***Baseline Document Change Announcement***

**Sequence Number**

**BDC07T-01**

**April 9, 2007**

**SUBJECT: REVISION TO SHEETS 2, 3, 4, 8, 10, 12, 27, 30, 31, 32, & 39 OF 2001 SAMPLE PLANS  
BDC07T-01**

The current (2001) Sample Plans is revised to remove the Sequence Number from the Estimate-Distribution Quantities sheet, and to be constructed boxes. This change was initiated to simplify the plan sheet creation now that the Trns\*port Estimate software does not require the Sequence Number.

**INSTRUCTION TO DESIGNERS:**

**Remove Sample Plans Sheets 2, 3, 4, 8, 10, 12, 27, 30, 31, 32, & 39, and replace them with the revised Sheets 2, 3, 4, 8, 10, 12, 27, 30, 31, 32 & 39.**

**Implementation Code R (ROUTINE)**

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for an addenda or postponement of advertisement or receipt of bids.
