1.0 INFORMATION FOR BIDDERS

1.1 PURPOSE AND INTENT

This Request for Proposal (RFP) is issued by the Purchase Bureau, Division of Purchase and Property, Department of the Treasury (the "Division"), on behalf of the State of New Jersey, Department of Health and Senior Services (DHSS).

The purpose of this RFP is to solicit bid proposals to engage a contractor to perform cost report audits of a sample of licensed New Jersey Ambulatory Care Facilities and to perform patient eligibility charity care audits for all New Jersey Medicaid Disproportionate Share (DSH) eligible hospitals. The Contractor shall also prepare desk audits of the DSH hospital cost reports and shall perform special projects at the discretion of the DHSS. The deliverables are described in the RFP and the duration of this contract will be from July 1, 2005 to June 30, 2008. All bid prices are to be inclusive of direct and indirect costs, including overhead, travel, lodging, fee and profit, etc.

The expected services are described in [RFP Section 3.0](#) (Scope of Work).

The intent of this RFP is to award a contract to that responsible bidder whose bid proposal, conforming to this RFP, is most advantageous to the State, price and other factors considered.

1.2 BACKGROUND

Charity care audits are currently required by P.L.1992, c.160 (C.26:2H-18.52), as amended by P.L.1995, c.133 and P.L.1997, c.263 and P.L.2004, c.113 in Exhibit I, in order to calculate the hospital charity care subsidy distribution. Cost report audits support the calculation of acute care hospital Medicaid inpatient fee-for-service reimbursement rates. A limited desk audit of all of the acute care hospital cost reports is required to maintain the completeness and accuracy of the DHSS' statewide hospital financial and statistical database, as well to correctly calculate charity care subsidies and hospital assessments.

Audits of the cost reports from a sample of those Ambulatory Care Facilities subject to the ambulatory care facility assessment are required by P.L. 2004, Chapter 54.

Since the performance of these audits is beyond the staffing capabilities of the DHSS, the DHSS procures services of an outside contractor to perform the audits. These audits make it possible for the DHSS to establish a single uniform financial database used for charity care subsidy allocation, Medicaid fee-for-service hospital reimbursement, comparative analysis and the development of health care policy. The audits also improve the completeness and accuracy of public information.

1.3 KEY EVENTS

2.2 CONTRACT SPECIFIC DEFINITIONS

Dollar Value Sampling Audits – Estimate of the maximum amount of monetary error in a population. When this message is used, the population is defined as individual monetary units (e.g., dollars, pounds, guilders), rather than as physical units. As a result, high value physical units (which have a greater number of physical units) have a greater chance of selection than low value physical units. Because of this characteristic, Dollar Value Sampling Audits are sometimes called sampling with selection probability with proportion to size.

3.0 SCOPE OF WORK

The Contractor shall schedule and perform the following audits for all New Jersey DSH hospitals and selected ambulatory care facilities during the applicable year of the contract resulting from this RFP. Currently, there are eighty-two (82) licensed Medicaid DSH hospitals listed in Exhibit A. Additionally, licensed ambulatory care facilities subject to the ambulatory care facility assessment will be audited. Currently there are two hundred and eighty five (285) licensed New Jersey Ambulatory Care Facilities listed in Exhibit B. It should be noted that due to the addition or closure of DSH hospitals or ambulatory care facilities, the actual number of these facilities may vary in the future. DSH hospital variance is expected to be slight. While significant ambulatory facility growth is expected, the sample size will remain limited to 75.

