The Mandatory Pre-Bid Conference has been scheduled for this procurement to provide a structured and formal opportunity for the State to accept questions from vendors regarding this RFP. Bidders must send a representative to the conference who can attend and register its company. While questions will be entertained at the Mandatory Pre-Bid Conference, it is strongly urged that questions be submitted electronically as set forth in RFP Section 1.3.1. It is requested that vendors having long, complex or multiple part questions submit them as far in advance of the Mandatory Pre-Bid Conference as possible. This request is made so that answers can be prepared by the State by the time of the Mandatory Pre-Bid Conference. Bidders shall not contact the Using Agency directly, in person, by telephone or by email, concerning this RFP. Answers to electronic questions, any revisions to the RFP resulting from the Mandatory Pre-Bid Conference and/or answers to deferred questions will be formalized by an addendum to this RFP. Addenda to this RFP will be posted to the Purchase Bureau website (see Section 1.4.1. of this RFP for further information).

Please note that RFP Section 1.2.2 contains a summary of significant changes from the previous RFP.
