14.	Quarterly Activities/Project Description (include number of visits to meet with recipient and sub recipient, including who you met with, and any site visits warranted to where work was completed)	In connection with its review of NJDEP's financial, procurement, and administrative processes for the contracts, Thacher Associates conducted Skype interviews of Louis Berger/Hill JV staff members Christopher Corliss and Margaret McBrien and later visited their offices to review day-to-day oversight of the feasibility/EIS and design projects. TA also participated in monthly RBD Partner Calls and bi-weekly conference calls with NJ DEP personnel and other Project participants.	
15.	Brief Description to confirm appropriate data/information has been provided by recipient and what activities have been taken to review in relation to the project/contract/program.	In addition to TA's initial request for documents required for analysis of NJDEP's financial, administrative, and procurement processes, the NJDEP has since been placing in our project folder additional documents it believes relevant to our scope of services. TA has supplemented those documents with additional requests as needed, all of which have been complied with. Thacher Associates has reviewed those documents regarding compliance with CDBG-DR laws, rules and regulations.	
16.	Description of quarterly auditing activities that have been conducted to ensure procurement compliance with terms and conditions of the contracts and agreements.	Thacher Associates' activities included the completion of our Task B and C reviews as well as review of the contract awards to Dewberry Engineers, Inc., Louis Berger/Hill JV, and AECOM Technical Services. Thacher Associates also continued reviews of CMF invoices and initiated an audit plan to spot test compliance with CDBG-DR laws, rules and regulations.