1. Charity Care Audits – For Charity Care Audits, the Contractor shall complete quarterly dollar value sampling audits of New Jersey DSH hospital charity care patient account files, as illustrated in Exhibit D. The purpose of Charity Care Audits is to verify compliance with the eligibility criteria specified in N.J.A.C. 10:52-11.1 through 11.17, 12.1, 12.2 and 13.1 through 13.7. These regulations can be viewed and printed from the DHSS's web site home page (see section 3.1 below) by selecting the Division of Health Care Quality and Oversight and by clicking on "Rules". The Contractor shall complete four quarterly audits for each DSH hospital within the time schedule outlined in the UNISYS hospital claims pricing schedule in Exhibit C.
2. Cost Report Desk Audits – For Cost Report Desk Audits, the Contractor shall complete the desk audit program as specified in Exhibit E, for all DSH hospitals listed in Exhibit A. The purpose of Cost Report Desk Audits is to ensure the completeness and accuracy of the DHSS database. The cost reports and instructions can be viewed and printed from the DHSS's website in the drop down menu under "Forms". Examples of computer edit and balance reports and cross checks are specified in Exhibit F. Cost and revenue center definitions are specified in N.J.A.C. 8:31B, subchapters 3 and 4. These regulations can be viewed and printed from the DHSS's website home page by selecting the Division of Health Care Quality and Oversight and by clicking on "Rules".
3. Ambulatory Care Facility Cost Report Audits – For Ambulatory Care Facility Cost Report, the Contractor shall verify the actual data contained in the submitted cost report, an example of which is provided in Exhibit G. Of the 285 Ambulatory Care Facilities statewide, the DHSS will determine a sampling of 75 facilities to be assessed each year. A complete list of New Jersey Ambulatory Care Facilities subject to the assessment is contained in Exhibit B. The data elements required for the assessments are listed in P.L. 2004, Chapter 54, Exhibit H.

3.1 OBJECTIVES OF THE AUDITS

The primary objective of these audits is to ensure that the Ambulatory Care Facility Cost Report is complete and accurate as required in P.L. 2004, Chapter 54 and that the Charity Care and Hospital Relief Subsidies are based on accurate financial data and correct charity care patient eligibility determination as prescribed in N.J.A.C. 8:31B and N.J.A.C. 10:52-11.1 through 11.17, 12.1, 12.2, 12.3 and 13.1 through 13.7. These regulations can be downloaded from the Department of Health and Senior Services web page, www.nj.gov/health/hcsa/regulations.htm, or by going to the Department's home page (www.nj.gov/health), clicking on "Programs and Services," selecting "Health Care Quality and Oversight" from the menu, and then clicking on "Hospital Financial Reporting and Support" and "Regulations." These audits rely on the hospitals' certified financial statements, general ledger, charity care patient account files and other reliable reporting sources, such as the Medicare and Medicaid cost report audits provided by the hospitals, in accordance with the single audit concept. In addition, these ambulatory care facility audits will ensure that the assessment received from all New Jersey licensed ambulatory care facilities subject to the assessment is based on accurate data on facility gross receipts.

3.2 TASKS/AREAS OF INQUIRY

The Contractor shall perform these audits in accordance with generally accepted government auditing standards (GAGAS) and in accordance with the above-listed DHSS regulations and audit programs. The contractor shall ensure that complete staffing is available during the entire year in order to complete the audits and provide any assistance for audit appeals. The Contractor shall provide audit staff for special studies and audits on an as needed basis. The Contractor staff shall be available to

DHSS between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday. Continuity of the charity care audit process is critical; therefore, the Contractor must begin audits immediately after contract date.

The Contractor shall review and recommend improvements to the existing audit programs. The DHSS reserves the right to limit or expand the scope and priorities of these audits within the limits of the contractor's ability to perform these audit tasks at the prices bid.

4.0 PROPOSAL PREPARATION AND SUBMISSION

4.1 GENERAL

The bidder must follow instructions contained in this RFP and in the bid cover sheet in preparing and submitting its bid proposal. The bidder is advised to thoroughly read and follow all instructions.

The information required to be submitted in response to this RFP has been determined to be essential in the bid evaluation and contract award process. Any qualifying statements made by the bidder to the RFP's requirements could result in a determination that the bidder's proposal is materially non-responsive. Each bidder is given wide latitude in the degree of detail it elects to offer or the extent to which plans, designs, systems, processes and procedures are revealed. Each bidder is cautioned, however, that insufficient detail may result in a determination that the bid proposal is materially non-responsive or, in the alternative, may result in a low technical score being given to the bid proposal.

The bidder is instructed to clearly identify any requirement of this RFP that the bidder cannot satisfy.

