Vendor Information and Bidding Opportunities

The Purchase Bureau maintains a bidders mailing list. You as a vendor may have basic information about your firm added to the bidders mailing list by visiting our website at <http://www.state.nj.us/treasury/purchase/bidmaillist.htm> and submitting a bidders mailing list application online. You may also download the application and instructions and submit the application by mail. Applications submitted online are processed more quickly than mailed applications.

A bidders mailing list application gives you the opportunity to identify yourself as a potential bidder for the types of goods and services that your firm provides. The Purchase Bureau attempts (but does not guarantee) to provide firms on the bidders mailing list with notice of bidding opportunities related to the goods and services identified in the application.

If you are already on the Purchase Bureau's bidders mailing list and you need to change your information, contact Bid List Management at (609) 984-5396.

Note: If you are an awarded State contractor and payments are not being directed to your proper remit-to address, you must send a letter on company letterhead to the Office of Management and Budget, Vendor Control Unit, PO Box 221, Trenton, NJ 08625 or fax that letter to 609-292-4882. The purpose of this RFP is to solicit bid proposals for the purpose of awarding term contracts for MICROGRAPHICS EQUIPMENT, MAINTENANCE & SUPPLIES, (T-0095). The contracts awarded will be for two years.

The Standard Terms & Conditions, [Appendix 1](#) of this RFP, will apply to all contracts or purchase agreements made with the State of New Jersey. These terms are in addition to the terms and conditions set forth in this RFP and should be read in conjunction with same unless the RFP specifically indicates otherwise.

The State intends to extend the contracts awarded to the Purchase Bureau's cooperative purchasing partners. These partners include quasi-state agencies, counties, municipalities, school districts, volunteer fire departments, first aid squads, independent institutions of higher learning, County colleges and State colleges. Bidders who do extend prices to Cooperative Purchasing Partners will not be awarded a contract.

Although the State, with the assent of the vendor(s), is making the use of any contract resulting from this RFP available to non-State Agencies, the State makes no representation as to the acceptability of any State RFP terms and conditions under the Local Public Contracts Law or any other enabling statute or regulation.

5.15.3 CERTIFICATION AND DISCLOSURE REQUIREMENTS

a) The State shall not enter into a contract to procure from any Business Entity services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor, or to any State or county political party committee during certain specified time periods

b) Prior to awarding any contract or agreement to any Business Entity, the Business Entity proposed as the intended awardee of the contract shall submit the Certification and Disclosure form, certifying that no contributions prohibited by Executive Order 134 have been made by the Business Entity and reporting all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C.527 of the Internal Revenue Code that also meets the definition of a "continuing political committee" within the mean of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. Upon receipt of a Notice of Intent to Award a Contract, the intended awardee shall submit to the Division, in care of the Purchase Bureau Buyer, the Certification and Disclosure(s) within five (5) business days of the State's request. Failure to submit the required forms will preclude award of a contract under this RFP, as well as future contract opportunities.

c) Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134> , shall be provided to the intended awardee with the Notice of Intent to Award.

5.15.4 STATE TREASURER REVIEW

The State Treasurer or his designee shall review the Disclosures submitted pursuant to this section, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the contract, by the contractor. If the State Treasurer determines that any contribution or action by the contractor constitutes a breach of contract that poses a conflict of interest in the awarding of the contract under this solicitation, the State Treasurer shall disqualify the Business Entity from award of such contract.

5.16 REQUIREMENTS OF EXECUTIVE ORDER 129

Under the Executive Order 129 issued on September 9, 2004 ("E.O. 129"), the State shall not award a contract to a bidder that submits a bid proposal to perform services, or have its subcontractor[s] perform services, outside the United States, unless one of the following conditions is met:

a) The bidder or its subcontractor provide a unique service, and no comparable, domestically-provided service can adequately duplicate the unique features of the service provided by the bidder or and/or its subcontractor; or

b) A significant and substantial economic cost factor exists such that a failure to use the bidder's and/or the subcontractor'[s] services would result in economic hardship to the State; or

c) The Treasurer determines that a failure to use the bidder's and/or its subcontractor's services would be inconsistent with the public interest.

