On June 14, 2001.

If you have any questions, please call me.

JUL 27 2001

**BOROUGH OF NETCONG
MORRIS COUNTY**

WHEREAS, the State of New Jersey, Department of Transportation (D.O.T.), presented at a public meeting on December 5, 2000, a plan to remove the Netcong traffic circle, and replace the Route 183 bridge over New Jersey Transit train tracks; and

WHEREAS, at the public meeting on December 5th, the public and the governing body of Netcong expressed their concerns with the proposed design of the new roadway, in particular the width of new roadway; and

WHEREAS, the D.O.T. has now substantially revised the design and presented this new design to the public on May 30, 2001. This new design, keeps the new roadway almost entirely within the existing road bed, and adds a large amount of amenities, at the expense of the State, to the Borough, that do not now exist, such as sidewalks along both sides of Route 46 and Route 183, large promenade type sidewalks over the Route 183 bridge and numerous landscaped sites that do not now exist at the traffic circle; and

WHEREAS, the governing body must approve the current plan in concept, in order for the plan to be forwarded to the State Engineering Division; and

WHEREAS, the Borough will have the ability to continue to work with the State to make sure the concerns of the residents and governing body continue to be addressed;

NOW THEREFORE, BE IT RESOLVED, by the Mayor and Council of the Borough of Netcong, County of Morris, State of New Jersey, that we do hereby approve of the concept plan presented to the public on May 30, 2001, and would like the State to forward the plan to its Engineering Division.

This resolution shall take effect immediately upon passage.

BOROUGH OF NETCONG

Nicholas C. Pompilio, Mayor

I, Dolores Dalessandro do hereby certify the foregoing to be a true copy of a resolution adopted by the Mayor and Council of the Borough of Netcong at the regular meeting held on June 14, 2001.

Dolores Dalessandro, Borough Clerk