4.2 PROPOSAL DELIVERY AND IDENTIFICATION

In order to be considered, a bid proposal must arrive at the Purchase Bureau in accordance with the instructions on the RFP cover sheet. Bidders failing to provide the requested number of copies will be charged the cost incurred by the State in producing the requested number of copies. It is suggested that the bidder make and retain a copy of its bid proposal.

No substituted or additional subcontractors are authorized to begin work until the contractor has received written approval from the Director.

5.12 OWNERSHIP OF MATERIAL

All data, technical information, materials gathered, originated, developed, prepared, used or obtained in the performance of the contract, including, but not limited to, all reports, surveys, plans, charts, literature, brochures, mailings, recordings (video and/or audio), pictures, drawings, analyses, graphic representations, software computer programs and accompanying documentation and print-outs, notes and memoranda, written procedures and documents with the exception of the Auditor's working papers, regardless of the state of completion, which are prepared for or are a result of the services required under this contract shall be and remain the property of the State of New Jersey and shall be delivered to the State of New Jersey upon 30 days notice by the State. With respect to software computer programs and/or source codes developed for the State, the work shall be considered "work for hire", i.e., the State, not the contractor or subcontractor, shall have full and complete ownership of all software computer programs and/or source codes developed. To the extent that any of such materials may not, by operation of the law, be a work made for hire in accordance with the terms of this Agreement, contractor or subcontractor hereby assigns to the State all right, title and interest in and to any such material, and the State shall have the right to obtain and hold in its own name and copyrights, registrations and any other proprietary rights that may be available.

Should the bidder anticipate bringing pre-existing intellectual property into the project, the intellectual property must be identified in the bid proposal. Otherwise, the language in the first paragraph of this section prevails. If the bidder identifies such intellectual property ("Background IP") in its bid proposal, then the Background IP

owned by the bidder on the date of the contract, as well as any modifications or adaptations thereto, remain the property of the bidder. Upon contract award, the bidder or contractor shall grant the State a non-exclusive, perpetual royalty free license to use any of the bidder/contractor's Background IP delivered to the State for the purposes contemplated by the Contract.

5.13 DATA CONFIDENTIALITY

All financial, statistical, personnel and/or technical data supplied by the State to the contractor are confidential. The contractor is required to use reasonable care to protect the confidentiality of such data. Any use, sale or offering of this data in any form by the contractor, or any individual or entity in the contractor's charge or employ, will be considered a violation of this contract and may result in contract termination and the contractor's suspension or debarment from State contracting. In addition, such conduct may be reported to the State Attorney General for possible criminal prosecution.

5.14 NEWS RELEASES

The contractor is not permitted to issue news releases pertaining to any aspect of the services being provided under this contract without the prior written consent of the Director.

5.15 ADVERTISING

The contractor shall not use the State's name, logos, images, or any data or results arising from this contract as a part of any commercial advertising without first obtaining the prior written consent of the Director.

5.16 LICENSES AND PERMITS

The contractor shall obtain and maintain in full force and effect all required licenses, permits, and authorizations necessary to perform this contract. The contractor shall supply the State Contract Manager with evidence of all such licenses, permits and authorizations. This evidence shall be submitted subsequent to the contract award. All costs associated with any such licenses, permits and authorizations must be considered by the bidder in its bid proposal.

5.17 CLAIMS AND REMEDIES

5.17.1 CLAIMS

All claims asserted against the State by the contractor shall be subject to the New Jersey Tort Claims Act, N.J.S.A. 59:1-1, et seq., and/or the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1, et seq.

5.17.2 REMEDIES

Nothing in the contract shall be construed to be a waiver by the State of any warranty, expressed or implied, of any remedy at law or equity, except as specifically and expressly stated in a writing executed by the Director.

5.17.3 REMEDIES FOR NON-PERFORMANCE

In the event the contractor fails to comply with any material contract requirement, the Director may take steps to terminate the contract in accordance with the State Administrative Code. In this event, the Director may authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the State by the defaulting contractor.

5.18 LATE DELIVERY

The contractor must immediately advise the State Contract Manager of any circumstance or event that could result in late completion of any task or subtask called for to be completed on a date certain.

