Pursuant to the provisions of the New Jersey statute and administrative code cited above, this contract, or a portion thereof, has been designated as a set-aside contract for Small Business. As such, as indicated on page one of this document, eligibility to bid is limited to bidders (or subcontractors, as applicable) that meet statutory and regulatory requirements and have had their eligibility determined by the New Jersey Commerce, Economic Growth and Tourism Commission (Commerce). The definitions of each Small Business set-aside category can be found at N.J.A.C. 17:13-1.2 or N.J.A.C. 12A:10-1.2.

"Small Business" means a business that has its principal place of business in the State of New Jersey, is independently owned and operated, and has no more than 100 full-time employees.

The new program places Small Business into the following categories: (I) those with gross revenues up to \$500,000; (II) those with gross revenues of up to \$5 million; and (III) those with gross revenues that do not exceed \$12 million. While companies registered as having revenues below \$500,000 can bid on any contract, those earning more than the \$500,000 and \$5 million amounts will not be permitted to bid on contracts designated for revenue classifications below their respective levels.

Each business interested in bidding for this contract should provide, as part of its response to this solicitation, proof of its current registration as a qualifying Small Business with the New Jersey Commerce, Economic Growth and Tourism Commission. Any business that seeks to register as a Small Business is required to submit a fee along with its application to Commerce.

#### 1.4 ADDITIONAL INFORMATION

##### 1.4.1 ADDENDA: REVISIONS TO THIS RFP

In the event that it becomes necessary to clarify or revise this RFP, such clarification or revision will be by addendum. Any addendum to this RFP will become part of this RFP and part of any contract awarded as a result of this RFP.

ALL RFP ADDENDA WILL BE ISSUED ON THE DIVISION OF PURCHASE AND PROPERTY WEB SITE. TO ACCESS ADDENDA, SELECT THE BID NUMBER ON THE BIDDING OPPORTUNITIES WEB PAGE AT THE FOLLOWING ADDRESS:

HTTP://WWW.STATE.NJ.US/TREASURY/PURCHASE/BID/SUMMARY/BID.SHTML.

There are no designated dates for release of addenda. Therefore interested bidders should check the Purchase Bureau "Bidding Opportunities" website on a daily basis from time of RFP issuance through bid opening.

It is the sole responsibility of the bidder to be knowledgeable of all addenda related to this procurement.

##### 1.4.2 BIDDER RESPONSIBILITY

The bidder assumes sole responsibility for the complete effort required in submitting a bid proposal in response to this RFP. No special consideration will be given after bid proposals are opened because of a bidder's failure to be knowledgeable as to all of the requirements of this RFP.

##### 1.4.3 COST LIABILITY

The State assumes no responsibility and bears no liability for costs incurred by a bidder in the preparation and submittal of a bid proposal in response to this RFP.

#### 1.4.4 CONTENTS OF BID PROPOSAL

Subsequent to bid opening, all information submitted by bidders in response to the bid solicitation is considered public information, except as may be exempted from public disclosure by the Open Public Records Act, N.J.S.A. 47:1A-1 et seq., and the common law. If the State proposes to negotiate and/or pursue a Best and Final Offer, bid proposals will not be made public until the Letter of Intent to Award is issued.

A bidder may designate specific information as not subject to disclosure when the bidder has a good faith legal/factual basis for such assertion. The State reserves the right to make the determination and will advise the bidder accordingly. The location in the bid proposal of any such designation should be clearly stated in a cover letter. **The State will not honor any attempt by a bidder either to designate its entire bid proposal as proprietary and/or to claim copyright protection for its entire proposal.**

By signing the cover sheet of this RFP, the bidder waives any claims of copyright protection set forth within the manufacturer's price list and/or catalogs. The price lists and/or catalogs must be accessible to State using agencies and cooperative purchasing partners and thus have to be made public to allow all eligible purchasing entities access to the pricing information.

