 Integrity Monitor Report
 Middlesex County Utility Authority - Pumping Stations Contract # T-2939; EQ2014-004-P2&P3
 For Quarter Ending: 10/1/2014

The reporting period for this report is April 1, 2014 through June 30, 2014

Under Section A-60, this report must be submitted by Integrity Monitors on the first business day of each calendar quarter to the State Treasurer and will contain detailed information on the projects/contracts/programs funded by the Disaster Relief Appropriations Act.

No.	Recipient Data Elements	Response	Comments
A. General Info			
1.	Recipient of funding	Middlesex County Utility Authority (MCUA)	
2.	Federal Funding Agency? (e.g. HUD, FEMA)	FEMA	
3.	State Funding (if applicable)	Not Applicable	
4.	Award Type	Grant	
5.	Award Amount	Cruz Contractors, LLC (Cruz) - \$9,593,000 Allied Construction Group, Inc. (Allied) - \$8,038,156 Total - \$17,631,156	
6.	Contract/Program Person/Title	Standby Contract for Forced Mains and Gravity Sewers - Cruz Rehabilitation and Upgrade of the Sayreville Pumping Station - Allied Program Person: Richard Fitamant, Executive Director	
7.	Brief Description, Purpose and Rationale of Project/Program	<p>During the ongoing incident period of Post Superstorm Sandy, beginning on October 26, 2012, the Middlesex County Utilities Authority (MCUA) suffered substantial damage to its Sayreville Pump Station which utilizes six (6)-50 MGD (Million Gallons Daily) pumps and four (4)-40 MGD pumps to pump anywhere from 70 MGD of dry weather sanitary flow to 300 MGD of wet weather sanitary flow from 30 municipalities in Middlesex and Somerset counties to the central treatment plant. The storm surge inundated and damaged its onsite electrical substation and controls. Also, due to salt water intrusion the pumps, pump fittings, and pump motors were compromised and rendered inoperable. These damages prompted the sub-grantee to immediately secure emergency contracts to prevent farther damage to the existing infrastructure and prevent raw sewage from being discharged into the waterways.</p> <p>Prior to Super Storm Sandy, Cruz was issued a standby contract for forced mains and gravity sewers which included provisions for dewatering and by-pass pumping. This standby contractor was utilized after Super Storm Sandy to perform emergency clean-up and restoration activities for both the original Sayreville Pumping Station and the Sayreville Relief Pumping Station resulting from storm damage.</p> <p>In June 2011, Allied was contracted to perform the rehabilitation and upgrade of the Sayreville Pumping Station. This contract has a provision for unforeseen circumstances which allows payment for any items that are above and beyond the original contract. In this case, the dewatering of the facility, emergency site preparation, and temporary repairs to electrical systems were not in the original contract but were addressed as change orders following the storm.</p> <p>On March 27, 2013, the Integrity Oversight Monitor Act ("the Act") was enacted for the purpose of authorizing the deployment of Integrity Oversight Monitors for recovery and rebuilding contracts resulting from Superstorm Sandy and subsequent major storms in New Jersey. The Act authorizes the State Treasurer to require integrity oversight monitor services on any State or non-State, federally funded, recovery and rebuilding contract of \$5 million or more.</p> <p>KPMG LLP ("KPMG") was engaged by the Department of Treasury ("DOT") on June 20, 2014 to serve as the Integrity Oversight Monitor ("IM") for MCUA Sayreville Pumping Station given that both Cruz and Allied's contracts which exceeded the \$5 million threshold required by the Act.</p>	
8.	Contract/Program Location	Middlesex County Utility Authority 2571 Main Street Sayreville, NJ 08872