5.19 RETAINAGE

Not Applicable

5.20 STATE'S OPTION TO REDUCE SCOPE OF WORK

The State has the option, in its sole discretion, to reduce the scope of work for any task or subtask called for under this contract. In such an event, the Director shall provide advance written notice to the contractor.

Upon receipt of such written notice, the contractor will submit, within five (5) working days to the Director and the State Contract Manager, an itemization of the work effort already completed by task or subtask. The contractor shall be compensated for such work effort according to the applicable portions of its cost proposal.

5.21 SUSPENSION OF WORK

The State Contract Manager may, for valid reason, issue a stop order directing the contractor to suspend work under the contract for a specific time. The contractor shall be paid until the effective date of the stop order. The contractor shall resume work upon the date specified in the stop order, or upon such other date as the State Contract Manager may thereafter direct in writing. The period of suspension shall be deemed added to the contractor's approved schedule of performance. The Director and the contractor shall negotiate an equitable adjustment, if any, to the contract price.

5.22 CHANGE IN LAW

Whenever an unforeseen change in applicable law or regulation affects the services that are the subject of this contract, the contractor shall advise the State Contract Manager and the Director in writing and include in such written transmittal any estimated increase or decrease in the cost of its performance of the services as a result of such change in law or regulation. The Director and the contractor shall negotiate an equitable adjustment, if any, to the contract price.

5.23 CONTRACT PRICE INCREASE (PREVAILING WAGE)

If the Prevailing Wage Act (N.J.S.A. 34:11-56 *et seq.*) is applicable to the contract, the contractor may apply to the Director, on the anniversary of the effective date of the contract, for a contract price increase. The contract price increase will be available only for an increase in the prevailing wages of trades and occupations covered under this contract during the prior year. The contractor must substantiate with documentation the need for the increase and submit it to the Director for review and determination of the amount, if any, of the requested increase, which shall be available for the upcoming contract year. No retroactive increases will be approved by the Director.

5.24 ADDITIONAL WORK AND/OR SPECIAL PROJECTS

The contractor shall not begin performing any additional work or special projects without first obtaining written approval from both the State Contract Manager and the Director.

In the event of additional work and/or special projects, the contractor must present a written proposal to perform the additional work to the State Contract Manager. The proposal should provide justification for the necessity of the additional work. The relationship between the additional work and the base contract work must be clearly established by the contractor in its proposal.

The contractor's written proposal must provide a detailed description of the work to be performed broken down by task and subtask. The proposal should also contain details on the level of effort, including hours, labor categories, etc., necessary to complete the additional work.

The written proposal must detail the cost necessary to complete the additional work in a manner consistent with the contract. The written cost proposal must be based upon the hourly rates, unit costs or other cost elements submitted by the contractor in the contractor's original bid proposal submitted in response to this RFP. Whenever possible, the cost proposal should be a firm, fixed cost to perform the required work. The

firm fixed price should specifically reference and be tied directly to costs submitted by the contractor in its original bid proposal. A payment schedule, tied to successful completion of tasks and subtasks, must be included.

Upon receipt and approval of the contractor's written proposal, the State Contract Manager shall forward same to the Director for the Director's written approval. Complete documentation from the Using Agency, confirming the need for the additional work, must be submitted. Documentation forwarded by the State Contract Manager to the Director must all include all other required State approvals, such as those that may be required from the State of New Jersey's Office of Management and Budget (OMB) and Office of Information and Technology (OIT).

No additional work and/or special project may commence without the Director's written approval. In the event the contractor proceeds with additional work and/or special projects without the Director's written approval, it shall be at the contractor's sole risk. The State shall be under no obligation to pay for work performed without the Director's written approval.

5.25 FORM OF COMPENSATION AND PAYMENT

This Section supplements [Section 4.5 of the RFP'S Standard Terms and Conditions](#). The contractor must submit official State invoice forms to the Using Agency with supporting documentation evidencing that work for which payment is sought has been satisfactorily completed. Invoices must reference the tasks or subtasks detailed in the Scope of Work section of the RFP and must be in strict accordance with the firm, fixed prices submitted for each task or subtask on the RFP pricing sheets. When applicable, invoices should reference the appropriate RFP price sheet line number from the contractor's bid proposal. All invoices must be approved by the State Contract Manager before payment will be authorized.

