DEPARTMENT OF THE TREASURY  
DIVISION OF PURCHASE AND PROPERTY

BRADLEY I. ABELOW  
*State Treasurer*

A Waiver of Advertising was approved for the State of New Jersey to enter into a Microsoft Enterprise Agreement (MS EA). The term of the MS EA is July 1, 2004, through June 30, 2010. The MS EA has the following parameters:

- any agency may enroll, for either a three or six year period;
- agency must agree to license one or more Microsoft enterprise products across their agency;
- product support is not included with the licenses under the MS EA;
- an agency enrolled for a three-year period then has that entire three-year period to pay for Microsoft product licenses; similarly for an agency enrolled for a six-year period;
- after enrollment, an agency may order Software Assurance, which is the right to upgrade to, and run, the latest version of that product made available from Microsoft; and,
- for the enrolled agency, each year there is a "true up" period where the agency must determine its desktop count and order software for any increase in desktops over the number stated on its enrollment.

The Waiver of Advertising was executed with Software House International (SHI), which is recognized as the MS EA contractor.

The contact information for SHI is listed below.

**Members of Cooperative Purchasing may enroll in the MS EA** and subsequently place orders for Microsoft products and Software Assurance as they would any State contract. In this instance, however, there is a waiver number (**AW421**) rather than a contract number. Local entities can enter into a multi-year MS EA, pursuant to the authority in Local Public Contracts Law at NJSA 40A:11-15(42). Also, because this is not a contract derived from a public bid, it will not appear on the Purchase Bureau website.

**Note:** The State of New Jersey does not recognize the "home use program" or the "employee purchase program" elements of the MS EA. While Microsoft Corporation is advertising these programs, this office did not approve those programs as part of the MS EA.

The MS EA contractor SHI has provided the State with their updated MS EA Products Price List.
