EPIC E-MAIL MESSAGE – September 21, 2015

TO: Certifying Officers, Human Resource Representatives, and Benefits Administrators

FROM: The New Jersey Division of Pensions and Benefits

SUBJECT: Retirement Seminars - More Locations, Additional Dates

Please make this information available to your employees.

The reaction to the Division of Pensions and Benefits' new Retirement Seminar locations last month was overwhelming. In response, we have added more regional locations to our seminar schedule and added additional dates.

- Seminars have also been scheduled for the **Atlantic County Criminal Court Complex**, Mays Landing, NJ; the **Elizabeth Public Library**, Elizabeth, NJ; and the **Somerset County Emergency Services Academy**, Hillsborough, NJ

- Additional seminar dates have been added to our location at the **Monmouth County Fire Academy**, Freehold, NJ.

See all available seminar locations and dates, or register now at: http://www.state.nj.us/treasury/pensions/workshop-intro.shtml

Please also check our Web site regularly for newly added seminar dates and/or locations.

Designed for employees who are planning for retirement, **retirement seminars** provide a step-by-step look at the retirement process. We explain retirement benefits, beneficiary options, group life insurance, and how to submit the retirement application online using MBOS. Loan repayment provisions and the taxability of pension are discussed along with health benefits coverage in retirement. As time permits, the workshop concludes with a question and answer period.

Seating is limited, so reserve a seat now!

DISTRIBUTION OF THIS MESSAGE

Certifying Officers should make this information available to their employees, and forward this message to their Human Resources staff,

benefit administrators, and any other staff members responsible for the administration of pension and benefits for employees.

Please note: It is important that the Certifying Officer's e-mail address is kept current with the Employer Pensions and Benefits Information Connection (EPIC) to assure the accurate and timely delivery of this information. Update your information using the Employer Demographics application in EPIC.