Invoices must also be submitted for any special projects, additional work or other items properly authorized and satisfactorily completed under the contract. Invoices shall be submitted according to the payment schedule agreed upon when the work was authorized and approved. Payment can only be made for work when it has received all required written approvals and has been satisfactorily completed.

5.25.1 PAYMENT TO CONTRACTOR – PAYMENT SCHEDULE

Payments from the DHSS for audit work performed will be made to the contractor from monthly invoices. These invoices will include or have attached an itemized list of the number of audits completed and submitted to DHSS multiplied by the appropriate unit price. The list of audits shall clearly separate the different types of audits from each other. In addition, for Special Projects, the invoices shall list the actual numbers of hours worked for each special project completed, multiplied by the hour rate shown on the price schedule.

5.27 REQUIREMENTS OF EXECUTIVE ORDER 134

In order to safeguard the integrity of State government procurement by imposing restrictions to insulate the award of State contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof, Executive Order 134 was signed on September 22, 2004 ("EO 134"). Pursuant to the requirements of EO 134, the terms and conditions set forth in this section are material terms of any contract resulting from this RFP:

5.27.1 DEFINITIONS

For the purpose of this section, the following shall be defined as follows:

a) Contribution – means a contribution reportable as a recipient under "The New Jersey Campaign Contributions and Expenditures Reporting Act." P.L. 1973, c. 83 (C.19:44A-1 et seq.), and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq. Currently, contributions in

excess of \$400 during a reporting period are deemed “reportable” under these laws. As of January 1, 2005, that threshold will be reduced to contributions in excess of \$300.

b) Business Entity – means any natural or legal person, business corporation, professional services corporation, limited liability company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other state or foreign jurisdiction. It also includes (i)all principals who own or control more than 10 percent of the profits or assets of a business entity or 10 percent of the stock in the case of a business entity that is a corporation for profit, as appropriate; (ii)any subsidiaries directly or indirectly controlled by the business entity; (iii)any political organization organized under 26 U.S.C.A. 527 that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee; and (iv)if a business entity is a natural person, that person’s spouse or child, residing in the same household.

5.27.2 BREACH OF TERMS OF EXECUTIVE ORDER 134

It shall be a breach of the terms of the contract for the Business Entity to (i)make or solicit a contribution in violation of this Order, (ii)knowingly conceal or misrepresent a contribution given or received; (iii)make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv)make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate of holder of the public office of Governor, or to any State or county party committee; (v)engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would make or solicit any contribution, which if made or solicited by the business entity itself, would subject that entity to the restrictions of EO 134; (vi)fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii)engage in any exchange of contributions to circumvent the intent of EO 134; or (viii)directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of EO 134.

5.27.3 CERTIFICATION AND DISCLOSURE REQUIREMENTS

- a) The State shall not enter into a contract to procure from any Business Entity services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Business Entity has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor, or to any State or county political party committee during certain specified time periods
- b) Prior to awarding any contract or agreement to any Business Entity, the Business Entity proposed as the intended awardee of the contract shall submit the Certification and Disclosure form, certifying that no contributions prohibited by Executive Order 134 have been made by the Business Entity and reporting all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C.527 of the Internal Revenue Code that also meets the definition of a “continuing political committee” within the meaning of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134> , shall be provided to the intended awardee for completion and submission to the Purchase Bureau with the Notice of Intent to Award. Upon receipt of a Notice of Intent to Award a Contract, the intended awardee shall submit to the Division, in care of the Purchase Bureau Buyer, the Certification and Disclosure(s) within five (5) business days of the State’s request. Failure to submit the required forms will preclude award of a contract under this RFP, as well as future contract opportunities.
- c) Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the contract, and any extension(s) thereof, at the time any such contribution is made. The required form and instructions, available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.htm#eo134> , shall be provided to the intended awardee with the Notice of Intent to Award.

