### CONTINUATION OF STATE HEALTH BENEFITS COVERAGE UNDER COBRA STATE HEALTH BENEFITS PROGRAM AND SCHOOL EMPLOYEES' HEALTH BENEFITS PROGRAM

## EXTENDED COBRA BENEFITS UNDER THE AMERICAN RECOVERY AND REINVESTMENT ACT

The American Recovery and Reinvestment Act (ARRA) of 2009 provided for an expansion of the federal Consolidated Omnibus Budget Reconciliation Act (COBRA) which creates a nine-month, federal subsidy of COBRA premiums and a “second chance” for COBRA enrollment for certain *involuntarily* terminated employees.

The following is a brief description of the eligibility criteria and extended COBRA benefits provided under the ARRA.

- To be eligible for the COBRA premium subsidy or “second chance” COBRA enrollment, an individual must have been *involuntarily* terminated from employment on or after September 1, 2008 (and prior to December 31, 2009). Qualifying dependents may also be eligible for a COBRA premium subsidy.
- Eligible individuals currently enrolled in COBRA (covered *involuntarily* terminated employees and qualifying dependents), will receive a COBRA premium subsidy for up to nine months beginning no earlier than March 1, 2009. Eligible individuals are responsible for paying only 35% of the regular COBRA premium.
- Eligible individuals who did not elect COBRA coverage — or who elected COBRA coverage and subsequently dropped it for reasons other than eligibility for other coverage or reaching the end of their COBRA eligibility period — will be offered a “second chance” for COBRA enrollment along with the 35% premium subsidy.
- Your eligibility as an *involuntarily* terminated employee must be verified by your employer and indicated on the COBRA notice.
- **The provisions of the ARRA do not extend your period of COBRA coverage eligibility period.** In most cases 18-months is the period of COBRA eligibility following termination of employment.
- Individuals with incomes over certain salary limits<sup>1</sup>; who become eligible for another group health plan or Medicare; who voluntarily terminated employment, or who were *involuntarily* terminated for reasons of gross misconduct are not eligible for the subsidy or “second chance” COBRA enrollment.

<sup>1</sup>Individuals with annual income exceeding \$145,000 per year, and couples with income exceeding \$290,000 per year, are not eligible for the subsidy and will pay the full COBRA premium. The subsidy is also phased out starting at \$125,000 for individuals and \$250,000 for couples. Individuals who receive subsidies during a year in which they exceed these income limits will be required to repay the subsidy. Subsidy repayments are captured on the individual's federal income tax return. Individuals may also make a permanent election to waive the subsidy. It is not the employer's responsibility to verify the income of former employees.

Dear Employee and/or Dependent(s):

Your health care coverage under the State Health Benefits Program (SHBP) terminates as shown below because of a change in employment status or dependent eligibility. The reason for the loss of coverage, the type(s) of coverage lost and the last day of coverage(s) are shown in the notice below. Under the provisions of the federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), you are entitled to continue your medical benefits with the group program for a limited time.

If you wish to continue coverage under the provisions of COBRA, you must enroll at this time. Otherwise, you will lose coverage and you cannot enroll later.

You may continue the group coverage(s) shown below under COBRA, at your own expense, for the time period shown in the COBRA Continuation Term or until one of the following conditions occur: (1) you voluntarily cancel your coverage; (2) you become covered under MEDICARE or another group plan after you elect COBRA coverage (Note: Exceptions are made if your other group has a pre-existing condition clause that affects you); (3) you fail to pay your premiums in a timely manner; or (4) your employer drops out of the State Health Benefits Program.

If you are retiring, you may be eligible for lifetime health and prescription drug coverage through the Retired Group of the State Health Benefits Program. Consult your employer or the Division of Pensions and Benefits **PRIOR** to enrolling for health and prescription drug benefits under COBRA.

In considering whether to elect continuation of coverage under COBRA, you should take into account that you cannot enroll at a later date and that a failure to continue your group health coverage may affect your future rights under federal law. Please refer to Fact Sheet #30, *Continuation of Coverage Under COBRA*, for more information on your election of COBRA coverage.

If you wish to continue your group coverage under the provisions of COBRA, complete the application on the reverse side and send it to the **Division of Pensions and Benefits, P.O. Box 299, Trenton, NJ, 08625-0299**. If you elect to continue coverage, you will be enrolled retroactive to the date you lost coverage. After your application is processed (allow up to three weeks), you will be sent a letter of confirmation of enrollment indicating the beginning date(s) of your COBRA coverage(s) and the length of your COBRA eligibility. The SHBP will send you an invoice of premiums that are due for your coverage (including retroactive premium due).

You should make a copy of this notice and your completed application for your records prior to mailing the application **and** any required proof of dependency documentation to the Division of Pensions and Benefits. After mailing, if you do not receive the confirmation of enrollment identified in the preceding paragraph, you should contact the Division of Pensions and Benefits' Office of Client Services at (609) 292-7524 or by e-mail at [pensions.nj@treas.state.nj.us](mailto:pensions.nj@treas.state.nj.us)