All bid proposals, with the exception of information determined by the State or the Court to be proprietary, are available for public inspection. Interested parties can make an appointment with the Purchase Bureau to inspect bid proposals received in response to this RFP.

#### 1.4.5 PRICE ALTERATION

Bid prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award from being made to the bidder.

#### 1.4.6 BID ERRORS

In accordance with N.J.A.C. 17:12-1.22, "Bid Errors," a bidder may withdraw its bid as follows:

A bidder may request that its bid be withdrawn prior to bid opening. Such request must be made, in writing, to the Supervisor of the Business Unit. If the request is granted, the bidder may submit a revised bid as long as the bid is received prior to the announced date and time for bid opening and at the place specified.

If, after bid opening but before contract award, a bidder discovers an error in its proposal, the bidder may make written request to the Supervisor of the Business Unit for authorization to withdraw its proposal from consideration for award. Evidence of the bidder's good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the bidder's exercise of reasonable care; and that the State will not be significantly prejudiced by granting the withdrawal of the proposal. Note: a PB-36 complaint form may be filed and forwarded to the Division's Contract Compliance and Audit Unit (CCAU) for handling. A record of the complaint will also be maintained in the Division's vendor performance file for evaluation of future bids submitted.

All bid withdrawal requests must include the bid identification number and the final bid opening date and sent to the following address:

Department of the Treasury  
Purchase Bureau, PO Box 230  
33 West State Street – 9<sup>th</sup> Floor  
Trenton, New Jersey 08625-0230  
Attention: Supervisor, Business Unit

If during a bid evaluation process, an obvious pricing error made by a potential contract awardee is found, the Director shall issue written notice to the bidder. The bidder will have five days after receipt of the notice to confirm its pricing. If the vendor fails to respond, its bid shall be considered withdrawn, and no further consideration shall be given it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the bidder's intention is not readily discernible from other parts of the bid proposal, the Director may seek clarification from the bidder to ascertain the true intent of the bid.

#### 1.4.7 JOINT VENTURE

If a joint venture is submitting a bid proposal, the agreement between the parties relating to such joint venture should be submitted with the joint venture's bid proposal. Authorized signatories from each party comprising the joint venture must sign the bid proposal. A separate Ownership Disclosure Form, Disclosure of Investigations and Actions Involving Bidder, Affirmative Action Employee Information Report, MacBride Principles Certification, and Business Registration or Interim Registration must be supplied for each party to a joint venture.

### **3.0 COMMODITY DESCRIPTION/SCOPE OF WORK**

This RFP solicits bid proposals for apparel products. Executive Order #20, issued by Governor James E. McGreevey on June 11, 2002, states purchases by the State is produced in production facilities within the United States and that such production facilities meet certain minimum requirements. Accordingly, bid proposals providing for apparel production within the United States must meet the requirements of Executive Order #20 in order to be responsive and eligible for contract award. Such bid proposals will be given preference over bid proposals providing for apparel production outside the United States.

Accordingly, this RFP solicits pricing for the production of apparel both within the United States and outside the United States. A contract for the production of apparel outside of the United States will only be awarded if there is either no responsive bid proposal received for the production of apparel within the United States or if responsive bid proposals received for the production of apparel within the United States are deemed not to be in the best interests of the State. A decision to award a contract for the production of apparel outside the United States will be made in consultation with the Apparel Procurement Board.

The bidder must complete the attached Affidavit of Apparel Production in its entirety. Failure of a bidder to complete this Affidavit and include the completed Affidavit with the bid proposal may preclude a contract award being made to that bidder.

The anticipated "Contract Effective Date" is provided on the signatory page of this RFP: <http://www.state.nj.us/treasury/purchase/bid/summary/09x20251.shtml>. In such event, the contractor shall reimburse the State the full purchase price.

### **5.7 REMEDIES FOR FAILURE TO COMPLY WITH MATERIAL CONTRACT REQUIREMENTS**

In the event that the contractor fails to comply with any material contract requirements, the Director may take steps to terminate the contract in accordance with the State administrative code and/or authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor.