5.27.4 STATE TREASURER REVIEW

The State Treasurer or his designee shall review the Disclosures submitted pursuant to this section, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the contract, by the contractor. If the State Treasurer determines that any contribution or action by the contractor constitutes a breach of contract that poses a conflict of interest in the awarding of the contract under this solicitation, the State Treasurer shall disqualify the Business Entity from award of such contract.

5.28 REQUIREMENTS OF EXECUTIVE ORDER 129

Under the Executive Order 129 issued on September 9, 2004 ("E.O. 129"), the State shall not award a contract to a bidder that submits a bid proposal to perform services, or have its subcontractor[s] perform services, outside the United States, unless one of the following conditions is met:

- a) The bidder or its subcontractor provide a unique service, and no comparable, domestically-provided service can adequately duplicate the unique features of the service provided by the bidder or and/or its subcontractor; or
- b) A significant and substantial economic cost factor exists such that a failure to use the bidder's and/or the subcontractor'[s] services would result in economic hardship to the State; or
- c) The Treasurer determines that a failure to use the bidder's and/or its subcontractor's services would be inconsistent with the public interest.

5.28.1 SOURCE DISCLOSURE REQUIREMENTS

Pursuant to E.O. 129, all bidders seeking a contract with the State of New Jersey must disclose:

- a) The location by country where services under the contract will be performed; and
- b) The location by country where any subcontracted services will be performed.

Accordingly, the bidder should submit with its bid proposal the Source Disclosure Certification form (Appendix 6), filled out with the sourcing information required for itself and any proposed subcontractor, identified in the Intent to Subcontract Form. If the information is not submitted with the bid proposal, it shall be submitted within five (5) business days of the State's request for the information.

FAILURE TO SUBMIT SOURCING INFORMATION WHEN REQUESTED BY THE STATE SHALL PRECLUDE AWARD OF A CONTRACT TO THE BIDDER.

5.28.2 BREACH OF CONTRACT OF EXECUTIVE ORDER 129

A SHIFT TO OUTSOURCED SERVICES DURING THE TERM OF THE CONTRACT SHALL BE DEEMED A BREACH OF THE CONTRACT.

If, during the term of the contract, the contractor or subcontractor, who had on contract award declared that services would be performed in the United States, proceeds to shift the performance of the services outside of the United States, the contractor shall be deemed in breach of the contract, which contract shall be subject to termination for cause pursuant to Section 3.5b.1 of the Standard Terms and conditions, unless the Director shall have first determined in writing that extraordinary circumstances require a shift of services or that a failure to shift the services would result in economic hardship to the State.

6.0 PROPOSAL EVALUATION/CONTRACT AWARD

6.1 PROPOSAL EVALUATION COMMITTEE

Bid proposals may be evaluated by an Evaluation Committee composed of members of affected departments and agencies together with representative(s) from the Purchase Bureau. Representatives from other governmental agencies may also serve on the Evaluation Committee. On occasion, the Evaluation Committee may choose to make use of the expertise of outside consultant in an advisory role.

6.2 ORAL PRESENTATION AND/OR CLARIFICATION OF BID PROPOSAL

After the submission of bid proposals, unless requested by the State, contact with the State is limited to status inquiries only and such inquiries are only to be directed to the buyer. Any further contact or information about the proposal to the buyer or any other State official connected with the solicitation will be considered an impermissible supplementation of the bidder's bid proposal.

A bidder may be required to give an oral presentation to the Evaluation Committee concerning its bid proposal. The Evaluation Committee may also require a bidder to submit written responses to questions regarding its bid proposal.

The purpose of such communication with a bidder, either through an oral presentation or a letter of clarification, is to provide an opportunity for the bidder to clarify or elaborate on its bid proposal. Original bid proposals submitted, however, cannot be supplemented, changed, or corrected in any way. No comments regarding other bid proposals are permitted. Bidders may not attend presentations made by their competitors.

It is within the Evaluation Committee's discretion whether to require a bidder to give an oral presentation or require a bidder to submit written responses to questions regarding its bid proposal. Action by the Evaluation Committee in this regard should not be construed to imply acceptance or rejection of a bid proposal. The Purchase Bureau buyer will be the sole point of contact regarding any request for an oral presentation or clarification.

6.3 EVALUATION CRITERIA

The following evaluation criteria categories, not necessarily listed in order of significance, will be used to evaluate bid proposals received in response to this RFP. The evaluation criteria categories may be used to develop more detailed evaluation criteria to be used in the evaluation process:

6.3.1 THE BIDDER'S GENERAL APPROACH AND PLANS IN MEETING THE REQUIREMENTS OF THIS RFP

6.3.2 THE BIDDER'S PRICE PROPOSAL

For evaluation purposes, bidders will be ranked according to the total bid price in [Attachment 5](#).

6.4 CONTRACT AWARD

The contract shall be awarded with reasonable promptness by written notice to that responsible bidder whose bid proposal, conforming to the RFP, will be most advantageous to the State, price and other factors considered. SUBCONTRACTOR UTILIZATION PLAN FORM

PROCEDURES FOR SMALL BUSINESS PARTICIPATION AS SUBCONTRACTORS

If the bidder intends to utilize any subcontractors during the course of the contract(s) to be awarded as a result of this Request for Proposal (RFP), the bidder will include small business subcontracting targets pursuant to NJAC 17:13-4. and Executive Order 71. Each bidder is required to make a good faith effort to meet the set-aside subcontracting targets of awarding a total of twenty-five percent (25%) of the value of the contract to New Jersey-based, New Jersey Commerce and Economic Growth Commission-registered (Commerce) small businesses, with a minimum of five (5) percent awarded to each of the three categories set forth below, and the balance of ten (10) percent spread across the three categories. **All bidders must complete the Notice of Intent to Subcontract form.** Failure to include a completed and signed *Notice of Intent to Subcontract* form will be sufficient cause to reject a bidder's proposal as non-responsive.

Pursuant to Section 3.11 of the Standard Terms and Conditions, **any bidder intending to subcontract must also complete the Subcontractor Utilization Plan (Plan).** Bidders are instructed to list ***all*** proposed subcontractors on the *Plan*. A bidder intending to subcontract must include a completed and signed *Plan* or be subject to rejection of its proposal as non-responsive.

DEFINITIONS:

"Small business" means a business that

- ☐ is independently owned and operated
- ☐ is incorporated or registered in and has its principal place of business located in the State of New Jersey.
- ☐ Has 100 or fewer full-time employees
- ☐ Has gross revenues falling in one of the following three categories:
 1. 0 to \$500,000 (Category I);
 2. \$500,001 to \$5,000,000 (Category II);
 3. \$5,000,001 to \$12,000,000 (Category III).

"Commerce-registered" means a small business that meets the requirements and definitions of "small business" and has applied for and been approved by Commerce as a small business.

PROCEDURE:

If a bidder intends to subcontract, the following actions should be taken to achieve the set-aside subcontracting goal requirements:

1. Attempt to locate eligible small businesses in Categories I, II and III appropriate to the RFP;
2. Request a listing of small businesses by Category from Commerce;
3. Record efforts to locate eligible businesses, including the names of businesses contacted and the means and results of such contacts;
4. Provide all potential subcontractors with detailed information regarding the specifications;
5. Attempt, whenever possible, to negotiate prices with potential subcontractors submitting higher than acceptable price quotes;
6. Obtain, in writing, the consent of any proposed subcontractor to use its name in response to the RFP; and,
7. Maintain adequate records documenting efforts to achieve the set-aside subcontracting goals.

Proposals should also contain the following items with the *Plan*, as applicable:

1. A copy of Commerce's proof of registration as a small business for any business proposed as a subcontractor; and,
2. Documentation of the bidder's good faith effort to meet the targets of the set-aside subcontracting requirement in sufficient detail to permit the Evaluation Committee to effectively assess the bidder's efforts to comply if the bidder has failed to attain the statutory goals.

If awarded the contract, the bidder shall notify each subcontractor listed in the *Plan*, in writing.

Note that a bidder's failure to satisfy the small business subcontracting targets or provide sufficient documentation of its good faith efforts to meet the targets may preclude award of a contract to the bidder.

Bidders seeking eligible small businesses should contact:

Office of Small Business
20 West State Street
PO Box 820
Trenton, New Jersey 08625-0820