5.16.1 SOURCE DISCLOSURE REQUIREMENTS

Pursuant to E.O. 129, all bidders seeking a contract with the State of New Jersey must disclose:

- a) The location by country where services under the contract will be performed; and
- b) The location by country where any subcontracted services will be performed.

Accordingly, the bidder should submit with its bid proposal the Source Disclosure Certification form (Attachment 7), filled out with the sourcing information required for itself and any proposed subcontractor, identified in the Intent to Subcontract Form. If the information is not submitted with the bid proposal, it shall be submitted within five (5) business days of the State's request for the information.

FAILURE TO SUBMIT SOURCING INFORMATION WHEN REQUESTED BY THE STATE SHALL PRECLUDE AWARD OF A CONTRACT TO THE BIDDER.

5.16.2 BREACH OF CONTRACT OF EXECUTIVE ORDER 129

A SHIFT TO OUTSOURCED SERVICES DURING THE TERM OF THE CONTRACT SHALL BE DEEMED A BREACH OF THE CONTRACT

If, during the term of the contract, the contractor or subcontractor, who had on contract award declared that services would be performed in the United States, proceeds to shift the performance of the services outside of the United States, the contractor shall be deemed in breach of the contract, which contract shall be subject to termination for cause pursuant to Section 3.5b.1 of the Standard Terms and conditions, unless the Director shall have first determined in writing that extraordinary circumstances require a shift of services or that a failure to shift the services would result in economic hardship to the State.

6.0 PROPOSAL EVALUATION/CONTRACT AWARD

6.1 CONTRACT EVALUATION

For a product bid that has been determined to be in compliance with this RFP, the contract shall be awarded on the basis of the following criteria, not necessarily listed in the order of importance:

- 6.1.1 Low bid will be determined by the lowest price submitted for each make & model of equipment, plus the price submitted for the first & second year of annual maintenance to begin after the 12 month warranty period. (See example - A + B + C on MICROGRAPHICS EQUIPMENT PRICE SCHEDULE format on Page 22.
- 6.1.2 Experience of the bidder
- 6.1.3 The bidder's past performance under similar contracts, including if applicable, the Division's vendor performance database.
- 6.1.4 For consumable supplies the Purchase Bureau will evaluate the percentage discount offered in this bid proposal against the percentage discount offered on the bidder's Federal GSA contract, the discount offered on other State's contracts, an average of all discounts offered by all bidders within this contract, or any combination thereof. Manufacturer's Price Lists for supplies that have discounts that are considered unacceptably low, may be deemed as NOT IN THE BEST INTEREST OF THE STATE OF NEW JERSEY, and as such, may not be awarded use of the Supplies Price List or possibly, the contract.

6.2 ORAL PRESENTATION AND/OR CLARIFICATION OF BID PROPOSAL

After the submission of bid proposals, unless requested by the State, contact with the State is limited to status inquiries only and such inquiries are only to be directed to the buyer. Any further contact or information about the proposal to the buyer or any other State official connected with the solicitation will be considered an impermissible supplementation of the bidder's bid proposal.

A bidder may be required to give an oral presentation to the Evaluation Committee concerning its bid proposal. The Evaluation Committee may also require a bidder to submit written responses to questions regarding its bid proposal.

The purpose of such communication with a bidder, either through an oral presentation or a letter of clarification, is to provide an opportunity for the bidder to clarify or elaborate on its bid proposal. Original bid proposals submitted, however, cannot be supplemented, changed, or corrected in any way. No comments regarding other bid proposals are permitted. Bidders may not attend presentations made by their competitors.

It is within the Evaluation Committee's discretion whether to require a bidder to give an oral presentation or require a bidder to submit written responses to questions regarding its bid proposal. Action by the Evaluation Committee in this regard should not be construed to imply acceptance or rejection of a bid proposal. The Purchase Bureau buyer will be the sole point of contact regarding any request for an oral presentation or clarification.

6.3 CONTRACT AWARD

Contract award[s] shall be made with reasonable promptness by written notice to those responsible bidders, whose bid proposals, conforming to this RFP, is (are) most advantageous to the State, price, and other factors considered. Any or all bid proposals may be rejected when the State Treasurer or the Director determines that it is in the public interest so to do.
