, open your Windows Explorer. Go to the drop down menu labeled Tools, and then pick Map Network Drive. In the path box type in \\NJDOT-FA-NTS7\QM, then click on the OK button. The following is a list of files with their locations and a brief description that can be found in the QM shared area:

	File Name	Folder Location	Description
1.	BDC99MB-001.doc	QM\BDC Announcements\ BDC 99 Folder\99mb001\ 	BDC Announcement in Word format
2.	BDC99MB001.zip	QM\BDC Announcements\ BDC 99 Folder\99mb001\ 	The above file in a "zip" format

This BDC Announcement file can also be downloaded from the NJDOT Web Site at <http://www.state.nj.us/transportation/cpm/>. When this page is loaded, select "Capital Program Management Table of Contents" and click on "Go To Selection". Then choose what you wish to view or download in the "Baseline Document Change Announcements" area. The download files are

in a “zip” format. If you need an unzipping program, download and install the “WinZip” or “PKZIP” program located on the “Programs You May Need” page. Do this prior to downloading any files.

Electronic *NJDOT Bridges and Structures Design Manual* CADD files for Division 2 can be downloaded from the State of New Jersey Department of Transportation Web Site at <http://www.state.nj.us/transportation/>. When this page is loaded, click on “CADD Support”, located on the left side of the web page. Read posted information and go to “Links” at the bottom of this web page. Now click on “Download CADD files” and then click on “Continue on to Download CADD files” after reading disclaimer. Finally, find the link to the individual drawings in the “Design Manual - Bridges and Structures - Division 2” area to get the CADD files for downloading.

This announcement along with a copy of the *NJDOT Bridges and Structures Design Manual* Division 2 drawings will be distributed to in-house staff and various public agencies in accordance with the *NJDOT Bridges and Structures Design Manual* distribution list by the Office of Document Control. The hard copy distribution may be at least one month after date of this announcement because of printing delays, so rely on the web for faster service. Please make additional copies as needed.

Distribution to Other Outside Agencies (Consultant, Contractors, etc.)

This BDC Announcement file along with all associated CADD files can be downloaded from the NJDOT Web Site at <http://www.state.nj.us/transportation/>. See “Distribution to In-House Staff and Various Public Agencies” above for complete web page instructions.

This announcement along with a copy of the *NJDOT Bridges and Structures Design Manual* Division 2 drawings will be mailed to all *NJDOT Bridges and Structures Design Manual* holders. Make additional copies as needed. Copies of the *NJDOT Bridges and Structures Design Manual* with additions and revisions (current BDC announcements take approximately one month from the date of their issuance to become available for purchase due to printing delays) can be purchased by contacting:
